## DESCRIPTION

Port Salerno Infrastructure Partnerships

## BACKGROUND

The Port Salerno Community Redevelopment Plan calls for projects like infrastructure partnerships, parking innovations, property acquisition, and Cove and Salerno Roadway enhancements to support the current and anticipated growth of the area. The construction of workforce housing is a countywide challenge and has been identified in the CRA vision, as well. Upgrading the infrastructure, including improvements to the physical appearance of the neighborhood, are considered vital issues relevant to successful community redevelopment and the fulfillment of the Community Redevelopment Plan.
