RE: Notice of a public hearing regarding application CPA 18-9, Reserve Area No. 1, Plat of Leilani Heights Phase 1, a proposed change to the Future Land Use designation and Zoning for Reserve Area No. 1, Plat of Leilani Heights, Phase 1.

Dear Property Owner:

As the owner of property within 1,000 feet of Reserve Area No. 1, within the Plat of Leilani Heights, Phase 1, shown on the enclosed map, please be advised that the property is the subject of an application to make the following changes:

- 1) Change the future land use designation from Low Density Residential to Institutional Recreation; and
- 2) Change the Zoning District from R-2 (Single-Family Residential District) to PR (Public Recreation).

The date, time and place of the scheduled public hearing are as follows:

MEETING: BOARD OF COUNTY COMMISSIONERS
DATE: January 29, 2019
TIME: 9:00 A.M., or as soon thereafter as the items can be heard.
PLACE: Martin County Administrative Center
Commission Chambers, 1st Floor
2401 S.E. Monterey Road
Stuart, Florida 34996

All interested persons are invited to attend the hearing and will have an opportunity to speak.

Accessibility arrangements: Persons with disabilities who need an accommodation in order to participate in this proceeding are entitled, at no cost, to the provision of certain assistance. This does not include transportation to and from the meeting. Please contact the Office of the ADA Coordinator at (772) 320-3131, or the Office of the County Administrator at (772) 288-5400, or in writing to 2401 SE Monterey Road, Stuart, FL, 34996, no later than three days before the hearing date. Persons using a TTY device, please call 711 Florida Relay Services.

Record for appeals: If any person decides to appeal any decision made with respect to any matter considered at the meetings or hearings of any board, committee, agency, council, or advisory group, that person will need a record of the proceedings and, for such purpose, may need to insure that a verbatim record of the proceedings is made, which record should include the testimony and evidence upon which the appeal is to be based.

Comprehensive Planning Facts: The Future Land Use Map is part of the County's Comprehensive Growth Management Plan and one of the primary tools for managing land development. The future land use designation of a parcel of land determines the general type of use allowed, as well as the maximum level of density or intensity allowed (such as the number of residential units per acre).

TELEPHONE
772-288-5400

WEB ADDRESS
<http://www.martin.fl.us>

The zoning regulations provide one or more zoning districts for implementing each future land use designation. The zoning designation determines, in more detail than the future land use designation, what type and level of development may occur. A change to the Future Land Use Map requires three public hearings as follows:

1. Local Planning Agency (which makes a recommendation to the Board of County Commissioners).
2. Board of County Commissioners (to determine whether the proposed amendment should be transmitted to the state land planning agency that oversees and coordinates comprehensive planning).
3. Board of County Commissioners (to determine whether the proposed amendment should be adopted).

Public involvement opportunities: All interested persons are invited to attend any or all of the above-described hearings and will have an opportunity to speak. All application files are available for public inspection during business hours. Written comments will be included as part of the public record of the application.

Submit Written Comments to: Nicki van Vonno, Director

Sprouts Farmers Market coming to Stuart

Bargainista

USA TODAY NETWORK - FLA.

STUART - A natural grocery store known for its large organic selection is coming to the Treasure Coast.

No, we're not getting Trader Joe's or Whole Foods Market, but a Sprouts Farmers Market.

Phoenix-based Sprouts, which operates more than 300 stores nationwide, plans to open in Stuart's Martin Square shopping center on U.S. 1 near Indian Street. The plaza is anchored by Home Depot, Old Time Pottery and Staples.

"Since entering the Florida market two years ago, residents across the state continue to ask for a Sprouts in their neighborhood," Kalia Pang, a Sprouts spokeswoman, said in a statement. "We are looking forward to bringing our unique 'healthy living for less' concept to shoppers in Stuart."

There are six Sprouts in Florida and more coming soon, including the first in Palm Beach County, set to open March 20 in Wellington. A Jupiter location also is planned at 3757 Military Trail in Admiral's Cove.

Sprouts says its stores feature a large produce section in the center of the store and a deli with prepared entrees and side dishes, butcher shop and fish market.

But don't grab your shopping bags just yet. Additional details, including a projected opening date, were not announced.

Based on past experience, we might have a long wait before the grand opening.

Remember Lucky's Market?

In February 2017, I first wrote about Lucky's Market plans to open in Port St. Lucie with a late 2017 projected opening.

Many readers have asked me if Lucky's would ever open here.

Good news: It is, company spokeswoman Krista Torvik confirmed. The goal is to open the store in the Town Center at St. Lucie West shopping center in the fourth quarter of 2019, Torvik said.

Martin County Fair moving west after this year

Melissa E. Holsman
Treasure Coast Newspapers
USA TODAY NETWORK - FLORIDA

STUART - The Martin County Fair will celebrate 60 years in Stuart when it opens this year's run Feb. 8, but it also will bid farewell to its long-time location on Dixie Highway, across from Witham Field, according to fair officials.

Next year, if plans go as expected, the fairgrounds will move from its 11.6-acre site and expand to 107 acres north of Citrus Boulevard and east of Indiantown Airport in western Martin County.

The County Commission on Tuesday voted 4-1 to move forward with relocation plans, which would include extension of water and sewer service to the former orange grove.

The decision comes after decades of talks about relocating to accommodate more people, better attractions and bigger agricultural activities.

Timing is crucial, said Jay Spicer, manager of the Martin County Fair Association, because construction at Witham Field means this is the last year parking will be provided by the airport.

"By fair time 2020, there will be no parking available at the airport," he said, "and we cannot host this event here without parking."

Spicer commended commissioners for agreeing to move to a larger location.

"It's very exciting. There have been talks about moving the fairgrounds for more than 30 years, and now we ... all have an understanding that this is the right thing for the community," he said.

"We look at it as an investment in the community. Because what we have designed is 80 percent designed for youth activities."

Relocation stages

Commissioner Sarah Heard, who on Tuesday questioned the county's \$1.6 million share of relocation costs — for road improvements and for water and sewer lines — was the lone dissenter.

The county owns the property as part of a land swap with the South Florida Water Management District.

It will cost about \$5 million to complete the first phase of development, records show.

"We're trying to get the new lot to where we can clear it, level it, get the drainage in, bring in some power and ... if we can't get the water and sewer

connections in time, we will use porta-potties and portable water in the interim," Spicer said.

"The plan is to host the event out there as kind of an old-fashioned traveling carnival set-up, temporarily."

The current fairgrounds, 2616 S.E. Dixie Highway, is leased by the Fair Association from the county for \$10 a year. That lease expires in 2026, but, Spicer said, the site will be available for up to three years after the fair moves to host other events while officials raise improvement money through grants and donations.

Fair officials expect to pursue corporate support from companies such as Florida Power & Light Co., U.S. Sugar and Atlantic Aviation.

Plans show the new site could cost about \$50 million. The new fairgrounds would feature a covered arena, an expo center and community buildings.

On Tuesday, County Commission Chairman Ed Ciampi recommended the county lay out the \$1.6 million for improvements and get reimbursed later by selling the Dixie Highway site.

"I've heard it's worth \$5 million, \$6 million or \$7 million," Ciampi said during Tuesday's meeting. "Take some of the proceeds ... to kick off the next 50 or 60 years of the next fair out there."

He predicted people throughout the region would visit the new location.

"Almost everyone who would go to the fair in town would go to the fair out west," he said. "But what they'll also gain is Clewiston, Okeechobee, Belle Glade, all of the folks that would love to come to the fair."

In 2012, the new site was slated to become an off-highway vehicle park but the project fell through and fair officials have eyed it since.
