D. Completeness Sufficiency Review

Applications submitted for completeness/sufficiency review meetings held on Mondays, must be received by the Growth Management Department no later than 4 p.m. the previous Thursday or in the event of a holiday, 4 p.m. Wednesday. Applications received on Fridays will be scheduled for the following week.

E. Certification by Professionals

Section 10.5.F.6.h., Article 10, Development Review Procedures, Land Development Regulations (LDR), Martin County Code (MCC) provides the following:

When reviewing a development application that has been certified by a professional listed in F.S. § 403.0877. F.S., the County shall not request additional information from the applicant more than three times, unless the applicant waives the limitation in writing. If the applicant states in writing that the request for additional information is not authorized by ordinance, rule, statute, or other legal authority, the County, at the applicant’s request, shall proceed to process the application for approval or denial. (125.022(1), Fla. Stat.)

This box must be checked if the applicant waives the limitations.

F. APPLICANT or AGENT CERTIFICATION

I have read this application, and to the extent that I participated in the application, I have answered each item fully and accurately.

PROJECT NARRATIVE South Florida Gateway PUD

Plat No. 2 (Lot IND-3) With Request for a Certificate of Public Facilities Exemption September 24, 2024

Property Characteristics

The 32.26-acre (+/-) subject property, which is located south of SW 96th Street and west of Kanner Highway, was recently added to the South Florida Gateway PUD by way of the 2nd PUD Amendment/Revised Master Site Plan.

Surrounding Property Characteristics

The properties to the north, east and west of the subject site include Agricultural land that is the subject of a pending future land use amendment to Low Density Residential. The property to the south is Lot IND-1 and Lot IND-2 within the South Florida Gateway PUD. SW Gateway Place, which has been completed with a traffic signal at South Kanner Highway, and water and sewer lines (Martin County Utilities) are immediately adjacent to the south property line of the subject property.

PENDING LOT IND-3 INFRASTRUCTURE FINAL SITE PLAN

The infrastructure final site plan for the 32.26-acre property, i.e., Lot IND-3 is currently under review. The project infrastructure, which includes road and utility extensions along SW Gateway Place will be constructed in one phase.

PROPOSED PLAT NO. 2 (LOT IND-2)

By way of the pending Lot IND-3 infrastructure final site plan application, the developer of the South Florida Gateway PUD is extending SW Gateway Place and associated utilities to the frontage of Lot IND-3. The sole purpose of the final site plan application is to construct the infrastructure to support Lot IND-3 so it can be platted and legally conveyed in accordance with the South Florida Gateway PUD Agreement.

A future final site plan application for Lot IND-3 will be submitted when actual development is proposed. This will include additional stormwater improvements on Lot IND-3, a water and sewer service agreement with Martin County Utilities and a request for a Certificate of Public Facilities Reservation.
