PRES PRESENTATIONS

AIPP - MANATEE GATEWAY PELICAN SCULPTURE PROJECT

In 2020, the Art in Public Places Public Art Advisory Committee (AIPP) (PAAC) and the Port Salerno Community Redevelopment Area (CRA) approved funding for four (4) metal pelican sculptures to be placed at the Manatee Gateway. Unfortunately, the artist that was awarded this project is unable to manufacture and install the pelicans. A new artist, with new pelican renderings, has come forward.

MARTIN MURALS PROGRAM GUIDELINES AND APPLICATION

The new Martin Murals program was approved and recommended for funding by the Public Art Advisory Committee (PAAC) as part of the Art in Public Places (AIPP) program on May 24, 2021. Staff has drafted an application and project description for the Committee's input and approval.

AIPP ARTWORK SIGNAGE

As part of the Art in Public Places Program, there has been interest in creating and installing new signage at each of the artworks in the inventory. Some of the installations have old signage and the signage lacks consistency. Staff has created a new sign template that showcases the new program logo, carries consistent information and indicates that the piece is part of the AIPP program.

At the last meeting, the Public Art Advisory Committee requested the cost to change out all the signs now or just do the necessary ones now and replace the others as needed in the future. The attachment delineates the cost of each sign and the total to do all now versus the as needed approach.
