The hearing will be held at 9:00 A.M., or as soon thereafter as the matter can be heard, on June 20, 2023 in the County Commission Chambers of the Board of County Commissioners Building at 2401 S.E. Monterey Road, Stuart, Florida for the purpose of receiving public comment on the proposed MSBU and assessments. The Assessments have been proposed to fund construction of wastewater collection facilities and to finance related capital facility charges. The assessment for each parcel of property will be based upon the number of equivalent residential connections attributable to such parcel. A more specific description is set forth in the Initial Assessment Resolution adopted by the Commission on May 9, 2023. Copies of the Initial Assessments, including the maps and specifications for the wastewater collection facilities, and the preliminary assessment roll are available for inspection at the offices of the Martin County Utilities Department located at 3473 S.E. Willoughby Boulevard, Suite 102, Stuart, Florida (as designated by the County Administrator).

The assessments will be collected on the ad valorem tax bill, as authorized by Section 191.322, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. The County Commission intends to collect the assessments in twenty (20) annual assessments, the first of which will be included on the ad valorem tax bill to be mailed in November 2024. Future annual assessments may be prepaid, in whole, at the option of the property owner. If you have any questions, please contact the Martin County Utilities Department at (772)223-7977.
