5. **PRESENTATIONS**
 - A. **Golden Gate Bike and Pedestrian Trail**
 Kristin Caborn and Andrew Sheppard, GAI Consultants, Community Solutions Group, gave an overview of the proposed Golden Gate Bike and Pedestrian Trail. Andrew presented the idea behind having two concept drawings, and that all components on both drawings are to be looked at as “pieces” that can be interchanged and added to the final plan. Discussion also revolved around drainage – piping or creating a swale with a “river of grass” adjacent to the trail. Other topics included signs, lighting, and parking – all of which will be included and/or evaluated.
