COMMENTS

1. PUBLIC

- C. Cass - There is a project in the Golden Gate CRA, and the builder cleared his lot and it's been over two months and all the material is still on the side of the road. Also, what is the funding process for the CRA?
- S. Kores – TIF is estimated from the property appraiser's office, then administrative funds are allocated for the CRA operating budget, the remaining funds are used for capital projects and are allocated to each Capital Improvement Plan.
- J. D'Angelo – I am here to introduce Printed Patio located in Martin County, we are a company providing Concrete 3D Printing, for all applications including affordable housing to art pieces like planters or fountains.

2. MEMBERS

- S. Tsaftarides – Someone on Amherst Street is building chicken coops. Can a letter be sent out to them?
- S. Kores – I recommend doing a Request for Service ticket so code enforcement can get involved.
- J. Rolle-Taylor – Who do we need to contact to get grants for sewer in Port Salerno?
- S. Kores – You would need to reach out the Utilities Department. Also, we are having the Utilities Department attend the next Port Salerno Neighborhood Advisory Committee meeting.
- R. Sentell – I would like to say thank you to the CRA staff for organizing projects for each of the CRA areas.
