Type	Alley
Traffic Lanes	11 feet paved 1-way traffic
Parking Lanes	Not required
Bike Facility	Shared lane
Preferred R.O.W.	15 feet
Pavement Width	11 feet
Sidewalk	Not required
Road Edge Treatment	Valley gutter
Planter Strip	Not required
Planting	Not required

Section 12.1.07. Parking Standards.

- Parking rates.** Table 12-9.1 provides the minimum parking rates in Redevelopment Zoning Districts, unless specifically modified further in a Redevelopment Zoning District. Parking rates in Table 4.14.1, Section 4.624, Div. 14, Article 4 do not apply in Redevelopment Zoning Districts where modified in Table 12-9.1.

Table 12-9.1 - Minimum Parking Rates for Each Use Group

Residential Use Groups	Parking Rate
Accessory dwelling units	1 space per unit
Mobile homes	1 space per unit
Other dwelling types	1 space per unit
Single-family dwellings	2 spaces per unit
Bed and breakfast inns	0.5 space per guest room
Commercial & Business Use Groups	
Business & professional offices	1 space per 500 sf
Construction services, limited & extensive impacts	1 space/300 sf gross floor area plus 1 space/company vehicle (see 4.624)
Convenience store with fuel	1 space per 300 sf
Drive-through facility	Refer to primary use.
Drive-through restaurant	Refer to primary use.
Hotels, motels, resorts & spas	1 space per unit
Marinas	1 space/5 wet or dry slips plus 1 space/employee (see 4.624)
Medical offices	1 space per 250 sf
Parking lots & garages	-
Restaurants	1 space per 200 sf
Retail & services, limited impact	1 space per 350-sf
Retail & services, general impact	1 space per 350-sf
Retail & services, extensive impact	1 space per 250-sf
Recreational vehicle parks	(see parking rates in section 4.624)
Vehicular service & maintenance	2 spaces/3 employees plus 1 space/150 sf repair/service area (see 4.624)
Wholesale trades & services	1 space per 2,000 sf

Note: Square footages refer to gross floor area unless otherwise noted.

- Loading standards.** The loading standards in Section 4.626.4, Div. 14, Article 4 do not apply in Redevelopment Zoning Districts, unless specifically included or modified further in a particular Redevelopment Zoning District.
- Parking design standards.** The parking design standards in Section 4.627, Div. 14, Article 4 include certain modifications that apply in all Redevelopment Zoning Districts, unless specifically modified further in a particular Redevelopment Zoning District.
- On-street parking.** On-street parking within a public right-of-way along the lot frontage can be counted towards on-site parking requirements.
- Combined parking lot.** Where feasible, combined parking lots or continuous parking lots are encouraged.

Parking Standards

12.1.07

6. **Bicycle and Pedestrian Standards.** Commercial and mixed-use development shall provide bicycle parking in accordance with Table 12-9.2 and below standards. Redevelopment Zoning Districts may require additional bicycle parking as described in a particular Redevelopment Zoning District.

Table 12-9.2 - Minimum Bicycle Parking & Pedestrian Amenity

Gross Floor Area of Commercial Development	Required Bicycle or Pedestrian Amenity
0—9,999 square feet	0—9,999 square feet
0—9,999 square feet	1 bike rack, 1 bench
50,001—100,000 square feet	2 bike racks, 2 benches
100,001+ square feet	4 bike racks, 4 benches, outdoor water fountain

- a. **Pedestrian Access.** Parking lots and structures shall provide pedestrian and bicycle access directly from a street. In addition, pedestrian access shall also be provided directly from a building. Pedestrian access shall be separated from the vehicular travel path. All development should be designed to provide safe opportunities for alternative modes of transportation by connecting with existing and future pedestrian and bicycle ways and to provide safe passage from public rights-of-way to the building(s) within the commercial development, between adjoining developments, and between alternative modes of transportation. Wherever possible, pedestrian ways should be constructed of paver blocks, stamped or colored concrete or similar materials that clearly distinguish them from vehicular use areas and promote traffic calming.
- b. Structural or vegetative shading shall be provided along pedestrian ways at intervals of no greater than 70 feet.
- c. **Bicycle and pedestrian amenities.** Bicycle and pedestrian amenities shall be provided as determined by the square footage of buildings on the site as indicated in the Table 12-9.2. These amenities may be incorporated into a pedestrian arcade or similar feature that otherwise meets the requirements of this Article 12. Bicycle racks shall be provided within 50 feet of any customer entrance. The design of all amenities shall be of durable, long-lasting materials, consistent with the design of the principal structures on site and principles found in *Bicycle Facilities Planning and Design Handbook* (State of Florida, Department of Transportation, 1997). Benches shall not be less than six feet in length and shall have either structural or vegetative shading. Required bike racks shall be the inverted “U” type and shall be designed to store a minimum of six bicycles each.
- d. **Lighting.** Lighting fixtures shall be a maximum of 30 feet in height within a parking lot and shall be a maximum of 20 feet in height within non-vehicular pedestrian areas.
- e. **Public transit stops.** Any development providing more than 200 parking spaces and located adjacent to any arterial or collector street shall designate a minimum 100 square foot area on the site plan as a future public transit stop. The future public transit stop shall be located immediately adjacent to the right-of-way line of the arterial or collector street. The future transit stop area may be landscaped or used for overflow parking but shall not be used to comply with the minimum landscape, buffer, open

space or similar requirements. The landowner shall execute an easement authorizing the County to construct and maintain a transit stop at that location.

7. **Special Parking Alternatives for Redevelopment Centers (SPARC) program.** This program provides a mechanism for landowners to satisfy all or part of their on-site parking requirement by paying for a proportionate share of the cost of providing public or other off-site parking.
 - a. **Establishment of SPARC fund accounts.** Martin County shall establish SPARC fund accounts for each CRA participating in the program, into which shall be deposited all payments made pursuant to this program. Monies deposited into said accounts shall be used by the Martin County Board of County Commissioners, or their assigns, for the exclusive purpose of developing public parking within the particular CRA. Appropriate uses of SPARC funds include, but is not limited to, the cost associated with land acquisition, design and permitting, lease payments, construction, reconstruction, and signage. Said cost shall include the cost of all labor and materials, the cost to acquire all lands, property, rights, easements, and franchises acquired, the cost of financing, the cost of interest prior to and during construction and, for one year after completion of construction, discount on the sale of municipal bonds, the cost of plans and specifications, surveys of estimates of costs and of revenues, the costs of engineering and legal services, and such other costs and expenses necessary or incident to determining the feasibility or practicability of such construction or reconstruction, administrative expenses, and such other expenses as may be necessary or incident, to the construction or reconstruction of its financing.
 - b. **Provision of public or other common parking facilities.** The master plan for each CRA that authorizes the use of the SPARC program shall include provisions for the development of the public or other common parking facilities to be developed with SPARC funds, such as, but not limited to, potential locations for common parking, the preferred form of parking (e.g., elevated parking structures or on-street parking) and the maximum number of spaces likely to be developed at each location.
 - c. **Tracking and management of parking spaces.** Prior to the acceptance of contributions for a given SPARC fund, the County shall develop a system for documenting the number of off-site parking spaces for which each development has contributed funds and for ensuring that the public or other common parking facilities will be sufficient to provide all committed spaces.
 - d. The County shall use professionally accepted methods to determine the proportionate share of the cost of providing public or other off-site parking within each of the participating CRAs and shall adopt such fees by resolution.

