APPLICANT REQUEST: A text amendment to Chapter 12, of the Comprehensive Growth Management Plan (CGMP), to implement the recommended changes of the adopted Evaluation and Appraisal Report (EAR).

STAFF RECOMMENDATION: Staff recommends approval of the proposed amendments to Chapter 12, Solid and Hazardous Waste Element.

EXECUTIVE SUMMARY: Changes proposed for Chapter 12 are largely housekeeping changes such as recognizing the Village of Indiantown incorporating in 2017.

BACKGROUND: The Evaluation and Appraisal Report, is a required part of the State growth management process and could be generally described as a mechanism for determining whether the need exists to amend the County's Comprehensive Growth Management Plan. Due to changes made by the Florida Legislature in 2011 via the Community Planning Act, local governments no longer need to submit evaluation and appraisal reports to the State reviewing agencies. Instead, local governments, at least every seven years, pursuant to Rule Chapter 73C-49, Florida Administrative Code, must determine if a need exists to amend the comprehensive plan to reflect changes in state requirements since the last time the comprehensive plan was updated. If the local government determines amendments to its comprehensive plan are necessary to reflect changes in state requirements, the local government must prepare and transmit within 1 year such plan amendment or amendments for review pursuant to the State Coordinated review process in s. 163.3184. Additionally, local governments shall comprehensively evaluate and, as necessary, update comprehensive plans to reflect changes in local conditions. Updates to the required elements and optional elements of the comprehensive plan must be

processed in the same plan amendment cycle.

Staff began this work effort last year. The County Commission has been briefed via memos and Board items. The following chart summarizes the work done.

Aug. 29, 2023	Treasure Coast Regional Planning Council (TCRPC) presented a community public outreach workshop
Nov. 21, 2023	BCC authorized notifying the State Land Planning Agency by letter that amendments are necessary.
Jan. 18, 2024	Treasure Coast Regional Planning Council (TCRPC) presented a second community public outreach workshop
Feb. 15, 2024	LPA reviewed the full EAR.
Feb. 20, 2024	State Land Planning Agency acknowledged receipt of the Nov. 21, 2023 MC letter and established November 27, 2024 as the deadline for transmittal of EAR based amendments to State Agencies.
Mar. 5, 2024	BCC received a report from TCRPC summarizing public input and adopted Resolution 24-3.2 initiating EAR based amendments.

The Local Planning Agency must conduct a public hearing on each amendment and provide a recommendation. The Board of County Commissioners must hold a transmittal public hearing on each amendment, prior to November 27, 2024 and then the amendments will be reviewed by the various state and regional agencies that participate in the State Coordinated Review Process. After that review the Board of County Commissioners must hold its adoption public hearing.
