

## ATTORNEY'S CERTIFICATION

I have reviewed the online records of the Martin County Property Appraiser and in reliance on the accuracy of those records, certify (1) that the "Exhibit 1 Fawn Solar Neighboring Property Map" prepared by Culpepper & Terpening, Inc., is an accurate depiction of the properties which lie within 1000 feet of the subject property, and (2) that the accompanying "Fawn Solar Energy Center Neighboring Properties (1,000 Ft Radius) List" accurately lists the owner, mailing address and Parcel I.D. for each property as shown in the online records of the Martin County Property Appraiser.
