Martin County Board of County Commissioners  
2401 SE Monterey Road  
Stuart, FL 34996

Dear Ms. Johns:

In follow-up to our recent conversation regarding the School District lease of Martin County Nature Conservancy property adjacent to Florida Oceanographic Center on A1A, the Environmental Studies Center staff would like to extend the lease for future outdoor public education activities. Please renew the March 9, 1993 original agreement for an additional five years commencing on March 9, 2018.

Sincerely,

Marilyn Gavitt, Administrator

*Laurie J. Gaylord, Superintendent*
