THIS AGREEMENT, made and entered into by and between the STATE OF FLORIDA COMMISSION FOR THE TRANSPORTATION DISADVANTAGED, created pursuant to Chapter 427, Florida Statutes, hereinafter called the Commission, and Martin County Transit, LLC., 694 14th Street, Vero Beach, Florida 32960, hereinafter called the Grantee.

W I T N E S S E T H:

WHEREAS, the Grantee has the authority to enter into this Agreement and to undertake the Project hereinafter described, and the Commission has been granted the authority to use Transportation Disadvantaged Trust Fund moneys to subsidize a portion of an eligible transportation disadvantaged person's transportation costs, and/or capital equipment purchased for the provision of transportation services and other responsibilities identified in Chapter 427, Florida Statutes, or rules thereof;

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations herein, the parties agree as follows:

1.00 Purpose of Agreement: The purpose of this Agreement is to provide trips and/or capital equipment to the transportation disadvantaged in accordance with Chapter 427, Florida Statutes, Rule 41-2, Florida Administrative Code, Commission policies, the Fiscal Year 2025-26 Program Manual and Instructions for the Trip & Equipment Grant as further described in this Agreement and in Exhibits A, B, C, D and E attached hereto and by this reference made a part hereof, hereinafter called the **Project**; and, for the Commission to provide financial assistance to the Grantee and state the terms and conditions upon which such financial assistance will be provided and the understandings as to the manner in which the Project will be undertaken and completed. Funds available through this agreement may be used only for transportation services for eligible transportation disadvantaged individuals and shall be applied only after all other potential funding sources have been used and eliminated. Grant funds shall not be used to supplant or replace funding of transportation disadvantaged services which are currently funded to a Grantee by any federal, state, or local governmental agency.

2.00 Accomplishment of the Project: The Grantee shall commence and complete the Project as described in Exhibit A with all practical dispatch, in a sound, economical, and efficient manner, and in accordance with the provisions herein, and all federal, state and local applicable laws.

2.10 Pursuant to Federal, State, and Local Law: In the event that any election, referendum, approval, permit, notice, or other proceeding or authorization is requisite under applicable law to enable the Grantee to enter into this Agreement or to undertake the Project hereunder, or to observe, assume or carry out any of the provisions of the Agreement, the Grantee will initiate and consummate, as provided by law, all actions necessary with respect to any such matters so requisite.

2.20 Funds of the Grantee: The Grantee will provide the necessary funds or in-kind contributions necessary for the completion of the Project.

2.30 Submission of Proceedings, Contracts and Other Documents and Products: The Grantee shall submit to the Commission such data, reports, records, contracts, certifications and other financial or operational documents or products relating to the Project as the Commission may require as provided by law, rule or under this agreement. Failure by the Grantee to provide such documents, or provide other documents or products required by previous agreements between the Commission and the Grantee, may, at the Commission's discretion, result in refusal to reimburse project funds or other permissible sanctions against the Grantee, including termination.

2.40 Incorporation by Reference: The Grantee and Commission agree that by entering into this Agreement, the parties explicitly incorporate by reference into this Agreement the applicable law and provisions of Chapters 341 and 427, Florida Statutes, Rules 14-90 and 41-2, Florida Administrative Code, and the Fiscal Year 2025-26 Program Manual and Instructions for the Trip & Equipment Grant.

3.00 Total Project Cost: The total estimated cost of the Project is \$284,222.00. This amount is based upon the amounts summarized in Exhibit B and by this reference made a part hereof. The Grantee agrees to bear all expenses in excess of the total estimated cost of the Project and any deficits involved, including any deficits revealed by an audit performed in accordance with Section 6.00 hereof after completion of the project.

4.00 Commission Participation: The Commission agrees to maximum participation, including contingencies, in the Project in the amount of \$255,801.00 as detailed in Exhibit B, or in an amount equal to the percentage(s) of total actual project cost shown in Exhibit B, whichever is less.

4.10 Eligible Costs: Grant Funds, derived exclusively from the Transportation Disadvantaged Trust Fund, may only be used by the Commission and the Grantee to subsidize a portion of a transportation disadvantaged person's transportation costs, and then only if a match, as specified in the Fiscal Year 2025-26 Program Manual and Instructions for the Trip & Equipment Grant, is provided by the Grantee. Trips shall be purchased at the fares indicated in Exhibit B, Page 2 of 2 attached to and made a part of this agreement. The Grantee shall maintain an approved written eligibility application for each rider who receives transportation service (trip or bus pass). In addition, documentation which supports the eligibility determination shall be maintained by the Grantee as part of the rider's eligibility file. Trip & Equipment Grant Funds may also be used to purchase capital equipment used for the provision of transportation services to the transportation disadvantaged.

