Title	Rio Neighborhood Benches and Bike Racks CRA Partnership with Creative Place Making
Artist	Martin County School Students in conjunction with Sue Lampert (Metal Bike Racks) and Mia Lindburg (Mosaic Components on benches)
Year Purchased and Installed	2016
Description	Artistic renderings evolved from visiting with students. Student designs were implemented into flat tile ceramic pieces and applied to concrete benches. Metal was hand forged to specific designs based on student work. Benches are tinted concrete and involve ceramic mosaic elements adhered to them. Aluminum decorative components are welded and fastened to bike racks which are bolted to slab sidewalk.
Artist Phone	772-209-0135
