NEW BUSINESS

Agenda Item: 25-0125, AIPP – Art Show Collaboration with MCTV

Susan Kores, Community Development Director, presented the Art Show Collaboration with MCTV. AIPP staff is partnering with MCTV to launch a new show featuring interviews with professional working artists of the Martin Artisans Guild. This series will promote local artists and highlight the value of public art in Martin

County. By showcasing these artists' work and creative processes, the show aims to engage the community and foster greater appreciation for public art's role in enhancing our local culture.

OLD BUSINESS

Agenda Item: 25-0121, AIPP – Program/Project Updates

Susan Kores, Community Development Director, presented an update on the following programs/projects:

- Hobe Sound Public Library
- Port Salerno Mooring Field upland facility mosaic
- Palm City Place nature signage
- Potential locations for utility box art wraps

J. Rolle Taylor – Will the benches be located inside or outside?

S. Kores – The benches are made out of synthetic wood and will be located outside.

J. Rolle Taylor – How will the subcommittee community members be selected?

S. Kores – There will be one from the Neighborhood Advisory Committee and another from the neighborhood community for Port Salerno, and then members from the county, possibly a local artist and the CRA.

R. Kennedy – I would stay away from NE Dixie Highway if Rio Marine does happen. Those utility boxes might get relocated.

R. Sentell – From the list, I would recommend also looking at the ones you can and can't wrap.

J. Rolle Taylor – Along Brightline tracks on A1A there are large utility boxes, maybe that is something we can look into?

COMMENTS

PUBLIC

- N. Turrell – All of the projects sound great. MartinArts will be happy to push and spread the word once they go live. ArtsFest 2025 is looking into bringing back the ChalkArt competition and expanding it to the public.