4.20 Eligible Project Expenditures: Project costs eligible for State participation will be allowed only from the date of this Agreement. It is understood that State participation in eligible project costs is subject to:

- a) The understanding that disbursement of funds will be made in accordance with the Commission's cash forecast;
- b) Availability of funds as stated in Section 14.00 of this Agreement;
- c) Commission approval of the project scope and budget (Exhibits A & B) at the time appropriation authority becomes available;
- d) Submission of all certifications, invoices, detailed supporting documentation, or other obligating documents and all other terms of this agreement.

If the Grantee wishes to purchase vehicles or other equipment with Transportation Disadvantaged Trust Funds after the date this Agreement becomes effective, the Grantee must have from the Commission an executed grant amendment prior to the purchase.

4.30 Project Funds: In addition to other restrictions set out in this Trip & Equipment Grant agreement, the Grantee must also adhere to the following limitations on the use of Transportation Disadvantaged Trust Funds:

4.31 Transfer of Funds: A Grantee in a non-multi-county designated service area, may not borrow, loan or otherwise transfer Transportation Disadvantaged Trust Funds from one designated service area to another without the express written approval of the Commission.

4.40 Front End Funding and Retainage: Front end funding and retainage are not applicable.

5.00 Project Budget and Disbursement Schedule:

5.10 The Project Budget: The Grantee shall maintain the Commission approved Project Budget, as set forth in Exhibit B, carry out the Project, and shall incur obligations against and make disbursements of Project funds only in conformity with the latest approved budget for the Project. The budget may be revised periodically, but no budget revision shall be effective unless it complies with fund participation requirements established in Section 4.00 of this Agreement and is approved in writing by the Commission. Any budget revision that changes the fund participation requirements established in Section 4.00 of this agreement shall not be effective unless approved in writing by the Commission and the Florida Department of Transportation Comptroller.

5.20 Schedule of Disbursements: The Grantee shall abide by the Commission approved disbursements schedule, contained in Exhibit B. This schedule shall show estimated disbursement of Commission funds for the entire term of the Project by month of the fiscal year in accordance with Commission fiscal policy. The schedule may be divided by Project phase where such division is determined to be appropriate by the Commission. Any deviation from the approved schedule in Exhibit B requires advance submission of a supplemental schedule by the agency and advance approval by the Commission. Reimbursement for the Commission's share of the project shall not be made for an amount greater than the cumulative total, up to any given month, as indicated in the disbursement schedule in Exhibit B. Grantee shall invoice on a **monthly** basis actual costs that may be above or below (+/-) the amount of the monthly allocation disbursement schedule reflected on Exhibit B. At times, this may result in "underbilling" or "overbilling". Any excess (underbilled) funds may be recaptured on a monthly invoice that does not exceed the cumulative total of funds disbursed to date with supporting documentation. No excess funds remaining on the grant at the end of the grant period will be reimbursed to the Grantee. Any overpayment of TD funds must be repaid to the Commission upon project completion. Grantee will make every effort to submit invoices within thirty (30) days after the month of service provision.

6.00 Accounting Records, Audits and Insurance:

6.10 Establishment and Maintenance of Accounting Records: The Grantee shall establish for the Project, in conformity with the latest current uniform requirements established by the Commission to facilitate the administration of the transportation disadvantaged financing program, either separate accounts to be maintained within its existing accounting system, or establish independent accounts. Such transportation disadvantaged financing accounts are referred to herein collectively as the "Project Account." The Project Account, and detailed documentation supporting the Project Account, must be made available upon request, without cost, to the Commission any time during the period of the Agreement and for five years after final payment is made or if any audit has been initiated and audit findings have not been resolved at the end of five years, the records shall be retained until resolution of the audit findings.

Should the Grantee provide transportation to other purchasing agencies within the coordinated system during the time period of this Agreement, the Grantee shall maintain detailed documentation supporting the transportation to the other purchasing agencies, and must make this documentation available upon request, without cost, to the Commission any time during the period of the Agreement and for five years after final payment is made or if any audit has been initiated and audit findings have not been resolved at the end of five years, the records shall be retained until resolution of the audit findings.

