:

We are always looking for ways to better serve the citizens in Martin County. For this reason we are rolling out a new program to protect our residents and their property in the most effective way possible. Community Connect is a free, secure, and easy to use platform that allows you to share critical information about your household that will aid first responders and emergency response personnel when responding to your residence. By providing information about your household that you feel is important for us to know about at the time of an emergency, we can ensure you and everything you care about is protected to the best of our ability.
