

**Before the Board of County Commissioners
Martin County, Florida**

A Proclamation

Commending National Engineers Week in Martin County, Florida

- Whereas,** engineers design, construct, and maintain the infrastructure and facilities that contribute to a high quality of life for all Martin County residents; and
- Whereas,** Martin County growth depends on engineers executing innovative, creative, and high-quality solutions to technical problems; and
- Whereas,** the purpose of the Martin County Engineers and the Florida Engineering Society is to advance the public welfare, promote the professional, social and economic interests of engineering professions, and stimulate and develop engineering professional concepts through education and excellence in practice; and
- Whereas,** The Martin County Engineers and members of the Florida Engineering Society are making strides to interact with the engineering education sector to prepare future engineers to maintain our economic leadership and quality of life.

Now, therefore, be it acknowledged by the Martin County Board of County Commissioners that the week of February 22-28, 2026 is National Engineers Week. Further, the Board expresses appreciation to all members of this important industry for their contributions.

Presented this Twenty-fourth Day of February 2026
