Hi Donna

I dropped off my application for appointment today for the Local Technology Planning Team

I was under the mistaken impression that nothing would happen until June 21.

I apologize that I overlooked the requested submittal date of May 27.

If there is an ordinance or a statute that prohibits you from accepting my application, I will understand that you can't accept it.

However, if there is no legal reason not to accept it then I ask that you please make an exception for the following reasons.

- A) Over 25 years of industry experience in Computer Networking, Telecommunications Installation and Design and most recently as a Fiber Optic Network Instructor. My student clients included, AT&T Wireless Networks, Verizon Wireless, Multiple State & Local Dept. Of Transportation & Highways, US Army, US Navy, as well as many other large and small educational and commercial clients including the Panama Canal Authority.
- B) Immediately prior to moving to Hobe Sound I served on the Telecommunications Advisory Committee for the local jurisdiction that I lived in in Wellesley Massachusetts.
- C) I would like to contribute to my county and have the time to serve in this capacity.

Please consider my request and let me know what we can do about my application.

Thanks in advance

Regards

Barry McLaughlin
