**APPLICANT:** Mr. Barbaro stated that to his understanding the previous PUD was for an establishment with two drive-thrus and a car wash while the current possible intent would only have one.

**STAFF:** Mr. Schilling further explained that the 2008 PUD, which is expired, had a Final Site Plan with a typical bank institution as well as a 7000 square foot retail building which was consistent with the General Commercial zoning. Therefore, the purpose of tonight's hearing is to rezone to be consistent with the underlying land use.

**PUBLIC:** The following people spoke regarding this item: Cecilia Cleveland and Randy Cleveland.

**LPA:** Mr. Hartman commented that it is unknown what is being proposed to be built on the property and a wall would have to meet the LDR (Land Development Regulations).

**LPA:** Mr. Campenni commented on all the changes he has seen over the years within the County and noted that owners of properties do have rights to develop their properties within the allowed parameters.