I

Parking Standards

12.1.07

8. **Garage & Driveway.** Garages shall not be the principal element of the front facade. Garages shall be set back from the front facade as described in Figure 12-9.01 or configured with a side entry, shown in Figure 12-9.02. The total driveway width at the property line shall not exceed 20 feet.

Figure 12-9.01 - Single Family Dwelling - Front Loaded

Description

Setting the garage back from the primary façade emphasizes the building entrance and living spaces.

Dimensions

Garage	40% max front elevation 2 car garage max.	A
Width of Driveway	20' max. total width at property line or 20' max. total width (C+D) at property line	B C D
Setback from Front Facade	5' min. (1 car garage) 10' min. (2 car garage)	E

Figure 12-9.02 - Single Family Dwelling - Front Loaded - Side Entry

Description

Side entry garage continues the character of the home and diminishes the appearance of non-livable space to the street.

Dimensions

Garage	2 car garage max.	A
Width of Driveway	20 feet max.	B
Building Width	40% max. front elevation must be in character of main house and have operable windows.	F

Garage Elevation with Operable Windows

Section 12.1.08. Stormwater Standards.

1. Flood protection standards are provided in Div. 10, Article 4. Flood protection standards apply in all Redevelopment Zoning Districts and cannot be modified or exempted.
2. Stormwater management standards provided in Div. 9, Article 4 apply in Redevelopment Zoning Districts except as modified in this section for Small Sites. A Small Site is defined as the construction or expansion of a principal building or accessory structures on a lawful parcel, provided the parcel being developed is less than one-half acre.
3. The stormwater management requirements identified in Sections 4.384, 4.385.B.6, 4.385.C, 4.385.D, and 4.385.F.4, Div. 9, Article 4 are not applicable to Small Sites. Development on Small Sites shall be designed to control stormwater runoff, retain or detain stormwater runoff, and clean stormwater runoff by using one or more strategies from each Stormwater Strategy Category (pavement, storage and filtration) listed below in Table 12-10. The following strategies are recommended in the *Stormwater Design Toolkit* (Martin County CRA, January 2012).

Table 12-10 Stormwater Strategies for Small Sites

Pavement Strategies	Storage Strategies	Filtration Strategies
Concrete Grid Pavers	Cisterns	Bio-Retention Swales
Flexible Pervious Pavement	Concrete Chambers	Ex-filtration Trench
Plastic Grid Systems	Dry Retention / Detention	Green Roofs
Pervious Asphalt	Plastic Arch Chambers	Natural Wetlands
Pervious Concrete	Plastic Cellular Chambers	Rain Gardens
Pervious Pavers	Stormwater Harvesting	Rock Soaking Area
Rock Surfaces	Under Drains	Sand Filters
Unpaved Surfaces	Under-Ground Storage	Stormwater Filters
Wooden Walkways		Vegetated Wall

4. The application requirements for single family residential development found in the *Martin County Stormwater Management and Flood Protection Standards* shall also apply to Small Sites.
 - a. Topographic map with one foot contour lines extending a minimum of 25 feet off of the project site.
 - b. A plan showing existing adjacent development, FEMA flood zones, location relative to the Coastal High Hazard Area, or any other significant onsite features.
 - c. A drawing or map showing proposed alterations of the site including proposed excavations, dredging, grading, filling or clearing, impervious surfaces and water management facilities and the location, dimensions and the elevations of the first finished floor of all buildings to be constructed including:
 - i. A detail on the plan for the control of erosion and sedimentation at the perimeter of the area disturbed by construction which describes in detail the type and location of control measures.
 - ii. A detail on the plan of any temporary culverts that may be necessary to maintain the flow through roadside swales during construction.

Stormwater Standards

12.1.08

- iii. Cross section details of the fill to be placed on the lot.
 - iv. Cross section details of swales that are required to direct runoff to the street or other approved outfall.
 - v. Cross section detail with elevations of the driveway and driveway culvert (if applicable) where the driveway crosses a roadside swale.
5. Small Sites shall be developed in accordance with Section 4.389.B, Div. 9, Article 4 to ensure absolute minimal impact on adjacent property; however the use of perimeter berms is discouraged. Approaches on Small Sites shall be stem wall foundations, extended footers, concrete piers, or treated wood pilings to achieve required finished floor elevations while avoiding the need for excessive fill and perimeter berms. Within Redevelopment Zoning Districts the maximum slope of fill on the lot must not exceed 10:1 for structures (H:V). See Figure 12-11 and Figure 12-5 in Section 12.1.04 for reference.

Figure 12-11 - Impact of Foundation Types on Neighborhood Resiliency

Section 12.1.09. Landscape Standards.

1. Landscape, buffering, and tree protection standards are provided in Sections 4.661 through 4.668, Div. 15, Article 4. Each Redevelopment Zoning District shall specify which provisions apply in that Redevelopment District.

Wall & Fence Standards

12.1.10

Section 12.1.10. Wall & Fence Standards.

1. Fence and wall standards provided in Div. 4, Article 3 do not apply in Redevelopment Zoning Districts. Fences and walls in Redevelopment Zoning Districts must comply with the following standards, except as may be modified in a particular Redevelopment Zoning District.
2. **Location.**
 - a. Figure 12-12 illustrates how these fence and wall standards are applied on different portions of a lot.
 - b. Fences and walls adjoining a sidewalk on public property must allow no less than 12" of open space from the sidewalk.

Figure 12-12 - Wall & Fence Locations

3. **Materials.** Fences and walls shall be constructed with one or more of the materials listed in Table 12-13.

