D. Review Board action

This is an application for a PUD Final Site Plan with a previously approved Master Plan. As such, final action on this request is required to be heard at a public meeting. The public meeting shall be before the Board of County Commissioners (BCC), who will take final action on the request pursuant to Table 10.5.F.9., LDR, Martin County, Florida (2021).

Pursuant to Sections 10.1.E. and 10.2.B.2., Land Development Regulations, Martin County, Fla. (2021), it shall at all times be the applicant's responsibility to demonstrate compliance with the Comprehensive Growth Management Plan (CGMP), Land Development Regulations (LDR) and the Code.

The applicant addressed the non-compliance findings from the staff report dated, March 13, 2025 with its resubmittal dated April 9, 2025. The previous staff reports, and resubmittals are incorporated herein by reference. It shall at all times be the applicant's responsibility to demonstrate compliance with the Comprehensive Growth Management Plan (CGMP), Land Development Regulations (LDR) and the Code.

F. Determination of compliance with Comprehensive Growth Management Plan requirements – Growth Management Department

Findings of Compliance:

Staff has reviewed this application and finds that that it complies with the LDR, as detailed within this report. Staff recommends approval of this development application as consistent with the guidelines and standards of the applicable Comprehensive Plan goals, objectives and policies, as implemented in the LDR.

G. Determination of compliance with land use, site design standards, zoning and procedural requirements – Growth Management Department

Findings of Compliance:

Staff has reviewed this application and finds that that it complies with the LDR, as detailed within this report. Staff recommends approval of this development application as consistent with the guidelines and standards of the applicable Comprehensive Plan goals, objectives and policies, as implemented in the LDR.

INFORMATION #1:

This site plan should match the site plan submitted for permit.

H. Determination of compliance with urban design and community redevelopment requirements – Community Redevelopment Department

Commercial Design

N/A - Staff review for compliance requirements associated with this area of regulations is not applicable to this project as currently proposed.

Community Redevelopment Area

N/A - Staff review for compliance requirements associated with this area of regulations is not applicable to this project as currently proposed.

I. Determination of compliance with the property management requirements – Engineering Department

N/A - Staff review for compliance requirements associated with this area of regulations is not applicable to this project as currently proposed.

J. Determination of compliance with environmental and landscaping requirements – Growth Management Department

Environmental

Finding of Compliance:

The Growth Management Department Environmental Division staff has reviewed the application and finds it in compliance with the applicable land development regulations.

Landscaping

Findings of Compliance

The Growth Management Department Environmental Division staff has reviewed the application and finds it in compliance with the applicable Land Development Regulations Article 4, Division 15 -

Landscaping, Buffering, and Tree Protection. [2013]. The applicant has proposed construction of two golf performance structures within the prior approved golf course.

The applicant has proposed installation of 385 native trees within this portion of the golf course.

Alterations cannot be made to the plans after final site plan approval. Any alteration may require an application to amend the affected approved plans.

The applicant is cautioned to consider the placement of utilities and any underground or above ground site improvement that could cause a conflict with the landscaping and possibly cause a change or amendment.

As-built landscape plans submitted prior to the release of a certificate of occupancy will be checked against the approved drawings. Inconsistencies may block the issuance of the certificate of occupancy and cause the applicant to begin the application process for a change or an amendment to the development order.

K. Determination of compliance with transportation requirements – Engineering Department

Findings of Compliance

This application satisfies the Adequate Public Facilities Standard; it is exempt as it is a development of an ancillary use that does not create additional impact on the roadway network (Article 5, Division 2, Section 5.32.B.3.f).

L. Determination of compliance with county surveyor – Engineering Department

N/A - Staff review for compliance requirements associated with this area of regulations is not applicable to this project as currently proposed.

M. Determination of compliance with engineering, storm water and flood management requirements – Engineering Services Division

Compliance with Adequate Public Facilities Ordinance:

This project will provide the proposed development sufficient services based upon the adopted LOS for stormwater management facilities.

Findings of Compliance:

The application was reviewed for compliance with the following Divisions of the Land Development Regulations. Staff's finding is summarized after each:

Division 8- Excavation, Fill, and Mining: The applicant demonstrated in the Engineer's Opinion of Probable Excavation, Fill, and Hauling that the amount of proposed excavation balances with the amount of fill needed for the site; therefore, hauling material from the site is not approved with this Development Order. The applicant demonstrated compliance with Division 8.

Division 9- Stormwater Management: The applicant has demonstrated the proposed development is included in the Master Stormwater Management System and the proposed development is consistent with

the approved existing system; thereby, the required attenuation and water quality treatment is in compliance with Division 9.

Division 10- Flood Protection: The site does not fall within a Special Flood Hazard Area. The applicant demonstrated that the minimum finished floor elevations are set at or above the maximum predicted stage of the 100-year 3-day storm event (14.50-feet NAVD); therefore, the applicant demonstrated compliance with Division 10.

Division 14- Parking and Loading: The applicant demonstrated compliance with the parking and loading requirements set forth in Division 14 with the design and layout of the proposed on-site parking facilities.

Division 19- The applicant is not proposing to make modifications to the existing roads. Therefore, Division 19 is not applicable.

DEVELOPMENT ORDER CONDITIONS:

The Owner is not authorized to haul fill off the site and must coordinate with the County Engineer regarding the routes and timing of any fill to be hauled to the site. The Owner must comply with all County excavation and fill regulations.

