Re: Recommendation of Elysse Elder

Martin County Board of County Commissioners:

Thank you for the opportunity to write this letter of recommendation on behalf of Elysse Elder for the position of County Attorney. I have been privileged to know and to work with Elysee as the assistant county attorney who has provided legal services to the elections office.

Elysse has been responsive, attentive, and engaged with election related activities throughout her tenure with the county. Her engagement includes staying informed of potential litigation and lawsuits filed against the elections office, reviewing and revising contracts and the office employee policy manual, and attending canvassing board training at the state level. Throughout my working relationship with Elysee I have found her dedicated to high ethical and moral standards as well as being professional, courteous, and dedicated to her practice of the law.

I am certain you are aware of Elysse's background and history with the county as well as the private sector. Therefore, it is without hesitation that I recommend Elysse Elder to the Board for consideration as County Attorney. Elysse's background, character, commitment, and government experience proves her to be worthy of providing legal services to the Board of County Commissioners, County Departments, Boards, and Agencies within the county.

Please feel free to contact me at any time if I can be of further assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "Vicki Davis", written over a horizontal line.