Table 12-13 - Wall & Fence Materials

Fence Materials	
Aluminum	Stone
Brick	Wood
Painted stucco	Wrought iron
Split-face masonry block	Vinyl
Steel	

4. **Height.** Fences and walls shall not exceed the following heights as measured from the adjacent natural grade:
 - a. 42 inches tall in front yards and in portions of side yards that are in front of the building's front façade.
 - b. 48 inches tall only where screening is required between an allowable Vehicular Use Area and a street.
 - c. 72 inches tall in rear yards and in portions of side yards that are behind or in line with the building's front façade.
 - d. Along the side or rear setback where commercial, multifamily, or mixed-use construction directly abuts a residential zoning district or an existing single family home without any separation between them of 30' feet or more, such as a street, alley, railroad, waterway, park, right-of-way, or other public open space, a 72 inch tall masonry wall is required. Refer to Building Transitions within Section 12.1.04 Development Standards.
 - e. Fences and walls on corner lots may be further restricted in height to maintain required site distance standards.
5. **Types.** Fences and walls must comply with these additional restrictions:
 - a. Chain link fences are permitted only in rear yards, and in side yards behind the façade of a building. Chain link fences must have vegetative screening where visible from a street or public park.
 - b. Dangerous fences, such as electrically charged fences or fences topped with barbed wire or other sharp objects, are not permitted unless approved as necessary to protect the public from hazardous conditions.
 - c. When one side of a fence or wall is finished to a higher standard than the other, the finished side must face outwards, except when abutting an existing fence or wall on the adjoining property.

Sign Standards

12.1.11

Section 12.1.11. Sign Standards

1. Sign standards as provided in Sections 4.691 through 4.709, Div. 16, Article 4 apply in Redevelopment Zoning Districts. However, as stated in Section 4.709, Div. 16, Article 4: “To the extent any sign regulations in any ordinances governing Community Redevelopment Areas in the County conflict with this ordinance, the regulations in the ordinances governing the Community Redevelopment Areas shall control unless otherwise provided by law.”
2. **Clear Height.** All **projecting** and **under canopy signs** shall be 9’ minimum above sidewalk.
3. **Window Signs.** Window signs shall not exceed 20 percent of the window area.
4. **Prohibited signs.** The list of prohibited signs in Section 4.695, Div. 16, Article 4 is adjusted for the Redevelopment Zoning District by adding the following prohibited signs:
 - a. **Back-lit awning signs** (signs affixed to awnings that have a translucent covering material that is illuminated from behind)
 - b. **Billboards and off premises signs** of any kind.
5. **Maintenance.** Signs shall be kept clean, painted and free from all hazards such as, but not limited to, faulty wiring and loose fastenings. Weeds shall be cut underneath and around the base of ground signs and no rubbish or debris shall be permitted that would constitute a fire hazard or be detrimental to the public health and safety. All signs shall be maintained in a manner which will withstand hurricane wind load requirements.
6. **Nonconformities.** Nonconforming signs shall not be structurally modified. Any nonconforming sign damaged in excess of 50 percent of the integrity of the structure as determined by the Building Official shall only be repaired in full compliance with the requirements of this section.
7. Certain sign standards may be modified in individual Redevelopment Zoning Districts to reflect the local character of an individual CRA. This character is a reflection of historic platting patterns, the greater mix of uses and stronger pedestrian orientation in older communities, and the evidence of blight that is being overcome through efforts of the Community Redevelopment Agency.

Section 12.1.12. Applicability.

1. **Nonconforming uses, structures, and lots.** All legally permitted uses, structures, and lots that are existing on the effective date of Article 12 that do not comply with Article 12 shall comply with Article 8, Nonconformities. Additionally, an existing structure in a special flood hazard area that does not comply with the base flood elevation requirements in Article 4, Div. 10. may be subject to Division 10 restrictions on substantial improvements to the structure.
2. **Alternative compliance.** An applicant for development approval may propose a site, landscape, or architectural plan which varies from the requirements of Article 12 in order to accommodate unique circumstances of the proposed development site or to propose a different but comparable design solution. Such alternative plan may include offers by the applicant to mitigate or offset the impacts of the alternative design. Such alternative plan may be approved only after review by the appropriate Neighborhood Advisory Committee and upon a finding by the Growth Management Director that the alternative plan fulfills the purpose and intent of Article 12 as well as, or more effectively than, adherence to the strict requirements of Article 12 and/or would help carry out specific goals or objectives outlined in the particular CRA plan. The alternative compliance process shall not be used to increase the height of buildings beyond the limits provided in Article 12. Appropriate justifications for approving alternative plans include, but are not limited to:
 - a. The resolution of site constraints associated with the incorporation of new buildings and structures on sites developed prior to the adoption of Article 12 or the expansion of existing buildings and structures.
 - b. The utilization of existing site characteristics, such as historical or archaeological features, topography, scenic views or native vegetation.
 - c. Improve or provide integration of proposed development with the surrounding off-site development.
 - d. The preservation of the historical or archaeological features of the area.
 - e. Accepting a design solution that is comparable to, but different from a standard in Article 12.

Review Process

12.1.13

Section 12.1.13. Review Process.

1. Article 10, Development Review Procedures, LDR, Martin County Code have special provisions that apply to development applications within CRAs:
 - a. Development application within the CRA means a request for development approval for land within one of the designated CRAs within unincorporated Martin County as defined in Section 10.1.B, Article 10.
 - b. Within CRA areas, the construction or expansion of a principal building and any accessory structures on a lawfully established lot, provided the lot is less than one-half acre shall be exempt from Sections 10.2 through 10.11 (site plan review) as specified in Section 10.1.D.2.s.
 - c. A pre-application meeting shall be mandatory where the site proposed for development is located within a CRA as specified in Section 10.5.C.2.m.
 - d. Development applications for projects within a CRA area are eligible for expedited staff review as specified in Section 10.5.E.3.1.
 - e. Development applications shall be presented to the Neighborhood Advisory Committee (NAC). The initial presentation to the NAC shall occur prior to the issuance of the first staff report and shall be independent of any presentation required with regard to a request for alternative compliance, as specified in Section 10.5.F.10.

Section 12.1.14. Glossary. For purposes of this Article, the following words, terms and phrases shall have the meanings as set forth below:

A

Accessory Dwelling Unit (ADU). Accessory dwelling unit (ADU) also referred to as an accessory apartment, second unit, or granny flat — is an additional dwelling on the same lot as a single-family dwelling or a lot developed for nonresidential purposes, that is independent of the principle dwelling unit or principal use. The separate living space is equipped with kitchen and bathroom facilities, and can be either attached or detached from the main residence.

