

Gateway Landscape Design

6/6/22

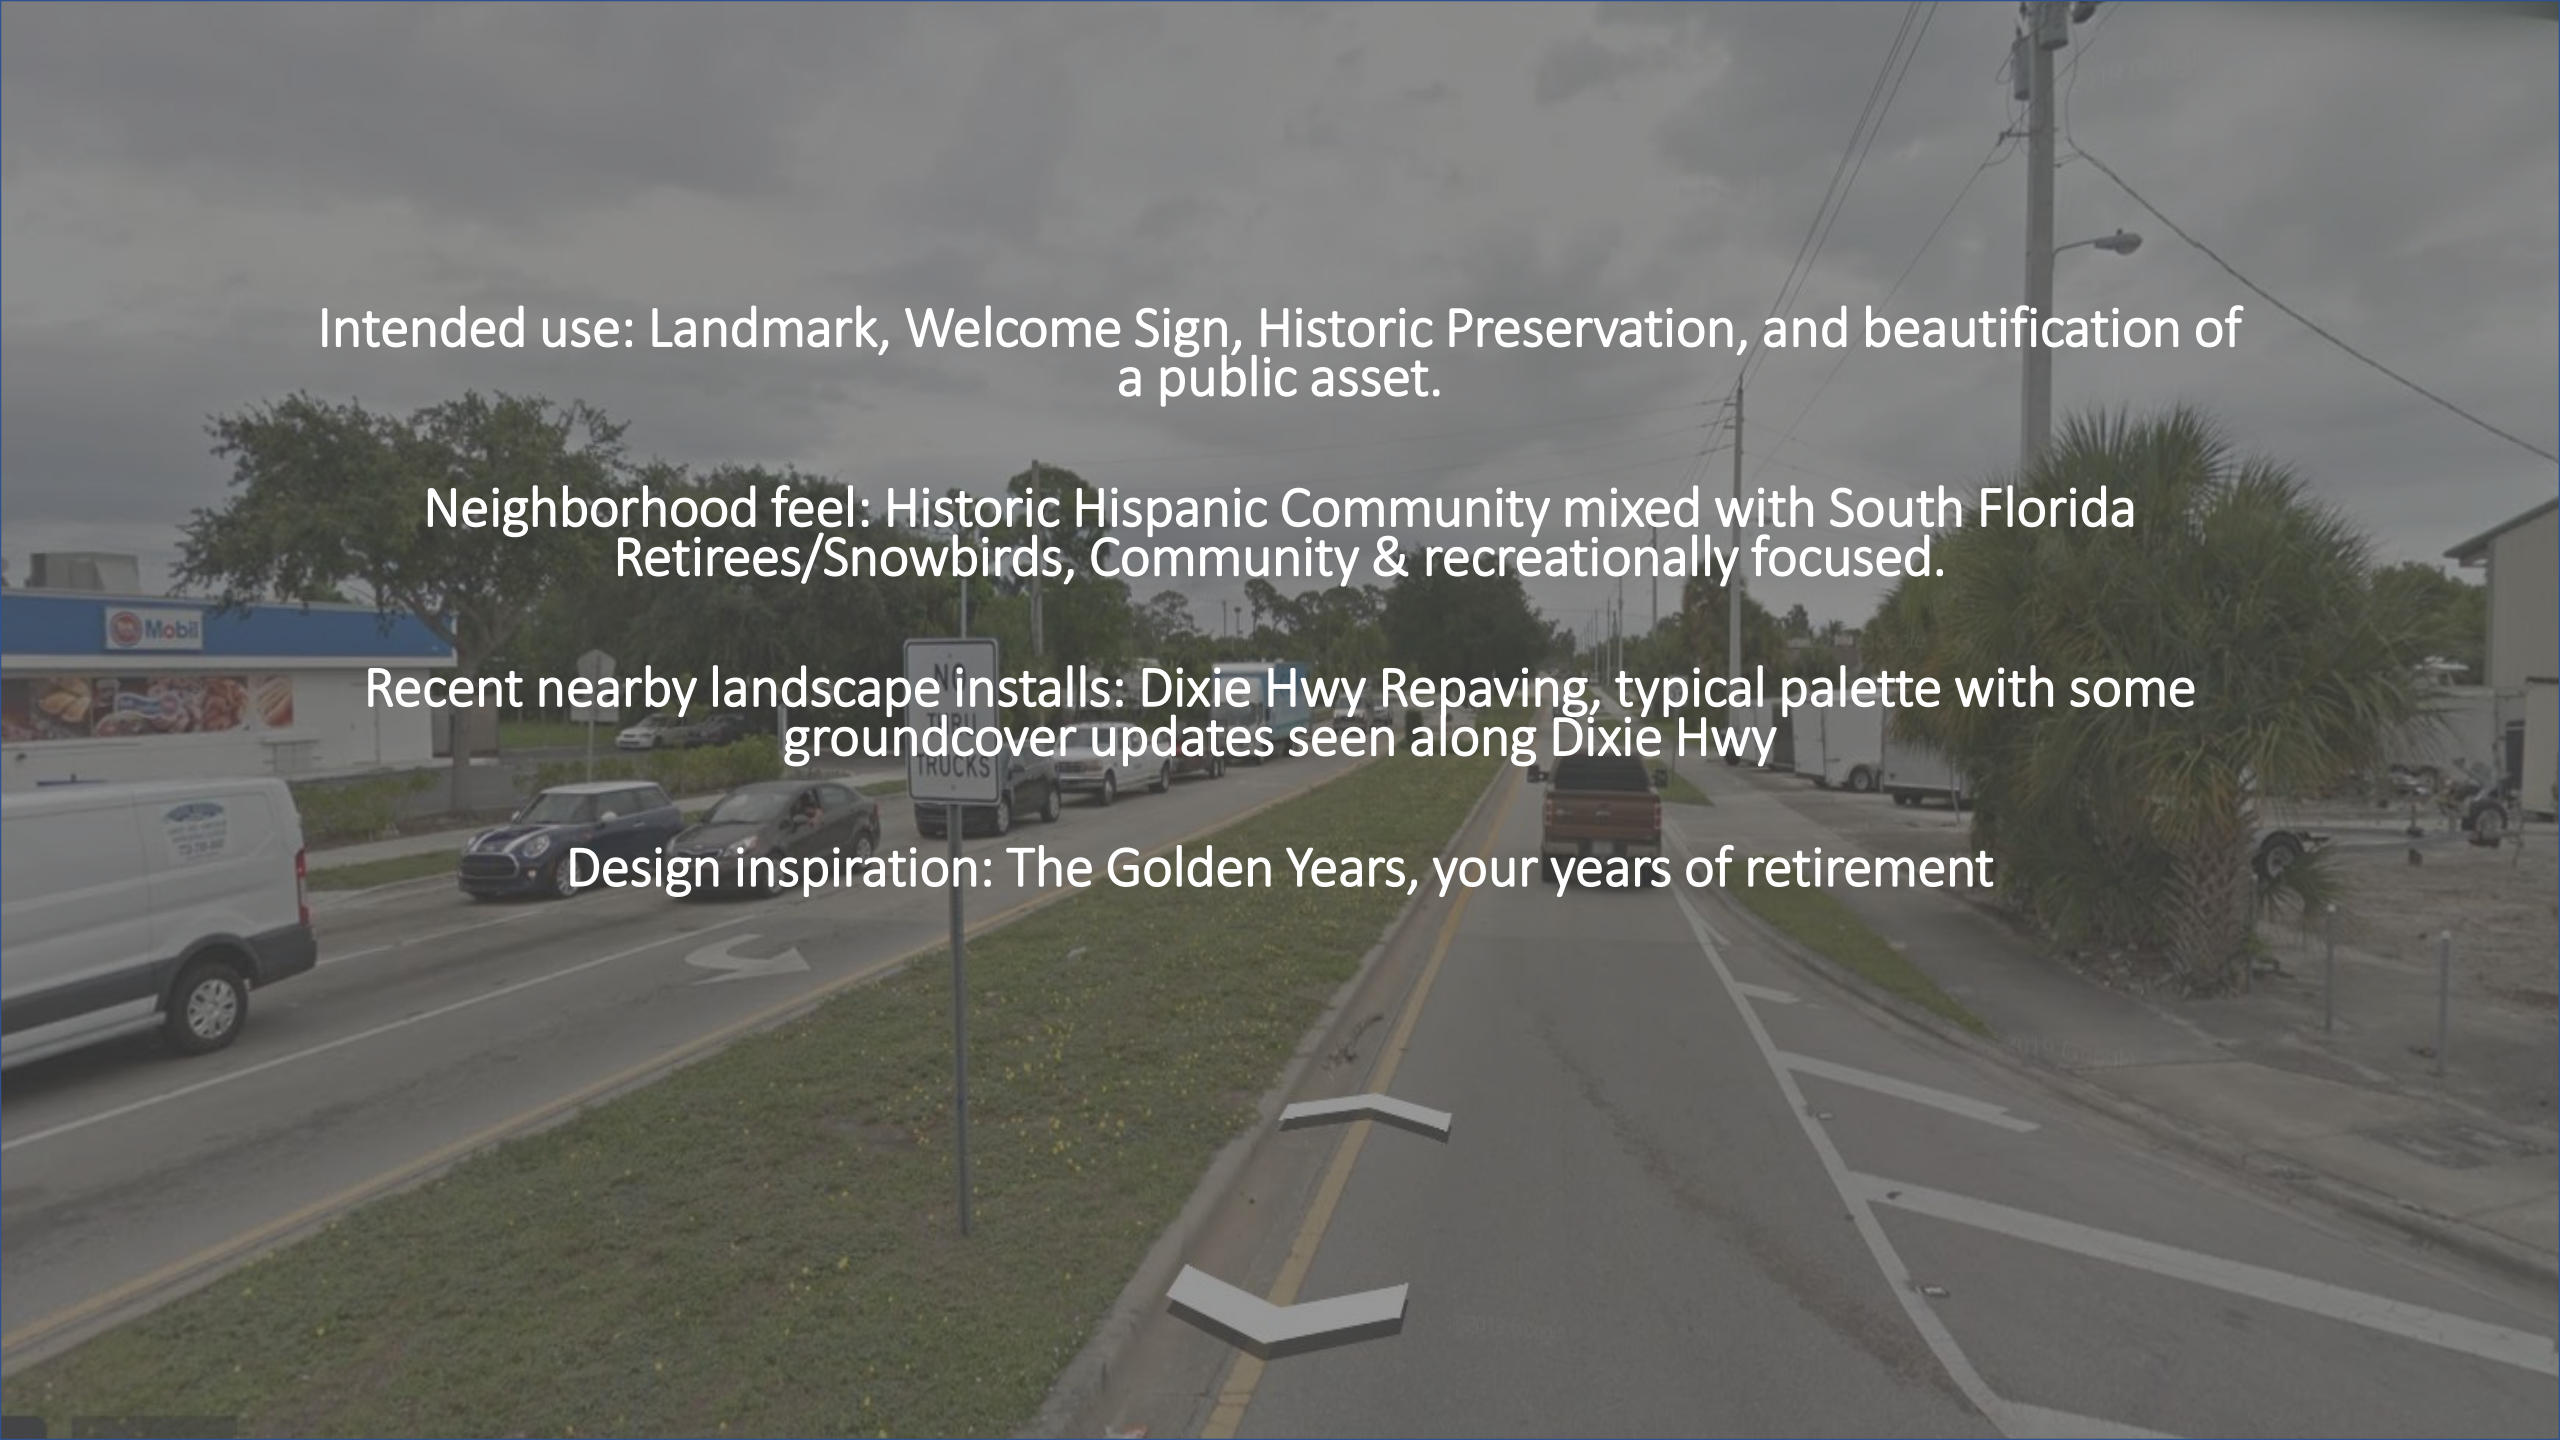

Intended use: Landmark, Welcome Sign, Historic Preservation, and beautification of a public asset.

Neighborhood feel: Historic Hispanic Community mixed with South Florida Retirees/Snowbirds, Community & recreationally focused.

Recent nearby landscape installs: Dixie Hwy Repaving, typical palette with some groundcover updates seen along Dixie Hwy

Design inspiration: The Golden Years, your years of retirement

Challenges and Opportunities

- Overhead lines
- No irrigation
- Hide Solar Panel
- Remove old plant material
- Accentuate/Correct signage
- Pressure Wash & Paint
- Year-round blooms