6.20 Funds Received Or Made Available for The Project: The Grantee shall appropriately record in the Project Account, and deposit in a bank or trust company which is a member of the Federal Deposit Insurance Corporation, all transportation disadvantaged trust fund payments received by it from the Commission pursuant to this Agreement and all other funds provided for, accruing to, or otherwise received on account of the Project, which Commission payments and other funds are herein collectively referred to as "Project Funds." The Grantee shall require

depositories of Project Funds to secure continuously and fully all Project Funds in excess of the amounts insured under Federal plans, or under State plans which have been approved for the deposit of Project funds by the Commission, by the deposit or setting aside of collateral of the types and in the manner as prescribed by State law for the security of public funds, or as approved by the Commission.

6.30 Costs Incurred for the Project: The Grantee shall charge to the Project Account only eligible costs of the Project. Costs in excess of the latest approved budget, costs which are not within the statutory criteria for the Transportation Disadvantaged Trust Fund, or attributable to actions which have not met the other requirements of this Agreement, shall not be considered eligible costs.

6.40 Documentation of Project Costs and Claims for Reimbursement: All costs charged to the Project, including any approved services contributed by the Grantee or others, shall be supported by, invoices, vehicle titles, and other detailed supporting documentation evidencing in proper detail of the charges. The documentation must be sufficiently detailed to comply with the laws and policies of the Department of Financial Services.

6.50 Checks, Orders, and Vouchers: Any check or order drawn by the Grantee with respect to any item which is or will be chargeable against the Project Account will be drawn only in accordance with a properly signed voucher then on file in the office of the Grantee stating in proper detail the purpose for which such check or order is drawn. All checks, payrolls, invoices, contracts, vouchers, orders, or other accounting documents pertaining in whole or in part to the Project shall be clearly identified, readily accessible, within the Grantee's existing accounting system, and, to the extent feasible, kept separate and apart from all other such documents.

1. The administration of resources awarded through the Commission to the Grantee by this Agreement may be subject to audits and/or monitoring by the Commission and the Department of Transportation (Department). The following requirements do not limit the authority of the Commission or the Department to conduct or arrange for the conduct of additional audits or evaluations of state financial assistance or limit the authority of any state agency inspector general, the Auditor General, or any other state official. The Grantee shall comply with all audit and audit reporting requirements as specified below.

Records related to unresolved audit findings, appeals or litigation shall be retained until the action is complete or the dispute is resolved.
- c. The Grantee shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date the audit report is issued and shall allow the Commission, the Department, or its designee, CFO or the Auditor General access to such records upon request. The Grantee shall ensure that the audit working papers are made available to the Commission, the Department, or its designee, CFO or the Auditor General upon request for a period of five years from the date the audit report is issued unless extended in writing by the Commission and/or the Department.

7.11 Grantee certifies, under penalty of perjury, that the Grantee will comply with the provisions of the Agreement and that all invoices and support documentation will be true and correct.

7.12 Financial Consequence: Reimbursement payment for transportation services shall not be provided to the Grantee until trips are provided and documentation supporting such services has been approved. In addition, payment shall not be provided to the Grantee for capital until the capital has been received and proof of payment and other back up documentation as requested is provided to the Commission, unless Exhibit D applies. The project must be completed (capital received and approved by the Grantee) no later than June 30, 2026.

7.20 The Commission's Obligations: Subject to other provisions hereof, the Commission will honor such invoices in amounts and at times deemed by the Commission to be proper and in accordance with this Agreement to ensure the completion of the Project and payment of the eligible costs. However, notwithstanding any other provision of this Agreement, the Commission may give written notice to the Grantee that it will refuse to make a payment to the Grantee on the Project Account if:

7.21 Misrepresentation: The Grantee has made misrepresentations of a material nature in its application, or any supplement thereto or amendment thereof, with respect to any document or record of data or certification furnished therewith or pursuant hereto;

7.22 Litigation: There is pending litigation with respect to the performance by the Grantee of any of its duties or obligations which may jeopardize or adversely affect the Project, the Agreement, or payments to the Project;

7.26 Supplanting of Funds: The Grantee has used Transportation Disadvantaged Trust Funds to replace or supplant available and appropriate funds for the same purposes, in violation of Chapter 427, Florida Statutes.

7.30 Disallowed Costs: In determining the amount of the Grantee's payment, the Commission will exclude all costs incurred by the Grantee prior to the effective date of this Agreement, costs which are not provided for in the latest approved budget for the Project, costs which are not within the statutory criteria for the Transportation Disadvantaged Trust Fund, and costs attributable to goods, equipment, vehicles or services received under a contract or other arrangements which have not been approved in writing by the Commission or certified by the Grantee, pursuant to Exhibit B.

