RE: Notice of Public Hearings for CPA 19-28, the proposed amendment of the Future Land Use Map and Zoning Atlas for the Golden Gate Community Redevelopment Area (CRA), and adoption of Article 12, Division 6, Golden Gate Community Redevelopment Code, Land Development Regulations (LDR).

Dear Property Owner:

You are receiving this notice because you are either the owner of property within the Golden Gate Community Redevelopment Area or the owner of property within 1000 feet of the CRA boundary.

Please be advised that most land within the Golden Gate CRA is the subject of an application to change the future land use designations:

From: Medium Density Residential, High Density Residential, General Commercial, and the Golden Gate Mixed-Use Future Land Use Overlay.

To: CRA Center, CRA Neighborhood, Industrial, Recreational or General Institutional future land use designations.

And to change the zoning districts:

From: R-3 Multiple-Family Residential, R-3B Multiple-Family Residential, B-1 Business, LI Limited Industrial, M-1 Industrial, M-2 Industrial and the Urban Corridor, Neighborhood Center, Neighborhood Urban, Neighborhood General and Neighborhood Residential Zoning Overlays.

To: Golden Gate Redevelopment, PS Public Service, PS-1 Public Service 1, PR Public Recreation or the most appropriate zoning district.

And to assign zoning subdistricts pursuant to the proposed Regulating Plan, Article 12, Division 7, LDR.

It is proposed that the CRA Mixed-Use Future Land Use Overlays and the CRA Zoning Overlay Districts will be repealed. Institutional future land use designations would be retained. No changes in the future land use or zoning designations are proposed for properties outside of the Golden Gate CRA boundary. Owners of properties outside of the Golden Gate CRA boundary are being notified of the proposed changes as required by the Martin County Comprehensive Growth Management Plan and the Land Development Regulations.

Please see the enclosed map and "Frequently asked Questions" for more information.

Frequently Asked Questions

1. What is a CRA?

A Community Redevelopment Area (CRA) is a special geographic area where the community has determined that redevelopment of both public and private facilities should occur according to a redevelopment plan. Golden Gate is one of six communities in Martin County that carry the special designation of CRA. As development occurs, a portion of the additional tax increment collected by the County, based on the increased property valuation, is reinvested in the Golden Gate CRA to promote economic growth, sustainable development and improved quality of life.

2. What is the Future Land Use Map?

The Future Land Use Map depicts the generally desired type of development in different locations in the County. The “underlying” future land use designations present in the Golden Gate CRA are Medium Density Residential, High Density Residential, General Commercial and Recreational.

3. What are the Mixed-Use Future Land Use Overlays?

The Mixed-Use Future Land Use Overlays allow, but do not require, a mix of residential and commercial uses in the same project. The mixed-use development option is in addition to the development permitted by the future land use designation. There is only the Golden Gate Mixed-Use Future Land Use Overlay in the Golden Gate CRA.

4. What is the Zoning Atlas?

While the future land use designations establish the general type of development allowed, such as residential or commercial, the zoning districts provide more detailed standards regarding permitted uses, such as detached single family dwelling or multi-family, and development standards, such as setbacks and building height. The Zoning Atlas is the map of the County’s zoning districts.

5. What changes are proposed?

Future Land Use Map – The Golden Gate Mixed-Use Future Land Use Overlay and most of the “underlying” future land use designations will be replaced by two new future land use designations called CRA Center and CRA Neighborhood. Some County owned land will be designated Public Service. The Recreation future land use designation will be retained.

Zoning Atlas - The five (5) “underlying” zoning districts, and the five (5) Golden Gate Zoning Overlay Districts will be replaced with the Golden Gate Redevelopment Zoning District, PS-1 Public Service 1, PR Public Recreation or the most appropriate zoning districts.

6. What is the Process?

The Future Land Use Map is part of the County's Comprehensive Growth Management Plan and is one of the primary tools for managing land development. The Future Land Use designation of a parcel of land determines the general type of use allowed and the maximum level of density or intensity allowed (such as the number of residential units per acre). A change to the Future Land Use Map requires three public hearings as detailed below.

1. Local Planning Agency (which makes a recommendation to the Board of County Commissioners).
2. Board of County Commissioners (to determine whether the proposed amendment should be transmitted to the Florida Department of Economic Opportunity, the state land planning agency that oversees and coordinates comprehensive planning).
3. Board of County Commissioners (to determine whether the proposed amendment should be adopted).

7. How will the proposed amendments affect me if I own property in the Golden Gate CRA?

The County and the Community Redevelopment Agency believe the current regulatory structure impedes realization of the vision for the Golden Gate CRA contained in the Golden Gate Redevelopment Plan and the County Comprehensive Growth Management Plan. The intent of the proposed amendments is not to substantially change the permitted uses or development standards applicable within the Golden Gate CRA, though there will be some adjustments. The intent is to eliminate the difficulties caused by too many layers of regulations.

The proposed changes will permit development of a residential project, a commercial project, or a mixed-use project subject to the proposed development standards within the Golden Gate CRA.

8. Are there other plan amendments for the CRA?

Yes. In 2017, the Board of County Commissioners initiated text amendments to the Comprehensive Growth Management Plan (CGMP) that will “strengthen Goals, Policies and Objectives that encourage in-fill development and redevelopment in the Community Redevelopment Areas (CRAs).” This amendment creates a new Chapter of the CGMP for the CRA areas. In addition, it addresses five CGMP policies that impact redevelopment: Design of Mixed-use Future Land Use Overlays; Mixed-use project versus mixed-use neighborhood; Density Transition; Upland Preservation and Shoreline Protection. These amendments also followed a public hearing schedule, have been adopted by the Martin County Board of County Commissioners and are now in effect.

9. How can I learn more about the proposed changes?

- a) **WATCH** on MCTV or **ATTEND**, the presentation of the proposed changes made at these public meetings:
 - a. The June 1, 2020 meeting of the Golden Gate Neighborhood Advisory Committee;
 - b. The July 27, 2020 meeting of the Community Redevelopment Agency;
