Market values shown on the website reflect market conditions as of January 1st, the statutory assessment date. We are prohibited by law from relying on sales that occur after the January 1 assessment date. Therefore, market values shown on the website do not reflect today's market conditions, but rather the market conditions last year. In addition, the statutes require the county Property Appraiser to deduct for typical costs of sale (which include expenses such as commissions, title insurance, appraisals, inspection fees, etc.) when arriving at market value for tax purposes. That is why the market value for tax purposes is different from what a property would sell for today.

RE: Notice of Public Hearings for Comprehensive Plan Amendment (CPA) 24-25, Coral Gardens Vac Station: An application initiated by the Board of County Commissioners (BOCC) to amend the Future Land Use Map (FLUM) and the County Zoning Atlas on a ±4.2-acre property located south of SE Pomeroy Street on the northeast corner of SE Willoughby Boulevard and SE Coral Lakes Way in Stuart.

Dear Property Owner:

As the property owner within 1,000 feet of the identified site in the above description and shown on the enclosed map, please be advised that consideration of proposed amendments to (1) the Future Land Use Map and (2) the County Zoning Atlas will occur at two public hearings.

1) Legislative public hearing to change the Future Land Use Designation:

FROM: INSTITUTIONAL-RECREATIONAL TO: INSTITUTIONAL-GENERAL

2) Quasi-judicial public hearing to change the Zoning District Classification:

FROM: PR (PUBLIC RECREATION) TO: PS-1 (PUBLIC SERVICE)

Public hearings on each item listed above are scheduled before both the Local Planning Agency and the Board of County Commissioners. The date, time and place of the scheduled hearings are as follows:

Governing Body: BOARD OF COUNTY COMMISSIONERS

Tuesday, April 8, 2025

Place: Martin County Administrative Center
2401 S.E. Monterey Road
Stuart, Florida 34996

Accessibility arrangements: Persons with disabilities who need an accommodation to participate in these proceedings are entitled, at no cost, to the provision of certain assistance. This does not include transportation to and from the meeting. Please contact the Office of the ADA Coordinator at (772) 320-3131, or the Office of the County Administrator at (772) 288-5400, or in writing to 2401 S.E. Monterey Road, Stuart, FL 34996, no later than three days before the date of the meeting. Persons using a TTY device, please call 711 Florida Relay Services.

Public Involvement opportunities: All interested persons are invited to attend any or all of the above-described hearings and will have an opportunity to speak during the public comment portion of the public hearing. All application files are available for public inspection during business hours at the address below. Written comments will be included as part of the public record of the application.

Record for appeals: If any person decides to appeal a decision made with respect to any matter considered at the meetings or hearings of a board, committee, agency, council, or advisory group, that person will need a record of the proceedings and, for such purpose, may need to ensure that a verbatim record of the proceedings is made. This record should include the testimony and evidence upon which the appeal is to be based.

Comprehensive Planning Facts: The Future Land Use Map is an exhibit of the Martin County Comprehensive Growth Management Plan which is one of the primary tools for managing land development. The Future Land Use designation of a parcel of land determines the general type of use allowed, as well as the maximum level of density or intensity allowed (such as the number of residential units per acre). The zoning regulations provide one or more zoning districts for implementing each Future Land Use designation. The zoning designation determines, in more detail than the Future Land Use designation, what type and level of development may occur. A change to the Future Land Use Map requires the following legislative public hearings:

1. Local Planning Agency (which makes a recommendation to the Board of County Commissioners).
2. Board of County Commissioners (to determine whether the proposed amendment should be adopted).

Ability to intervene in the quasi-judicial public hearing to change the zoning district classification: A person may participate as an Intervenor in the quasi-judicial hearing on the rezoning. An Intervenor can ask questions of the staff and applicant and can provide testimony. To be an Intervenor, a person must qualify to receive mailed notice of the application in accordance with Article 10, Section 10.6.E, Land Development Regulations, Martin County Code. In addition, an Intervenor must file a form of intent with the County Administrator at least seven (7) business days prior to the Local Planning Agency (LPA) or Board of County Commissioners (BOCC) meeting. No fee will be assessed. If the Intervenor is representing a group/association, he/she must file a letter on official letterhead, signed by an authorized representative of the group/association, stating that he/she is authorized to speak for the group. Forms are available on the Martin County website www.martin.fl.us. Any documentation, including any digital media, intended to be proffered as evidence must be submitted to the Growth Management Department at least seven (7) business days prior to the LPA or BCC meetings.
