

The screenshot shows a desktop browser window displaying the website [martincounty100.com](http://martincounty100.com). The main header features the Martin County seal and navigation links for HOME, HISTORY, GALLERY, EVENTS, and GET INVOLVED. The main image is a vintage black and white photograph of the Victory Hotel in Stuart, Florida, with several classic cars parked in front. A large, stylized text overlay reads "Martin County Centennial". To the right, a mobile device displays a smaller version of the same page, showing the same image and text. Below the main image, a section on the left celebrates "100 years!" from 1925-2025, and a section on the right welcomes visitors to Martin County, highlighting its natural beauty, vibrant communities, and unique opportunities.