Agrihood. Agrihoods are neighborhoods organized with residential and agriculture food cultivation.

Artisan, art studio, galleries. Artisan, art studios and galleries are the location of art production or art display. They may be private or open the public and may include retail sales.

B

Balcony. An open habitable portion of an upper floor extending beyond a building's exterior wall that is not supported from below by vertical columns or piers but is instead supported by either a cantilever or brackets. Also, an accessory area to a dwelling, with one or more sides permanently open to the exterior except for a railing or parapet not exceeding four feet in height.

Building Type. A structure defined by its configuration.

Block. A combination of private lots, alleys, and passages that are surrounded by existing or new streets or by wetlands, parks, or civic spaces.

Build-to-Zone (BTZ). The range of allowable

distances from the front property line along which the principal vertical place of the building's primary facade shall be built in order to create a moderately uniform line of building along the street.

Building Coverage. The horizontal area measured from the exterior surface of the exterior walls of the ground floor of the principal and accessory structures on a lot.

C

Civic Open Space. A natural, landscaped, or hardscaped outdoor area provided for the purpose of active or passive public recreation. May include publicly accessible outdoor amenities such as a playground, seating area, picnic area, multi-use path and temporary or permanent small outdoor performance space.

Convenience store with fuel. An establishment that provides goods and services primarily to the motoring public such as fuel sales, car washing, or car detailing, and that may also sell merchandise including food and beverages. This definition applies to this Article only.

D

Day care, family. A residence in which child care is regularly provided for children from at least two unrelated families and receives a payment, fee, or grant for any of the children receiving care, whether or not operated for profit, as licensed by the State of Florida, pursuant to F.S. § 402.302.(8). and complying with the statutory limits on the number of children receiving care.

Drive-through facility. An establishment that provides physical facilities which allow its customers or patrons to obtain food or goods, receive services, or be entertained while remaining in their motor vehicles. This definition applies to this Article only.

Glossary

12.1.14

Dwelling, single-family detached. A dwelling unit that is not physically attached to any other dwelling by any means, which is surrounded by open space on all sides and which is the only dwelling unit on a lot (except in designated CRAs if an accessory dwelling unit is explicitly permitted on a lot). This definition specifically excludes mobile homes as defined in this section (3.3). Two or more single-family detached dwelling units placed on a single lot shall be considered a duplex or multifamily dwelling use, depending on the number of dwelling units involved.

E

Entrance, Principal. The main point of access of pedestrians into a building, facing a street or public space.

Expression Line. A horizontal line, expressed by a material change or by a continuous projection not less than two inches nor more than one foot deep.

F

Façade. The exterior wall of a building.

Façade Transparency: The amount of transparent window glass or other openings in the façade of a building, relative to the overall surface area of the façade.

Farmer's market. An establishment providing for the retail sale of agricultural products, primarily involving the sale of fresh produce, such as fruits and vegetables, but also including such products and services that are customarily provided in rural or agricultural areas.

Form based code. Form based code is a land development regulation that fosters predictable built results and a high-quality public realm by using physical form (rather than full separation of uses) as the code's primary organizing principle.

Frontage Line. The property line at the street right-of-way dividing the right-of-way from the private frontage area.

Frontage Buildout. The minimum percentage of the lot width which must be occupied by building façade along the Build-To-Zone. For example, a property which is 100 feet wide with a frontage width percentage of 60% would require that at least 60 feet of façade length be maintained in the Build-to-Zone. Any additional length of front façade would be allowed to step back further from the Frontage Line, if desired. The intent of this requirement is to encourage development to maximize their front façade exposure along the street or public space.

M

Mixed-use development pattern. A development pattern where a complementary mix of uses are located within walking distances. This pattern is allowed by the Redevelopment Zoning Districts that specify allowable uses and development standards that are appropriate for a mixed-use development pattern. These complementary uses may be, but are not required to be, within a single building or development project.

Mixed-use development project. A development project with one or more buildings that contain a mix of uses within the project that are in close proximity to each other and that are planned as a unified, complementary whole.

O

Open space. That portion of a development that is permeable and remains open and unobstructed from the ground to the sky, specifically excluding parking areas, whether permeable or impermeable.

P

Paseo. A public walk, plaza or pedestrian streetscape.

Primary Building. The building or buildings on a lot that contain the principal use or uses.

Primary Façade. The façade of a building that faces the street. In the case of a corner lot, it is the façade along the higher priority street on the street hierarchy.

Principal Building. The main building on a Lot, usually located toward the Frontage.

R

Regulating Plan. A map or set of maps in a Redevelopment Zoning District that provide details about the existing and desired character of the district, including its streets, blocks, and civic spaces, and also provides other regulatory details. See Section 12.1.02.

S

Shared Use Path. Shared use path is a multi-use trail or other path, physically separated from motorized vehicular traffic by an open space or barrier, either within a highway right-of-way or within an independent right-of-way, and usable for transportation purposes. Shared use paths may be used by pedestrians, bicyclists, skaters, equestrians, and other nonmotorized users.

Small Site. Small Site is defined as the construction or expansion of a principal building or accessory structures on a lawful parcel, provided the parcel being developed is less than one-half acre.

U

Urban Agriculture. Urban farming or community gardens which promote local food production. Livestock is prohibited. Private residential gardens are excluded and do not apply.

Use groups. Use groups combine individual uses described in the LDR into groups of uses with similar impacts. Use groups are used in Redevelopment

Zoning Districts. Individual uses are defined in the glossary in Section 3.3, Div. 1, Article 3.

W

Working waterfront. The use of waterfront land for commercial fishing and related activities including fuel sales; marine manufacturing, repair, and storage facilities; public access including launching facilities, and compatible supporting uses. This definition applies in Redevelopment Zoning Districts.

1. Additional definitions are found in these sections of the LDR:
 - a. Sec. 3.3 Zoning District General Provisions
 - b. Sec. 3.403 Category 'C' Zoning District Terms Defined
 - c. Sec. 4.141 Wellfield Protection
 - d. Sec. 4.31 Upland Protection
 - e. Sec. 4.382 Stormwater Management
 - f. Sec. 4.661 Landscaping, Buffering and Tree Protection
 - g. Sec. 4.73 Mangrove Protection
 - h. Sec. 4.842 Roadways
 - i. Sec. 7.3 Development Agreements

Public Comment

Proposed Division 4,
Old Palm City Redevelopment Code, in Article 12, LDR
and amendment of the Zoning Atlas

Subject: Re: Old Palm City NAC redevelopment code comments

Jordan, Susan,

Attached please find my comments on the draft proposed code.