N. Determination of compliance with addressing and electronic file submittal requirements – Growth Management and Information Technology Departments

Addressing

Findings of Compliance:

The application has been reviewed for compliance with Division 17, Addressing, of the Martin County Land Development Regulations. Staff finds that the proposed site plan / plat complies with applicable addressing regulations. All street names are in compliance. They meet all street naming regulations in Article 4, Division 17, Land Development Regulations. Martin County, Fla. (2025).

Electronic File Submittal

Findings of Compliance:

Both the AutoCAD dwg file of the site plan and boundary survey were found to be in compliance with Section 10.2.B.2., Land Development Regulations, Martin County, Fla. (2025).

O. Determination of compliance with utilities requirements – Utilities Department

Water and Wastewater Service

South Martin Regional Utility (SMRU) is the water and sewer utility provider for this project. Developments served by SMRU must receive and submit a letter of capacity reservation directly from the Utility. Please contact SMRU to obtain a reservation letter to demonstrate utility compliance. [ref. South Martin Regional Utility, Regulations, Policies, and Procedures; Section 1.2 “Utility Capacity Reservation Process”]

Wellfield and Groundwater Protection

Findings of Compliance:

The application has been reviewed for compliance under the Wellfield Protection Program. The reviewer finds the application in compliance with the Wellfield Protection and Groundwater Protection Ordinances. [Martin County, Fla., LDR, Article 4, Division 5] (2016)

P. Determination of compliance with fire prevention and emergency management requirements – Fire Rescue Department

Fire Prevention

Finding of Compliance

The Fire Prevention Division finds this submittal to be in compliance with the applicable provisions governing construction and life safety standards of the Florida Fire Prevention Code. This occupancy shall comply with all applicable provisions of governing codes whether implied or not in this review, in addition to all previous requirements of prior reviews.

Emergency Management

N/A - Staff review for compliance requirements associated with this area of regulations is not applicable to this project as currently proposed.

Q. Determination of compliance with Americans with Disability Act (ADA) requirements – General Services Department

Findings of Compliance:

The Public Works Department staff has reviewed the application and finds it in compliance with the applicable Americans with Disability Act requirements. [2020 Florida Building Code, Accessibility, 7th Edition]

R. Determination of compliance with Martin County Health Department and Martin County School Board

Martin County Health Department

U. Post-approval requirements

After approval of the development order, the applicant will receive a letter and a Post Approval Requirements List that identifies the documents and fees required. Approval of the development order is conditioned upon the applicant's submittal of all required documents, executed where appropriate, to the Growth Management Department (GMD), including unpaid fees, within sixty (60) days of the final action granting approval.

Please submit all of the following items in a single hard copy packet. Once submitted, a unique Sharebase link will be provided to the agent via email. CDs and Flash Drives are no longer accepted for post approval submittals. The 24" x 36" plans should be submitted rolled and in separate sets as itemized below. Please note, the Public Works Department still requires a blank flash drive for the plans that will be stamped as part of post approval process. This flash drive will be distributed to the applicant/engineer of record at the pre-construction meeting. This blank flash drive now needs to be **brand new, unopened in the original package.**

Item	Description	Requirement
1.	Response to Post Approval Requirements List	The applicant will submit a response memo addressing the items on the Post Approval Requirements List.
2.	Post Approval Fees	The applicant is required to pay all remaining fees when submitting the post approval packet. If an extension is granted, the fees must be paid within 60 days from the date of the development order. Checks should be made payable to Martin County Board of County Commissioners.
3.	Recording Costs	The applicant is responsible for all recording costs. The Growth Management Department will calculate the recording costs and contact the applicant with the payment amount required. Checks should be made payable to the Martin County Clerk of Court.
4.	Warranty Deed	One (1) copy of the recorded warranty deed if a property title transfer has occurred since the site plan approval. If there has not been a property title transfer since the approval, provide a letter stating that no title transfer has occurred.

Item	Description	Requirement
5.	Construction Plans	One (1) 24" x 36" copy of the approved construction plans signed and sealed by the Engineer of Record licensed in the State of Florida. Rolled.
6.	Approved Phase 3B PUD Final Site Plan	One (1) copy 24" x 36" of the approved Phase 3B PUD final site plan.
7.	Approved Landscape Plan	One (1) 24" x 36" copy of the approved landscape plan signed and sealed by a landscape architect licensed in the State of Florida.
8.	Digital Copy of Site Plan	One (1) digital copy of site plan in AutoCAD 2010 – 2014 drawing format (.dwg). The digital version of the site plan must match the hardcopy version as submitted.
9.	Engineer's Design Certification	Original of the Engineer's Design Certification, on the County format, which is available on the Martin County website, signed and sealed by the Engineer of Record licensed in the State of Florida.
10.	South Martin Regional Utilities Reservation	Proof of capacity reservation and fees paid to South Martin Regional Utilities (SMRU). The original agreement and payment shall be coordinated directly with SMRU prior to submittal of the post approval package to Growth Management.
11.	PUD Zoning Agreement	Original and one (1) copy of the executed approved PUD zoning agreement.
12.	Flash/Thumb Drive	One unopened (1) blank USB flash/thumb drive, in the original package, which will be utilized to provide the applicant with the approved stamped and signed project plans at the pre-construction meeting.

V. Local, State, and Federal Permits

Approval of the development order is conditioned upon the applicant's submittal of all required applicable Local, State, and Federal Permits to Martin County prior to scheduling the pre-construction meeting.

W. Fees

Public advertising fees for the development order will be determined and billed subsequent to the public hearing. Fees for this application are calculated as follows:
