RE: 0038-002 Old Kansas Rezoning
Certification of Property Owner Notification

Mr. Mikati:

I have reviewed the attached Certified List of Property Owners to be Notified by Letter of The Public (the "List"), prepared by CSM Engineering.

In connection with same, I ordered a Radius Search from Statewide Land Title, Inc., SLTI File No. 21-17002, dated July 19, 2021, and certified as of July 1, 2021. Based upon my review of that search, I am prepared to certify to List as true and accurate in accordance with Article 10, Section 10.6.E(2) of the Martin County Land Development Regulations.

Please contact me with any questions.

Sincerely,

By: /s/T. Lucas Rossknecht