Please note comments are based on the documents that were part of the agenda packet and the handouts at the meeting. It appeared the presentation had some additional pages (like the graphic for frontage styles). I'm sure they have corrected the tables that were labeled Rio instead of Old Palm City too.

Specific code section comments:

1. Need street regulating plan exhibit (was blank)
2. Table OPC-5:
 - Minimum lot area and width for detached zone are too big. Even existing platted lots in the CRA area are smaller than this.
 - There was no building height listed in multifamily zone
 - No building coverage and minimum open space in multifamily or detached

zones

- Why are office building types excluded from the industrial zone?

3. 12.4.05

Building types- the 80% frontage requirement might be a bit tough to work for small lots that need to have a driveway to access their back of lot parking. Maybe some easy option could be included to avoid having to go through formal alternative compliance for such instances.

4. Is there any side yard parking spaces permitted closer than the 30' parking setback? For instance, where a drive from the front is proposed to access rear parking could it have parking spaces on it? If so, limited to one row? Some clarification might be helpful on this.
5. I thought I noticed a reference to using a 6' front yard wall of fence to meet part of the frontage requirement in the agenda packet documents (don't see it in the handout). If still relevant, I think a smaller height for front yard walls or fences would be better.
6. Only the 'all yard house' graphic shows a garage. What about the placement of the garages on the other housing types shown? (particularly those without an alley) Also, although the blue buildable area in the graphic on the 'all yard house' shows the garage front setback greater than the house, I didn't see a reference to this in the data table. I believe this is important to specify to keep garages behind front facades. I also think it would be good to show front porches on all residential building type graphics as it might encourage all to build one.
7. I think 5' side setback for industrial parking would be better than zero, unless parking lots are connected to adjacent lots (this is probably relevant to all building types). I believe connected rear parking lots (or alleys) should be encouraged or required where feasible for all proposed parking lots in the Core, Corridor or industrial areas.
8. How about a 10' side building setback for tall (three story) industrial buildings instead of 5'?
9. OPC-11 (landscape area and tree planting) table is blank
10. Architectural standards- I think 20% transparent window covering facing streets or civic spaces is significantly too low a percentage for first floor commercial uses in Core or Corridor buildings. Also, some thought might be made to avoid users having opaque window shades closed all the time. This defeats the desired pedestrian friendly environment created by shopfront windows.

General comments:

Hopefully Alternative Compliance will still be an option. If so, it should be listed in the code somewhere.

Please reply or call with any questions or comments.

Thanks,
Ken Natoli

RE: Certification of Property Owner Notification

Dear Ms. van Vonno,

I certify that letters of notification to the owners of property and the surrounding property owners, as required by the Martin County Comprehensive Growth Management Plans, and the Martin County Land Development Regulations, for the following applications were mailed on Wednesday, November 20, 2019.

CPA 19-24, Old Palm City FLUM, Old Palm City CRA rezoning.

The notification letters contained the meeting notice information for the December 5, 2019 Local Planning Agency public hearing and the December 17, 2019 Board of County Commissioners public hearing.

Sincerely,

A handwritten signature in blue ink that reads "Susan Kores". The signature is written in a cursive, flowing style.

November 14, 2019

RE: Notice of Public Hearings for CPA 19-24, the proposed amendment of the Future Land Use Map; the Zoning Atlas for the Old Palm City Community Redevelopment Area (CRA); and Article 12, Division 4, Old Palm City Redevelopment Code, Land Development Regulations (LDR).

Dear Property Owner:

You are receiving this notice because you are either the owner of property within the Old Palm City Community Redevelopment Area boundary or the owner of property within 1000 feet of the CRA boundary.

Please be advised that most land within the Old Palm City CRA is the subject of an application to change the future land use designations:

From: Low Density Residential, Medium Density Residential, Commercial Office/Residential, Limited Commercial, General Commercial, General Institutional, or Old Palm City Mixed-Use Overlay.

To: CRA Center, CRA Neighborhood, Public Conservation, Recreational or General Institutional future land use designations.

And to change the zoning districts:

From: R-1A Single-family Residential, R-2B Single-family Residential, R-3A Liberal Multiple-Family, R-4 Multiple-Family Residential, RM-5 Low Density Residential District, RS-6 Medium Density Residential, HB-1 Limited Business, B-1 Business, B-2 Business-Wholesale Business, COR-1 Commercial Office/Residential, LC Limited Commercial, CC Community Commercial, GC General Commercial, LI Limited Industrial zoning districts, and the CRA Boulevard, Town Center, and Gateway zoning overlay districts.

To: Old Palm City Redevelopment, Public Service¹, Planned Unit Development, or the most appropriate Zoning Districts.

And to assign Zoning Subdistricts pursuant to the proposed Regulating Plan, Article 12, Division 4, LDR.

The proposed changes include removal of future land use designations and zoning districts from roadway Rights-of-Way.

It is proposed that the CRA Mixed-Use Future Land Use Overlays and the CRA Zoning Overlay Districts will be eliminated. Institutional future land use designations would be retained. Planned Unit Development and Institutional zoning districts would also be retained.

No changes in the future land use or zoning designations are proposed for properties outside of the Old Palm City CRA boundary. Owners of properties outside of the Old Palm City CRA boundary are being notified of the proposed changes as required by the Martin County Comprehensive Growth Management Plan and the Land Development Regulations.

Please see the enclosed map and "Frequently asked Questions" for more information.

Public Hearings for adoption of CPA 19-24, the proposed amendment of the Future Land Use Map, and Zoning Atlas and amendments to the Land Development Regulations for the Old Palm City CRA are scheduled for:

Public Hearings: Local Planning Agency

Topic: Future Land Use Map, Zoning Atlas and Land Development Regulations
Date: Thursday, December 5, 2019
Time: 7:00 PM, or as soon thereafter as the items can be heard.
Location: Martin County Administrative Center, 2401 S.E. Monterey Road, Stuart, FL

Public Hearings: Board of County Commissioners

Topic: Future Land Use Map and Land Development Regulations
Date: Tuesday, December 17, 2019
Time: 9:00 AM, or as soon thereafter as the items can be heard.
Location: Martin County Administrative Center, 2401 S.E. Monterey Road, Stuart, FL

All interested persons are invited to attend and be heard. Persons with disabilities who need an accommodation to participate in this proceeding are entitled, at no cost, to the provision of certain assistance. This does not include transportation to and from the meeting. Please contact the Office of the County Administrator at (772) 221-2360, or in writing to 2401 S.E. Monterey Road, Stuart, FL 34996, no later than three days before the hearing date. Persons using a TDD device, please call 711 Florida Relay Services.

