AUTHORIZING AGENT APPROVAL

For those entities applying for the Hazard Mitigation Grant Program (HMGP), assurance is needed to ensure that non-federal funds are, or will be, secured for the proposed action by the project start date. An Authorizing Agent's signature is needed to provide this. An Authorizing Agent is the chief elected official of a local government who has signature authority, such as a Chairperson of the Board of County Commissioners for a County, the Mayor of a municipality, or an elected Board Member for a private non-profit. Any entity may delegate this authority to a subordinate official by resolution of the governing body. If this is the case, Proof of Authorization must be provided as a separate attachment in Section VI of the relevant HMGP application in DEMES. This form must be fully completed, signed, and submitted into DEMES for an application to be received by FDEM. Applicants will be prompted for this form in the final step of the DEMES HMGP application. Ensure that the information provided here matches the relevant DEMES application. For questions, please email DEM_HazardMitigationGrantProgram@em.myflorida.com.