7.40 Invoices for Goods or Services: Invoices for goods or services or expenses provided or incurred pursuant to this Agreement shall be submitted in accordance with the Commission's invoice procedures in detail sufficient for a proper preaudit and postaudit thereof. Failure to submit to the Commission detailed supporting documentation with the invoice or request for project funds will be cause for the Commission to refuse to pay the amount claimed by the Grantee until the Commission is satisfied that the criteria set out in Chapters 287 and 427, Florida Statutes, Rules 41-2 and 69, Florida Administrative Code, and the Fiscal Year 2025-26 Program Manual and Instructions for the Trip & Equipment Grant is met.

7.50 Commission Claims: If, after project completion, any claim is made by the Commission resulting from an audit or for work or services performed pursuant to this agreement, the Commission may offset such amount from payments due for work or services done under any grant agreement which it has with the Grantee owing such amount if, upon demand, payment of the amount is not made within (60) days to the Commission. Offsetting any amount pursuant to this section shall not be considered a breach of contract by the Commission.

8.00 Termination or Suspension of Project:

8.10 Termination or Suspension Generally: If the Grantee abandons or, before completion, finally discontinues the Project; or if, by reason of any of the events or conditions set forth in Section 8.20, or for any other reason, the commencement, prosecution, or timely completion of the Project by the Grantee is rendered improbable, infeasible, impossible, or illegal, the Commission may, by written notice to the Grantee, suspend any or all of its obligations under this Agreement until such time as the event or condition resulting in such suspension has ceased or been corrected, or the Commission may terminate any or all of its obligations under this Agreement.

8.20 Action Subsequent to Notice of Termination or Suspension: Upon receipt of any final termination or suspension notice under this section, the Grantee shall proceed promptly to carry out the actions required therein which may include any or all of the following: (1) necessary action to terminate or suspend, as the case may be, Project activities and contracts and such other action as may be required or desirable to keep to the minimum the costs upon the basis of which the financing is to be computed; (2) furnish a statement of the project activities and contracts, and other undertakings the cost of which are otherwise includable as Project costs; and (3) remit to the Commission such portion of the financing and any advance payment previously received as is determined by the Commission to be due under the provisions of the Agreement. The termination or suspension shall be carried out in conformity with the latest schedule, plan, and budget as approved by the Commission or upon the basis of terms and conditions imposed by the Commission upon the failure of the Grantee to furnish the schedule, plan, and budget within a reasonable time. The acceptance of a remittance by the Grantee shall not constitute a waiver of any claim which the Commission may otherwise have arising out of this Agreement.

8.30 Public Records: IF THE GRANTEE HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE GRANTEE'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

All records stored electronically must be provided to the Commission, upon request from the Commission's custodian of public records, in a format that is compatible with the information technology systems of the Commission.

Failure to provide such certification, upon the Commission's request, shall be sufficient cause for nonpayment by the Commission as provided in Section 8.20. The Grantee agrees, that by entering into this Agreement, it explicitly certifies that all of its third party contracts will be executed in compliance with this section.

10.20 Compliance with Consultants' Competitive Negotiation Act: It is understood and agreed by the parties hereto that participation by the Commission in a project with a Grantee, where the project involves a consultant contract for any service, is contingent on the Grantee complying in full with provisions of Section 287.055, Florida Statutes, Consultants Competitive Negotiation Act. The Grantee shall provide, upon request, documentation of compliance with this law to the Commission for each consultant contract it enters.

10.30 Competitive Procurement: Procurement of all services, vehicles, equipment or other commodities shall comply with the provisions of Section 287.057, Florida Statutes. Upon the Commission's request, the Grantee shall certify compliance with this law.

11.00 Restrictions, Prohibitions, Controls, and Labor Provisions:

The provisions of this section may be waived by the Grantee for a particular contract if the Grantee determines, and the Commission approves, that such waiver will result in significant time or cost savings for the Grantee and the project.

The Grantee shall insert in all contracts entered into in connection with this Agreement and shall require its contractors to insert in each of their subcontracts, the following provision:

"No member, officer, or employee of the Grantee during his tenure or for one year thereafter shall have any interest, direct or indirect, in this contract or the proceeds thereof."

The provisions of this section shall not be applicable to any agreement between the Grantee and its fiscal depositories, or to any agreement for utility services the rates for which are fixed or controlled by a Governmental agency.