When attending a public hearing, a member of the public may speak during the public comment portion of the public hearing. A person may also participate in quasi-judicial matters as an Intervenor. An Intervenor may ask questions of the staff, applicant and give testimony on subject of the public hearing. To be an Intervenor, a person must qualify to receive mailed notice of the subject application in accordance with Section 10.6.E., Land Development Regulations, Martin County Code. In addition, an Intervenor must file a form of intent with the County Administrator not less than 7 business days prior to the meeting. No fee will be assessed on Intervenor. If the Intervenor is representing a group/association, he/she must file a letter on official letterhead signed by an authorized representative of the group/association, stating that he/she is authorized to speak for the group. Forms are available on the Martin County website www.martin.fl.us.

If any person decides to appeal any decision made with respect to any matter considered at the meetings or hearings of any board, committee, agency, council or advisory group, that person will need a record of the proceedings and, for such purpose, may need to insure that a verbatim record of the proceedings is made, which record should include the testimony and evidence upon which the appeal is to be based.

For more information, or to view the project file, contact Irene Szedlmayer, AICP, Senior Planner, Growth Management Department, at 772-288-5931 or by email at iszedlma@martin.fl.us. All written comments should be sent to Nicki van Vonno, Growth Management Director, (e-mail: nikkiv@martin.fl.us) or 2401 SE Monterey Road, Stuart, FL 34996. Copies of the item will be available from the Growth Management Department.

Sincerely,

Susan Kores, Manager
Office of Community Development

"Frequently asked Questions"

Frequently Asked Questions

1. What is a CRA?

A Community Redevelopment Area (CRA) is a special geographic area where the community has determined that redevelopment of both public and private facilities should occur according to a redevelopment plan. Old Palm City is one of six communities in Martin County that carry the special designation of CRA. As development occurs, a portion of the additional tax increment collected by the County, based on the increased property valuation, is reinvested in the Old Palm City CRA to promote economic growth, sustainable development and improved quality of life.

2. What is the Future Land Use Map?

The Future Land Use Map depicts the generally desired type of development in different locations in the County. The "underlying" future land use designations present in the Old Palm City CRA are Low Density, Medium Density, Limited Commercial, General Commercial, Commercial Office/Residential, Industrial, General Institutional and Recreation.

3. What are the Mixed-Use Future Land Use Overlays?

The Mixed-Use Future Land Use Overlays allow, but do not require, a mix of residential and commercial uses in the same project. The mixed-use development option is in addition to the development permitted by the future land use designation. There is one Mixed-Use Future Land Use Overlay in the Old Palm City CRA.

4. What is the Zoning Atlas?

While the future land use designations establish the general type of development allowed, such as residential or commercial, the zoning districts provide more detailed standards regarding permitted uses, such as detached single family dwelling or multi-family, and development standards, such as setbacks and building height. The Zoning Atlas is the map of the County's zoning districts.

5. What changes are proposed?

Future Land Use Map – The Old Palm City Mixed-Use Future Land Use Overlays and most of the "underlying" future land use designations will be replaced by two new future land use designations called CRA Center and CRA Neighborhood. Some County owned land will be designated Public Conservation or General Institutional. The Industrial, General Institutional and Recreation future land use designations will be retained.

Zoning Atlas - The thirteen (13) "underlying" zoning districts, and the three (3) separate Old Palm City Zoning Overlay Districts will be replaced with the Old Palm City Redevelopment, Public Conservation and Public Service Zoning Districts and several zoning sub-districts.

6. What is the Process?

The Future Land Use Map is part of the County's Comprehensive Growth Management Plan and is one of the primary tools for managing land development. The Future Land Use designation of a parcel of land determines the general type of use allowed and the maximum level of density or intensity allowed (such as the number of residential units per acre). A change to the Future Land Use Map requires three public hearings as detailed below.

1. Local Planning Agency (which makes a recommendation to the Board of County Commissioners).
2. Board of County Commissioners (to determine whether the proposed amendment should be transmitted to the Florida Department of Economic Opportunity, the state land planning agency that oversees and coordinates comprehensive planning).
3. Board of County Commissioners (to determine whether the proposed amendment should be adopted).

7. How will the proposed amendments affect me if I own property in the Old Palm City CRA?

The County and the Community Redevelopment Agency believe the current regulatory structure impedes realization of the vision for the Old Palm City CRA contained in the Old Palm City Redevelopment Plan and the County Comprehensive Growth Management Plan. The intent of the proposed amendments is not to substantially change the permitted uses or development standards applicable within the Old Palm City CRA, though there will be some adjustments. The intent is to eliminate the difficulties caused by too many layers of regulations.

The proposed changes will permit development of a residential project, a commercial project, or a mixed-use project subject to the proposed development standards within the Old Palm City CRA.

8. Are there other plan amendments for the CRA?

Yes. In 2017, the Board of County Commissioners initiated text amendments to the Comprehensive Growth Management Plan (CGMP) that will “strengthen Goals, Policies and Objectives that encourage in-fill development and redevelopment in the Community Redevelopment Areas (CRAs).” This amendment creates a new Chapter of the CGMP for the CRA areas. In addition, it addresses five CGMP policies that impact redevelopment: Design of Mixed-use Future Land Use Overlays; Mixed-use project versus mixed-use neighborhood; Density Transition; Upland Preservation and Shoreline Protection. These amendments also followed a public hearing schedule, have been adopted by the Martin County Board of County Commissioners and are now in effect.

9. How can I learn more about the proposed changes?

- a) **WATCH**, on MCTV or **ATTEND**, the presentation of the proposed changes made at these public meetings:
 - a. The November 18 meeting of the Old Palm City Neighborhood Advisory Committee;
 - b. The November 25, 2019 meeting of the Community Redevelopment Agency;
 - c. The December 5, 2019 meeting of the Local Planning Agency;
 - d. The December 17, 2019 meeting of the Board of County Commissioners.
- b) **CALL** or **EMAIL** Irene Szedlmayer, Senior Planner, Growth Management Department at 772-288-5931 or iszedlma@martin.fl.us with your questions.

