**5. PRESENTATIONS****A. Sheriff's Department Update**

Deputy Angelico informed the PRAB members that there was some graffiti found on the Jensen Beach Causeway consistent with gang tagging but was covered immediately. He also mentioned that some sailboats have been propping up dinghies on the beach. Discussion.

**B. Hobe Sound Youth Sports Providers**

Parks and Recreation, along with the Parks and Recreation Advisory Board (PRAB) invited all the Youth Sports Providers (YSP's) to attend a PRAB meeting and give a presentation. In order to foster cooperation and keep the meetings manageable, it was decided that we would group them together based on the geographical location of each. So, the Hobe Sound area YSP's were invited in January, the Jensen Beach/North County YSP's are invited in February, the Palm City YSP's are invited in March and the Mid-County YSP's are invited in April.

The YSP's were given direction to give a presentation of their program (i.e. sport, location, season, participation numbers, age groups, number of coaches, volunteers, trends, etc.) along with any issues/concerns/needs that they may have related to programs, facilities, services and how the Parks and Recreation Department is meeting their needs.

Chris Norton, President of Hobe Sound Little League, gave a PowerPoint presentation depicting the season, number of volunteers, participation numbers, age groups, number of coaches, concerns, and accomplishments of the program. He spoke regarding their special needs program, scholarships, and their enhanced safety program. He noted that they re-chartered the fastpitch softball program. He also explained the changes in boundaries that have added participants to their program. He mentioned the number of participants and prices to play as well as how fiscally responsible the league is. He highlighted the need for fields as the league is growing rapidly. Discussion.

Julie Hemsley, Director of Coaching for Hobe Sound Soccer Club, mentioned that the program had been going through a restructuring phase but now the base is strong. They have a very strong micro program that runs in the fall. There are 81 participants and they play in the Treasure Coast League. They have a mentoring program for referees and Top Soccer which is their special needs program. They also have a Happy Feet Program for participants 2-7 years of age and there are currently 22 enrolled. She continued by mentioning the need for field repairs and offered to clean up the concession stand. She finished by mentioning the current challenges facing the league which were keeping numbers up, working together with other sports, and keeping children playing soccer. Chris Carey, Recreation Commissioner for Hobe Sound Soccer Club, mentioned the need for meeting rooms. All YSP representatives agreed. All parties then exchanged their contact information and there was extensive discussion on working together in the future to benefit all sports. Discussion.
