TITLE:

REQUEST ABANDONMENT OF A PORTION OF SE FRONT STREET, LYING WITHIN THE PLAT OF PORT SALERNO

EXECUTIVE SUMMARY:

This is a request for the Board to consider an application for the abandonment of a portion of platted SE Front Street right-of-way and a waiver of the required privilege fee in conjunction with the abandonment.

DEPARTMENT: Public Works

PREPARED BY: Name: Thomas Walker, Jr., PSM
Title: County Surveyor

REQUESTED BY: The Port Salerno Church of God, Inc.

PRESET:

FILED FOR RECORD
COMMISSION RECORDS
MARTIN COUNTY, FL
Date 12/3/19 Time _____

CLERK OF CIRCUIT COURT
By MKV D.C.

PROCEDURES: Quasi-Judicial

BACKGROUND/RELATED STRATEGIC GOAL:

The Port Salerno Church of God, Inc. requests that the Board consider the abandonment of 11,816.48 square feet (Exhibit "A") of unopened platted right-of-way of SE Front Street, lying within the plat of Port Salerno. Said right-of-way being sought for abandonment is not, nor has it ever been an open road. Said right-of-way abuts existing abandonments of SE Front Street and adjacent platted alley and, therefore, would not block any existing access to or from SE Cove Road (see Location Map).

The Petitioner is the owner of Lots 1 through 4 and 9 together with a portion of right-of-way previously abandoned by Martin County adjacent to the subject unopened right-of-way. St. Luke's Episcopal Church of Port Salerno is the owner of the property located east of the right-of-way proposed to be abandoned and has provided a letter of no objection. Upon successful abandonment of the subject right-of-way, the Petitioner would receive the westerly half and St. Luke's Episcopal Church would receive the easterly half.

Section 139.2, General Ordinances, Martin County Code (Code) requires a privilege fee for abandonment and vacation of County property and roads; however, the Board may waive the privilege fee required upon a showing of good cause. Sec.139.2. of the Code - Privilege fee for

184

abandonment and vacation of County property and roads, reads as follows:

139.2.A. There is hereby established a privilege fee, payable by any firm, person or corporation petitioning the Board of County Commissioners for the abandonment and vacation of the interests of the County in and to any real property or street, alleyway, road, highway or other place used for travel, or any portion thereof; such fee to be for the purpose of making available funds for the County's various eminent domain proceedings to acquire real property for road rights-of-way, beach access strips and other open space recreational land for public use. Such privilege fee shall be in addition to an application fee to reimburse the County's administrative expenses connected with petitions for abandonment.

139.2.B. Such privilege fee shall be equal to the value of the County's interest that is being abandoned. The value of the County's interest shall be determined by an appraisal to be submitted by the petitioner. Such an appraisal shall be prepared in accordance with staff requirements and is subject to approval by the Board of County Commissioners.

139.2.C. Such privilege fee shall not apply to petitions made by the original gratuitous donor of the County's interest to be abandoned, nor when F.S. § 255.22 or a reverter clause in the instrument of conveyance to the County shall take effect.

139.2.D. The Board may waive the privilege fee required pursuant to paragraph A of this section upon a showing of good cause.

The Port Salerno Church of God, Inc. was also the petitioner for said existing abandonment of SE Front Street. One of the conditions of said existing abandonment was the conveyance of a twenty-five-foot strip of land for dedication as right-of-way for SE Cove Road. SE Cove Road is a Major Arterial within the Urban Service District and Port Salerno CRA and is less than the minimum right-of-way width of one hundred and thirty (130) feet pursuant to Right-of-way requirements set forth in Section 4.843.B, Land Development Regulations, Martin County Code.

Staff has identified the south twenty-five feet portion of the Petitioner's property adjacent to the twenty-five foot previously dedicated as right-of-way that could be conveyed to the County for the purpose of right-of-way dedication. This additional twenty-five feet would benefit the lack of right-of-way along SE Cove Road, would make the right-of-way width more consistent and could be considered by the Board as a showing of good cause to waive the privilege fee. Staff presented this option to the Petitioner, but the petitioner did not want to offer the additional right-of-way as a showing of good cause.

ISSUES:

The Petitioner has requested that the privilege fee be waived but has not provided a showing of good cause, which is required by the Code. The Petitioner has asked that this request be heard by the Board despite lacking staff recommendation for approval.

