We, Undersigned are petitioning our District One Commissioner to support further expansion of the Pickle-ball courts at Langford Park. The participation of this sport has experienced explosive growth over the last 2 years and provided for a stronger local community spirit. **The increase in participation has also created long wait times.**

We are proposing the possible replacement of the handball courts with additional pickleball courts. Currently, these courts are rarely used. Another option would be the conversion of a tennis court to multiple pickle-ball courts.
