About

With over eight years of experience in finance and strategy, I am a results-oriented and analytical Finance professional.

I leverage my skills in corporate finance, written communication, and strategy consulting to drive operational efficiency, data integrity, and strategic financial leadership. I have successfully orchestrated the restructuring of the chart of accounts, streamlined accounting platforms, implemented automation, and introduced product-level margin reporting. I have also led a transformative reorganization of the FP&A team, redesigned key performance indicators, and implemented Sales & Use Tax reporting in compliance with the Wayfair Act. My mission is to provide data-driven solutions and insights that optimize product mix, profitability, and growth.

3 months ago I took a leap of faith. And let's be real they took a leap of faith on me too.

I started in a new industry at Hog Technologies as their Contoller and am thrilled to announce that I've been promoted to Director of Finance!

In the past few months it's been a wild (but fun) ride navigating a new industry, a new team, and an acquisition. This has worked out far better than I could have hoped for. I used to think that "company culture" was a gimmick. However, I can definitively say I don't think that way any longer. The Hog team has embraced me coming onboard, and I them, and I feel like I've genuinely started to form ...more