LEGAL SUFFICIENCY REVIEW:

This item has been reviewed for legal sufficiency to determine whether it is consistent with applicable law, has identified and addressed legal risks, and has developed strategies for legal defensibility. 185

RECOMMENDED ACTION:**RECOMMENDATION**

1. Move that the Board receive and file the Agenda Item Summary and all its attachments for the record as Exhibit 1; and
2. Move that the Board defer the Request to Abandon until a Final Site Plan application for the subject property is filed and a privilege fee (or showing of good cause for the fee to be waived) is made.

ALTERNATIVE RECOMMENDATIONS

Provide staff alternate direction.

FISCAL IMPACT:**RECOMMENDATION**

The application fee for the Petition to Abandon is \$3,200.00.

Re: Right of Way Abandonment of Unopened Portion of SE Front Street between Lots 1 through 4 and 9, Block 54, an unnumbered lot and Lots 1 through 7, Block 55, within the Port Salerno Subdivision

Dear Mr. Walker:

Please find enclosed a Petition for Abandonment of the unopened portion of SE Front Street between Lots 1 through 4 and 9, Block 54, and Lots 1 through 7, Block 55, within the Port Salerno Subdivision submitted on behalf of the Port Salerno Church of God, Inc., a Florida not-for-profit corporation ("Petitioner"). Petitioner is the owner of Lots 1 through 4 and 9, Block 54, together with portions of right-of-way previously abandoned by Martin County.

We have obtained letters of no objection from the potentially affected utility companies, including Florida Power and Light ("FP&L"), AT&T Florida ("AT&T") and Comcast. Copies of those letters are enclosed. We have also received confirmation of no objection from the Martin County Utilities and Solid Waste Department, which email confirmation is also enclosed.

In addition, a letter of no objection has been obtained from St. Luke's Episcopal Church of Port Salerno ("St. Luke's") (owner of the property located east of the right-of-way proposed to be abandoned), which letter is enclosed herein. Other than St. Luke's, no other property owner would be affected by the abandonment of the right of way.

Enclosed, in accordance with the requirements for vacation and abandonment of road rights-of-way, please find the following documents:

- A. Petition for Abandonment of the Unopened Portion of SE Front Street between Lots 1 through 4 and 9, Block 54, an unnumbered lot and Lots 1 through 7, Block 55, within the Port Salerno Subdivision.

- B. Certification Form stating that no property owner will be denied access to their property as a result of the proposed abandonment
- C. Copy of letters of no objection received from property owners who may be affected by the proposed abandonment.
- D. Copies of letters (and e-mail) of no objection received from FP&L, AT&T Florida, Comcast and the Martin County Utilities and Solid Waste Department.
- E. Copies of certified Sketch and Legal Descriptions of the right-of-way to be abandoned.
- F. A copy of the Petitioner's title deeds which reflect the current ownership of the premises lying adjacent to the proposed abandonment.
- G. Copy of the Plat the Salerno Subdivision with the specific lots owned by the Petitioner highlighted.

The Petitioner is a not-for-profit corporation and would request that the appraisal, and corresponding privilege fee, and the application fee be waived by the Martin County Board of County Commissioners. Because the southern portion of Front Street immediately north of Cove Road was previously abandoned by Martin County, neither the public nor any other party has any benefit of, or need from, the right-of-way proposed to be abandoned. The only two parties that have any use of, need or value of the right-of-way proposed to be abandoned is the Petitioner and St. Luke's. Both entities are religious institutions and not-for-profit corporations. Abandonment of this right-of-way will allow these institutions to better serve their members and the public at large.

Petitioner has already coordinated and previously met with staff, and obtained a letters of no objection from the potentially affected utilities, so the requirement for a pre-application meeting for this Petition has been satisfied.

We would request staff's recommendation of approval of the abandonment request and that the Petition be placed on the next available Martin County Board of County Commissioners agenda for its consideration.

Please feel free to call me (287-4444) if you have any questions or concerns.

Sincerely,

Tyson J. Waters, Esq.

