POCKET PARK POSSIBILITIES

Vote for Your Favorite Park Features

Help us design the new community park by picking the elements you want to see.

Look at the design element pictures and place a sticker on your favorites—matching the sticker color to the element color.

Your votes will shape the park's features and ensure it meets the needs and interests of the community.

TRICK OR TREES & FALL FIESTA FUN

The Golden Gate Building: 3225 SE Dixie Highway, Stuart, Florida

Join us for a free Fall Fiesta—open to Golden Gate residents and businesses! Everyone will receive a free delicious meal from the Boys and Girls Club. Fork in the Road Food Truck and the chance to receive a free native or fruit tree, while supplies last. Enjoy family-friendly activities and share your ideas for upcoming neighborhood landscape improvements.

BRING THE IDEA TO LIFE...

Create a Safe Crossing Experience

Take on the role of the landscape architect and help shape the landscape and side street planting areas along Dixie Highway and adjacent side streets in the Golden Gate community.

Place the toothpicks, with the icons, into the foam board to design the planting areas that improve the visual appeal and helps create a safer, more inviting experience.

Your ideas will guide the final design and make the streets more welcoming for pedestrians.