DATE: November 20, 2019

FROM: Krista A. Storey *KAS*
Senior Assistant County Attorney

SUBJECT: Radius Search for CPA 19-24, Amendment of the Future Land Use
Map and Zoning Atlas for the Old Palm City CRA.

Based on my review of the work completed by Josh Mills, Project Manager, to the best of my knowledge, the attached list appears to meet the requirements of Section 1.9A., Comprehensive Growth Management Plan, and Section 10.6.E., Land Development Regulations, Martin County Code, and represents the apparent owners of all parcels of land within a distance of one thousand feet (1000') of the Old Palm City CRA. Old Palm City CRA map attached. In addition, based on my review of the work completed by Mr. Mills, to the best of my knowledge, the attached list includes any homeowner associations, condominium associations, owners of condominiums and mobile homes within the notice area.

Cafe

Continued from Page 1A

much the city should subsidize a business that maintains Stuart's charm but is supported mainly by people from out of town.

Commissioners worried they could give the Pelican a new lease, only to see the Dalys flip it for a profit. For their part, the Dalys insisted they had no intention of leaving the Pelican Cafe.

In the end, the City Commission on Oct. 28 signed a lease for up to 20 years. If the Dalys wanted to sell, the deal needed the commission's OK and the city could negotiate a new lease.

This way, commissioners argued, they could protect their constituents and try to bring the business up to market value in its next lease.

Less than a month later, the city got wind of the "For Sale" sign about to go out.

"I think the actions of the owners were an indication of their thought process all along," Glass Leighton said.

The deal the city struck with the Dalys was for \$2,000 a month, up \$300 a month from before, and 3% of its gross sales.

By comparison, the Pelican Cafe paid the city of Stuart about \$42,000 in rent this past year while Mulligan's Beach House and Bar, just down the Riverwalk, paid the city \$20,000.

"If I were to sell the business," Linda Daley told TCPalm in an early-October interview, "I probably would've done it years ago."

On Tuesday, the Dalys explained that after coming back from a planned vacation, they had a change in heart.

"All of those negotiations we went through really took our breath and flattened us," Linda Daley said.

The terms of the lease they signed, Paul Daley said, also made it more expensive for them. Building a pavilion overhang onto the restaurant was going to be too costly now and not necessarily worth the risk.

A new lease, the Dalys said, made the business more attractive for a sale. They have put out feelers and received some interest, including from the owner of the Stuart Boathouse.

NOTICE OF PUBLIC HEARINGS

Notice is hereby given that the Board of County Commissioners of Martin County will conduct public hearings on December 17, 2019, beginning at 9:00 A.M., or as soon thereafter as the item may be heard, to review the following items:

1. AN ORDINANCE OF MARTIN COUNTY, FLORIDA, REGARDING COMPREHENSIVE PLAN AMENDMENT 19-23, RIO FLUM, AMENDING THE FUTURE LAND USE MAP OF THE MARTIN COUNTY COMPREHENSIVE GROWTH MANAGEMENT PLAN; PROVIDING FOR CONFLICTING PROVISIONS, SEVERABILITY, AND APPLICABILITY; PROVIDING FOR FILING WITH THE DEPARTMENT OF STATE, AND AN EFFECTIVE DATE.

2. AN ORDINANCE OF MARTIN COUNTY, FLORIDA, CREATING DIVISION 3, RIO COMMUNITY REDEVELOPMENT CODE OF ARTICLE 12, REDEVELOPMENT CODE, LAND DEVELOPMENT REGULATIONS, MARTIN COUNTY CODE; REPEALING SECTION 3.265, OLD PALM CITY COMMUNITY REDEVELOPMENT AREA; AMENDING THE ZONING ATLAS TO ASSIGN THE RIO REDEVELOPMENT ZONING DISTRICT; PROVIDING FOR APPLICABILITY, CONFLICTING PROVISIONS, SEVERABILITY, FILING WITH THE DEPARTMENT OF STATE, CODIFICATION, AND AN EFFECTIVE DATE.

3. CPA 19-24, Old Palm City FLUM, a proposal to amend the Future Land Use Map regarding the Old Palm City Community Redevelopment Area (609 acres). The amendment will change the Low Density Residential, Medium Density Residential, Commercial Office/Residential, Limited Commercial, General Commercial and General Institutional future land use designations to CRA Center, CRA Neighborhood, Public Conservation, Recreational, or General Institutional future land use designations, and eliminate the Old Palm City Mixed-Use Future Land Use Overlay.

4. AN ORDINANCE OF MARTIN COUNTY, FLORIDA, CREATING DIVISION 4, OLD PALM CITY COMMUNITY REDEVELOPMENT CODE OF ARTICLE 12, REDEVELOPMENT CODE, LAND DEVELOPMENT REGULATIONS, MARTIN COUNTY CODE; REPEALING SECTION 3.265, OLD PALM CITY COMMUNITY REDEVELOPMENT AREA; AMENDING THE ZONING ATLAS TO ASSIGN THE OLD PALM CITY REDEVELOPMENT ZONING DISTRICT AND MAKE OTHER CHANGES FOR CONSISTENCY WITH THE FUTURE LAND USE MAP; PROVIDING FOR APPLICABILITY, CONFLICTING PROVISIONS, SEVERABILITY, FILING WITH THE DEPARTMENT OF STATE, CODIFICATION, AND AN EFFECTIVE DATE.

All interested persons are invited to attend and be heard. The meeting will be held in the Commission Chambers on the first floor of the Martin County Administrative Center, 2401 S.E. Monterey Road, Stuart, Florida. Written comments may be sent to: Nicki van Vleet, Director, Martin County Growth Management Department, 2401 S.E. Monterey Road, Stuart, Florida 34995. Copies of the items will be available from the Growth Management Department. For more information, contact the Growth Management Department at (772) 288-5495.

Persons with disabilities who need an accommodation in order to participate in this proceeding are entitled, at no cost, to the provision of certain assistance. This does not include transportation to and from the meeting. Please contact the Office of the ADA Coordinator at (772) 320-3131, or the Office of the County Administrator at (772) 288-5400, or in writing to 2401 S.E. Monterey Road, Stuart, FL 34995, no later than three days before the hearing date. Persons using a TTY device, please call 711 Florida Relay Services.

If any person decides to appeal any decision made with respect to any matter considered at the meetings or hearings of any board, committee, agency, council, or advisory group, that person will need a record of the proceedings and, for such purpose, may need to insure that a verbatim record of the proceedings is made, which record should include the testimony and evidence upon which the appeal is to be based.

