3. At the public hearing, all interested parties were given an opportunity to be heard.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ZONING ADJUSTMENT  
OF MARTIN COUNTY, FLORIDA, THAT:**

A. Special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district.

B. Literal interpretation of the provisions of Article 3, Land Development Regulations, Martin County Code would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district.

C. The special conditions and circumstances do not result from the actions or inactions of the applicant.

D. Granting the variance requested will not confer on the applicant any special privilege that is denied to owners of other lands, structures or buildings in the same district.

E. The variance is the minimum variance that will make possible the reasonable use of the land, building or structure.

F. The granting of the variance will be in harmony with the general purpose and intent of the Land Development Regulations and will not be injurious to the neighborhood, or otherwise detrimental to the public welfare.

G. A centerline setback variance of 4 ft. on SW Gaines Avenue is approved to reduce the setback requirement from 65 ft. to 61 ft. and a variance to the front yard setback of 10 ft. to reduce the setback requirement from 35 ft. to 25 ft. to permit the construction of a single-family home as set forth on the site plan attached hereto as Exhibit A.
