

**Petition Opposing Pulte at Christ Fellowship Church Future Land Map Amendment
PETITION, BY CITIZENS OF MARTIN COUTY, TO OPPOSE GRANTING A FUTURE LAND
MAP AMENDMENT FOR PULTE AT CHRIST FELLOWSHIP CHURCH by THE MARTIN
COUNTY COMMISSION**

YOUR NAME Kenneth Hall

ADDRESS 10962 SW Hawkview Cir

CITY Stuart

ZIP 34997

I am a resident of Martin County and I hereby join liked members of my community in the following petition to the Martin County Commission to deny a future land map amendment to allow higher density for the Pulte at Christ Fellowship Church property.

We oppose the approval of the Future Land Map Amendment as:

- (1) Approval to develop the subject property is presently available to Pulte at Christ Fellowship Church with our current Comprehensive Plan (CGMP) and other Martin County regulations.**
- (2) The development with an increased residential density is non concurrent with the surrounding area like the communities of Foxwood and Trailside.**
- (3) The Development at the density levels suggested to change by Pulte will have a serious negative impact on South Fork High School's students as it is already under the current level of service, with many individuals going to class in portables.**
- (4) Additional and excessive vehicular traffic to Pratt Whitney road, which is currently low lit, and on a blind curve will require upgrades to make local roads safe and sufficient.**

THEREFORE, THE UNDERSIGNED RESIDENT OF MARTIN COUNTY, OPPOSES THE ESTABLISHMENT OF A FUTURE LAND MAP AMENDMENT FOR PULTE AT CHRIST FELLOWSHIP CHURCH AND PETITIONS THAT THE REQUEST BE DENIED BY THE MARTIN COUNTY COMMISSION.

I am a resident of Martin County and I hereby join liked members of my community in the following petition to the Martin County Commission to deny a future land map amendment to allow higher density for the Pulte at Christ Fellowship Church property.

We oppose the approval of the Future Land Map Amendment as:

- (1) Approval to develop the subject property is presently available to Pulte at Christ Fellowship Church with our current Comprehensive Plan (CGMP) and other Martin County regulations.
- (2) The development with an increased residential density is non concurrent with the surrounding area like the communities of Foxwood and Trailside.
- (3) The Development at the density levels suggested to change by Pulte will have a serious negative impact on South Fork High School's students as it is already under the current level of service, with many individuals going to class in portables.
- (4) Additional and excessive vehicular traffic to Pratt Whitney road, which is currently low lit, and on a blind curve will require upgrades to make local roads safe and sufficient.

THEREFORE, THE UNDERSIGNED RESIDENT OF MARTIN COUNTY, OPPOSES THE ESTABLISHMENT OF A FUTURE LAND MAP AMENDMENT FOR PULTE AT CHRIST FELLOWSHIP CHURCH AND PETITIONS THAT THE REQUEST BE DENIED BY THE MARTIN COUNTY COMMISSION.

- (2) The development with an increased residential density is non concurrent with the surrounding area like the communities of Foxwood and Trailside.
- (3) The Development at the density levels suggested to change by Pulte will have a serious negative impact on South Fork High School's students as it is already under the current level of service, with many individuals going to class in portables.
- (4) Additional and excessive vehicular traffic to Pratt Whitney road, which is currently low lit, and on a blind curve will require upgrades to make local roads safe and sufficient.

THEREFORE, THE UNDERSIGNED RESIDENT OF MARTIN COUNTY, OPPOSES THE ESTABLISHMENT OF A FUTURE LAND MAP AMENDMENT FOR PULTE AT CHRIST FELLOWSHIP CHURCH AND PETITIONS THAT THE REQUEST BE DENIED BY THE MARTIN COUNTY COMMISSION.

PETITION, BY CITIZENS OF MARTIN COUNTY, TO OPPOSE GRANTING A FUTURE LAND
MAP AMENDMENT FOR PULTE AT CHRIST FELLOWSHIP CHURCH by THE MARTIN
COUNTY COMMISSION**

YOUR NAME RUTH Levy + family
ADDRESS 11726 SW Meadowlark Circle
CITY Stuart
ZIP 34997

I am a resident of Martin County and I hereby join liked members of my community in the following petition to the Martin County Commission to deny a future land map amendment to allow higher density for the Pulte at Christ Fellowship Church property.

We oppose the approval of the Future Land Map Amendment as:

- (1) Approval to develop the subject property is presently available to Pulte at Christ Fellowship Church with our current Comprehensive Plan (CGMP) and other Martin County regulations.**
- (2) The development with an increased residential density is non concurrent with the surrounding area like the communities of Foxwood and Trailside.**
- (3) The Development at the density levels suggested to change by Pulte will have a serious negative impact on South Fork High School's students as it is already under the current level of service, with many individuals going to class in portables.**
- (4) Additional and excessive vehicular traffic to Pratt Whitney road, which is currently low lit, and on a blind curve will require upgrades to make local roads safe and sufficient.**

THEREFORE, THE UNDERSIGNED RESIDENT OF MARTIN COUNTY, OPPOSES THE ESTABLISHMENT OF A FUTURE LAND MAP AMENDMENT FOR PULTE AT CHRIST FELLOWSHIP CHURCH AND PETITIONS THAT THE REQUEST BE DENIED BY THE MARTIN COUNTY COMMISSION.