BEFORE THE BOARD OF COUNTY COMMISSIONERS
MARTIN COUNTY, FLORIDA

PETITION TO ABANDON A PORTION OF SE FRONT STREET
TO THE BOARD OF COUNTY COMMISSIONERS OF MARTIN COUNTY, FLORIDA:

Petitioner, Port Salerno Church of God, Inc., petitions this Board to abandon a portion of SE Front Street located in Port Salerno in the unincorporated Martin County, Florida, and as grounds therefor says the following:

1. Petitioner requests the abandonment of that certain portion of the right-of-way known as SE Front Street located between Lots 1 through 4 and 9, Block 54, and Lots 1 through 7, Block 55, Plat of Port Salerno, as recorded in Plat Book 1, Page 132, of the Public Records of Palm Beach (now Martin) County, Florida. The plat and highlighted location of the proposed right-of-way to be abandonment is attached as Exhibit A to this Petition.
2. Petitioner requests this abandonment for the following reasons: Petitioner owns the west and south sides of the property adjacent to the right-of-way, with the land on the east of the right-of-way privately owned as well. The proposed abandonment of the applicable portion of SE Front Street will not affect access to the Petitioner's property, nor affect access to the other affected property. The County has no need or intention to ever use the right-of-way, nor does the other public utility companies servicing the area. Letters of no objection have been obtained from Florida Power & Light, Comcast and AT&T and are attached to this Petition as Composite Exhibit B. An email from Martin County confirming the Utilities and Solid Waste Department has no need for the right-of-way is attached as Exhibit C.
3. The property abutting said right-of-way is owned by Petitioner on the west and south sides and by St. Luke's Episcopal Church on the east. Petitioner's deeds whereby it acquired the affected property are enclosed with this Petition as Exhibit D. A letter of no objection from St. Luke's Episcopal Church is enclosed with this Petition as Exhibit E.
4. The Petition is limited in scope to the abandonment of a small portion of SE Front Street. This Petition, and the requested abandonment, will have no impact on the public for use and will not affect the public's rights of access to navigable water.
5. No property owner shall be deprived of legal access to his property as a result of this portion of right-of-way being abandoned.

NOW, THEREFORE, Petitioner requests that this Board of County Commissioners abandon the above-described right-of-way in accordance with applicable provisions of Florida Statutes and the Martin County Code of Ordinances.

Phil,
Hope you are well and enjoying the new office on Willoughby (we occupy the other side of the building, until the end of April at least). This is a blast from the past, but just want to update my records and make certain the status and County's position remains the same. Please see below and attached.

I am looking for confirmation that Martin County still has no object to the proposed abandonment of a portion of SE Front Street, as shown on the attached. The proposed abandonment is now smaller than originally proposed, reduced after conversations and meetings with the adjacent property owner, St. Luke's Episcopal Church. St. Luke's has no objection to the request and we also have updated letters of no objection from FPL, ATT and Comcast.

Please let me know at your earliest convenience. If questions or you need more information about the revised abandonment request, please let me know. Thank you.

Subject: Proposed Right-of-Way Abandonment - Port Salerno
Importance: High

Phil,
 I am following up on a request you were working on with Fred van Vonno last year relating to a proposed abandonment of right-of-way located north of Cove Road and west of A1A. The request is from the Port Salerno Church of God and if for a portion of SE Lee Street and SE Front Street. In October of last year, John Polley sent an email to Fred confirming that the Utilities department had no objection to the proposed right-of-way abandonment. I have taken over the request and am looking for an updated confirmation that the Utilities department continues to have no objection. The last email from John stating his no objection was on October 16, 2017. I have attached the aerial with the proposed right-of-way to be abandoned for your reference.

Will you confirm the County's position so that I can include that in our application, or if not you forward to the appropriate party for confirmation. Thank you in advance and please let me know if questions.

Subject: RE: Proposed Right of Way Abandonment in Port Salerno

Hi John, I am exploring a possible abandonment of an unopened platted road right of way in Port Salerno and I am requesting a letter of no objection from the Martin County Utilities Department. The Port Salerno Church of God and the St. Luke's Episcopal Church of Port Salerno are seeking to have the County abandon portions of Front Avenue and Lee Street adjacent to their property.

Attached is a copy of the Plat of Port Salerno (PB 1 PG 132) with the proposed abandonment area highlighted. Also attached is a sketch and legal of the proposed abandonment parcel. The portions of the platted roads we seek to have abandoned are not opened.

Please let me know if there are any Martin County water and/or sewer lines or facilities in the proposed abandonment area that would require an easement back to Martin County and whether Utilities has any objections to this abandonment.

Thank you for your assistance in this matter and let me know if you need any additional information in order to be able to respond.

Best regards, Fred
