Re: Martin County Environmental Lands Oversight Committee Appointment

Dear Commissioners:

As a sixth-generation Floridian it is an honor to submit my application for consideration as a representative of the Martin County Farm Bureau, to serve on the recently formed Martin County Environmental Lands Oversight Committee. My family has been a member of the Florida Farm Bureau for many years, dating back to the late 1960's when they owned and operated the first citrus shop on the Ft. Pierce Plaza of Florida's turnpike.

Agriculture has always been the 'cornerstone' of my native upbringing. My maternal grandparents were pioneer settlers of the Kissimmee River off Nine-Mile Grade (now CR 721) in Highlands County. My grandparents lived off the land raising cattle and operating a fish camp, a living example of the historical fictional novel, "A Land Remembered". My father was born in Hardee County where his family had a citrus grove, and he managed packing houses. My family moved to Martin County in 1967 for two reasons: 1) Mr. Mike Zarrella hired my father to manage his packing house located on Arundel Road in Stuart; and 2) My aunt, and my mother, together with several other sisters, operated the first citrus shop on Florida's turnpike at the request of Governor Hayden Burns. The business was so successful, Governor Burns established citrus shops on all service plazas on Florida's turnpike for many years to come.

In the 2024 general election 65% of Martin County's registered voters cast their votes in favor of protecting local lands, waterways, natural areas and wildlife habitat. Decisions to be made by the MC Environmental Lands Oversight Committee should result in Martin County becoming a model for other Florida counties as these decisions will help preserve 'old-Florida' for generations to come.

For those who do not know me, my biography which lists my public and community service can be found at this link: [Meet Your Supervisor - Martin County](#). Thank you for your consideration as an appointee to this very impactful committee. Should you have any questions, please feel free to contact me at any time.

Sincerely,

Vicki Davis