**MARTIN COUNTY OFFICE OF COMMUNITY DEVELOPMENT/CRA
MANAGER (March 2017 – present)**

This professional administrative position manages the County's Office of Community Development, which oversees the Martin County Community Redevelopment Agency, Art in Public Places program and the Historic Preservation program. Directs and coordinates all Office of Community Development (OCD) activities.

- ◆ Prepares and maintains annual budget and strategic work plans for the OCD.
- ◆ Serves as principal staff liaison between the County Commission and the Community Redevelopment Agency, Public Art Advisory Committee and the Historic Preservation Board.
- ◆ Reviews the Countywide and individual Community Redevelopment Plans to ensure they are relevant and reflective of community needs; oversees implementation of plans.
- ◆ Interacts and addresses the priorities of the CRA and NACs to ensure funds are allocated to those projects producing the desired return on investment and impact on the community.
- ◆ Initiates and coordinates development and redevelopment efforts to address economic growth.
- ◆ Makes presentations to the Board of County Commissioners, the Community Redevelopment Agency, Public Art Advisory Committee, Historic Preservation Board, civic groups, divisional meetings, senior management and neighborhood advisory boards.
- ◆ Provides oversight of planning studies and field surveys to provide guidance with respect to planning programs and implementation activities for the County's six (6) CRA districts.
- ◆ Facilitates, monitors, and ensures that all projects are implemented in accordance with the goals of their respective advisory boards and the Office of Community Development.
- ◆ Supervises and directs staff members assigned to the Office of Community Development.

Summary of Qualifications

COUNTY
EXHIBIT # 2

Masters in City and Regional Planning, *Rutgers University, New Brunswick, New Jersey.*

Juris Doctorate, *Rutgers University, School of Law, Newark, New Jersey.*

Bachelor of Arts, Social Welfare, *Pennsylvania State University, State College, PA*

Work Experience

Senior Planner – since June 2014, Martin County BOCC, Growth Management Dept.

- Develop long range planning projects.
- Plan and schedule work programs.
- Performs as project manager for special studies, projects and plans.
- Assists in data collection and analysis.
- Assists the general public and other agencies with planning related information.
- Reviews studies conducted by other agencies.
- Confers with civic leaders, government officials, resident groups and homeowners' associations to identify issues, goals and objectives, and to discuss alternate plans for meeting physical, social and economic needs.
- Provides technical and advisory assistance to Local Planning Agency, Community Redevelopment Agency and Board of County Commissioners in matters of comprehensive planning, development and regulatory codes and ordinances.
- Develops improved work methods to accelerate formulation and completion of planning programs and projects. Performs work related to this job description as required.

Planning and Community Development Director, March 2010 to August 2013, City of La Feria, Texas. Reviewed subdivision plats and building permit applications for compliance with local ordinances and the Comprehensive Plan; prepared and presented recommendations to the Planning and Zoning Commission, Zoning Board of Adjustment, and City Commission; drafted revisions to the zoning ordinance, assisted the public with City regulations and processes; supervised code enforcement, prepared grant applications and reporting related to the grants, and represented the City on the regional storm water task force, metropolitan planning organization, and regional sustainability consortium. Accomplishments include recruiting the APA's Community Planning Assistance Team to La Feria in May 2013, demolition of more than 20 dilapidated structures, and successful annexation and adjacent lands.

Planning Consultant – March 2009 to March 2010,

City of Mercedes, Texas. Working with the Assistant City Manager and Planning Director and the volunteer Comprehensive Plan Steering Committee, I drafted the City's Comprehensive Plan chapters on demographics, land use, economic development, and infrastructure and public facilities.

Planning Director - February 2008 to August 2008, City of San Juan, Texas.

Prepared and presented recommendations to the Planning and Zoning Commission, Zoning Board of Adjustment, and City Commission on subdivision, conditional use, and variance applications, worked with developers to bring subdivision plats and building permit applications into compliance with municipal land development ordinances; worked to re-establish standard operating procedures in a department that had experienced inconsistent leadership for several years.

Senior Planner, Long-Range Planner, Director - January 2006 to December 2007,

City of Weslaco, Texas. Reviewed subdivision plats and building permit applications for compliance with development ordinances and the Comprehensive Plan; prepared and presented recommendations to the Planning and Zoning Commission, Zoning Board of Adjustment, and City Commission; supervised and assisted the work of Annexation Plan and Comprehensive Plan consultants, drafted revised sign and subdivision ordinances, conducted community meetings, prepared annexation service plans and annexation fiscal impact analyses, assisted the public. As the Director of the Department, I supervised the work of 10 secretaries, code enforcement officers, animal control officers and building inspectors.

South Jersey Legal Services, Inc., May 1998 to August 2004, Vineland, New Jersey.

As Community Economic Development Attorney, I represented grass-roots and faith-based non-profit groups engaged in community economic development. Substantive areas of the law included civil rights, education, real estate, zoning, tax, public and subsidized housing, trade names, transportation, and organizational development. I produced statistical reports in support of resident and homeowner litigation to influence municipal re-development plans. My representation of individuals included landlord/tenant, social security, and public welfare benefits matters.

State of New Jersey Election Law Enforcement Commission, October 1994 to May 1998, Trenton, New Jersey. On behalf of the state government, I prosecuted violations of state campaign finance laws. I reviewed prosecutorial recommendations made by investigative staff, drafted complaints, appeared before administrative law judges, and recommended penalties to the Commission.

State of New Jersey Office of Administrative Law, August 1993 to – August 1994, Newark, New Jersey. Prepared legal memoranda for administrative law judges on questions arising in contested environmental, public utilities, land use, public employment and other cases.

Legal Services of New Jersey, Inc., June 1992 to March 1993, Edison, New Jersey. Prepared memoranda related to federal litigation brought by public housing tenants against the housing authority and a state supreme court case involving the rights of residential tenants in mortgage foreclosure and assisted in updated *"You and the Law in NJ."*

Foundation of the University of Medicine and Dentistry of New Jersey, Inc., November 1986 to August 1989, Newark, New Jersey. Researched corporate and foundation funding prospects, prepared proposals seeking private financial support for bio-medical research, education and patient care, assisted in cultivating funding prospects, and prepared stewardship reports.

The Market Foundation, Inc. January 1983 – December 1985, Seattle, Washington. As a VISTA (Volunteer in Service to America), I raised funds through direct mail, special events and foundation and corporate proposals for a network of human service agencies in a special urban redevelopment zone in downtown Seattle. Also, volunteered with a community group to preserve affordable downtown housing.
