Re: Three Lakes Golf Club LLC – Mandatory Rezoning Application with Certificate of Public Facilities Exemption (Our ref. #21-390)

Dear Paul:

We are pleased to submit this application for a mandatory rezoning from A-2 and A-1 to AG-20A. As more specifically described in the enclosed project narrative, the property is designated for Agricultural Rural Density future land use and zoned A-2 and A-1. To bring the zoning into conformity with the future land use designation, a mandatory rezoning to AG-20A is required.

With this understanding, please find enclosed the sufficiency review fee check in the amount of \$290.00, the CD with PDF copies of the application materials, and the original application package containing the following materials:

1. Application form;
2. Digital submittal affidavit;
3. Project narrative;
4. The owner's notarized power of attorney for representation by Lucido & Associates;
5. The Disclosure of Interest Affidavit;
6. The recorded deeds documenting ownership by Three Lakes Golf Club LLC;
7. The no transfer statement;
8. The legal description;
9. Aerial map;
10. Parcel assessment map;
11. Future land use map; and
12. Zoning map.

A school impact worksheet is not applicable because we are not proposing any residential units or asking for a density increase. The list of surrounding property owners will be provided prior to the public hearing.

Upon a determination of completeness, we will submit the mandatory application fee in the amount of \$1,000.00.

Please feel free to contact me or my assistant, Shirley Lyders, if you have any questions or comments.

Sincerely,

Morris A. Crady, AICP

D. Certification by Professionals

Section 10.2.D.7., Article 10, Development Review Procedures, Land Development Regulations (LDR), Martin County Code (MCC) provides the following:

When reviewing an application for a development permit that is certified by a professional listed in s. 403.0877, F.S., the County shall not request additional information from the application more than three times, unless the applicant waives the limitation in writing. If the applicant believes the request for additional information is not authorized by ordinance, rules, statute, or other legal authority, the County, at the applicant's request, shall proceed to process the application for approval or denial. (125.022(1), Fla. Stat.)

This box must be checked if the applicant waives the limitations.

E. APPLICANT or AGENT CERTIFICATION

I have read this application, and to the extent that I participated in the application, I have answered each item fully and accurately.

PROJECT NARRATIVE Three Lakes Golf Club

Mandatory Rezoning from A-1 and A-2 to AG-20A

May 17, 2022

EXISTING PROPERTY CHARACTERISTICS

The 1,218-acre (+/-) subject property is located on both sides of South Kanner Highway, north of Bridge Road, approximately one mile west of I-95 in unincorporated Martin County, Florida. The project area includes an approximately 500-acre parcel west of Kanner Highway along the St. Lucie Canal (also known as the C-44 Canal or Okeechobee Waterway) and a 700-acre parcel east of Kanner Highway.

The property has been utilized as a private family retreat, tree farm and hunting preserve for several decades. It contains various single family structures, farm buildings and access paths scattered throughout the site among the various native wetlands and upland habitat that have been impacted by these activities.

The property is designated in the Comprehensive Plan for Agricultural future land use and located outside the primary and secondary urban service district boundary. The property is zoned A-1 and A-2, which are Category “C” zoning districts.

SURROUNDING PROPERTY CHARACTERISTICS

The property is surrounded by similar vacant lands that also retain the Agricultural future land use designation and A-2 zoning district. Some of the adjacent properties have also rezoned to AG-20A.

MANDATORY REZONING

The applicant/owner is intending to construct one 18-hole golf courses, practice range and short game practice facilities, an event center, golf shelters and a golf maintenance facility on the west side of the Kanner Highway. An additional 18-hole golf course is proposed on the east side of Kanner Highway with no buildings except for golf shelters. No residential units are proposed.

The project is consistent with the requirements applicable to a “by-right” golf course within the existing Agricultural land use designation including the use of on-site wastewater treatment and disposal systems (i.e., septic tanks) not exceeding a cumulative flow of 2,000 gallons per day.

Any development on the property other than agricultural uses requires a mandatory rezoning from the Category “C” zoning district, i.e. A-1 and A-2, which was assigned to the property in 1967, to a Category “A” zoning district, i.e. AG-20A, which is consistent with the Agricultural future land use that was assigned to the property in 1982. The mandatory rezoning to AG-20A is necessary to bring the property into conformity with the Comprehensive Growth Management Plan policies and current Land Development Regulations.

My Commission Expires: 11/7/22
