D. Completeness Sufficiency Review

Applications submitted for completeness/sufficiency review meetings held on Mondays, must be received by the Growth Management Department no later than 4 p.m. the previous Thursday or in the event of a holiday, 4 p.m. Wednesday. Applications received on Fridays will be scheduled for the following week.

E. Certification by Professionals

Section 10.5.F.6.h., Article 10, Development Review Procedures, Land Development Regulations (LDR), Martin County Code (MCC) provides the following:

When reviewing a development application that has been certified by a professional listed in F.S. § 403.0877, F.S., the County shall not request additional information from the applicant more than three times, unless the applicant waives the limitation in writing. If the applicant states in writing that the request for additional information is not authorized by ordinance, rule, statute, or other legal authority, the County, at the applicant's request, shall proceed to process the application for approval or denial. (125.022(1), Fla. Stat.)

☐ This box must be checked if the applicant waives the limitations.

**Re: Project Name: Floridays RV Park – 10705 SE US-1
Petition For an Ordinance of Martin County, Florida, Amending Article 12, Redevelopment Code, Division 5, Hobe Sound Community Redevelopment Code; Reassigning the CRA Subdistrict from General to Corridor on Parcel 34-38-42-000-095-00020-7 Located at 10705 SE Federal Highway**

Dear Elizabeth:

On behalf of Floridays Mobile Park, LLC. (the “Owner”), who owns Parcel 34-38-42-000-095-00020-7 located on 10705 SE Federal Highway, Engineering Design & Construction (EDC) is requesting an Amendment to the Martin County Land Development Regulations Article 12, Division 5, Section 12.5.02 – Regulating Plan to reassign the CRA subdistrict of Parcel 34-38-42-000-095-00020-7 from General to Corridor. The purpose of changing the subdistrict to Corridor is to reestablish a recreational vehicle park as an alternative use on this property.

The subject property has been operating as a mobile home and recreational vehicle park since the early 1970’s. The owner acquired the property in 2010 and continued to operate a recreational vehicle park exclusively. The owner has since improved the park and maintained a successful business for over 14 years. The owner was able to make improvements to the park as RV parks were originally a permitted use on the property.

Prior to the establishment of the Hobe Sound Community Redevelopment Area (CRA), the subject property had a Future Land Use designation of Medium Density (up to 8 UPA) [Exhibit A] and had a zoning designation of TP – Mobile Home Park District and R-3A – Liberal Multi-Family [Exhibit B]. This zoning designation permitted, “Recreational vehicle parks, limited to the number and configuration of units lawfully established prior to the effective date of this ordinance.”

On June 16, 2020, Article 12, Division 5, Hobe Sound Community Redevelopment Code was adopted by the Martin County Board of County Commissioners per Ordinance No. 1134. With this adoption, the Future Land Use of Parcel 34-38-42-000-095-00020-7 became CRA Center [Exhibit C] and the zoning became Hobe Sound Redevelopment Zoning District [Exhibit D].

This Ordinance adopted Section 12.5.02 Figure HS-2 – Regulating Plan [Exhibit E] which established sub-districts for each property located within this CRA. Parcel 34-38-42-000-095-00020-7 was assigned the General subdistrict. Section 12.5.03, Table HS-4 establishes the use groups permitted in each Hobe Sound Subdistrict. Recreational vehicle parks are not an allowed use under the General subdistrict, but are an allowed use within the Corridor subdistrict.

The former zoning of Parcel 34-38-42-000-095-00020-7 allowed for recreational vehicle parks; although, the adoption of the Hobe Sound CRA and establishment of subdistricts no longer allow for this use. It seems that the changes were made without recognizing that the designations would not be compatible with the site’s long-term operation as a recreational vehicle park. This request seeks to change the subdistrict of Parcel 34-38-42-000-095-00020-7 from General to Corridor pursuant to the justification provided above to authorize recreational vehicle parks as an allowable use on the property.
