Hi Savannah,

Here are responses to your questions. Please let me know if you need additional information or have additional questions.

1. What is the total amount we have been granted value wise? Your agency was awarded 2 instructor trainings for the Tai Chi for Arthritis program. The grant is valued at \$700. This value is an estimate as the following are not included: shipping costs and NRPA and external consultant personal costs.
2. Is this grant amount labeled as an "In Kind" or a reimbursement or something else? How exactly does it work? NRPA will purchase all program materials on behalf of your agency.
3. In our application we identified potentially charging participants to attend sessions. If we changed this model and made the sessions free to participants, would this affect our grant/agreement? NRPA does not prescribe whether or not you charge for your programming. We ask that if you do charge that the amount is not a barrier for participation. If you have decided that you are not charging for the program, it will not affect your grant/agreement.

Have a great day!
Colleen

Subject: RE: Martin County - SHAPR Grant Tai Chi

Thank you Colleen. For our acceptance write up purposes for our Board could you provide answers to a few questions our agency has.

1. What is the total amount we have been granted value wise?
2. Is this grant amount labeled as an "In Kind" or a reimbursement or something else? How exactly does it work?
3. In our application we identified potentially charging participants to attend sessions. If we changed this model and made the sessions free to participants, would this affect our grant/agreement?

I have a meeting tomorrow to identify instructors and will provide contact information after that.

We are looking forward to working with you as well and thank you for all your help!

Thank you,

Savannah Richmond

Hi Savannah,

Thanks for reaching out. You accepted your grant through the acceptance survey on 1/23/23. There is no MOU that you have to sign for your award. We are in the process of getting the instructor trainings setup and getting everyone admitted to the online communication platform (Connect). I will be sending an email early next week with the recording of our kick off call and a Marketing Toolkit.

Do you have your instructors identified? If so, you can share their contact information.

Please let me know if you have any questions and look forward to working with you!

Best,

Colleen

Subject: Martin County - SHAPR Grant Tai Chi

Good Afternoon,

We were recently awarded a SHAPR grant to implement the AAEBI – Tai Chi. After the Welcome Meeting this week, I wanted to ensure we were on track for compliance. Will there be an MOU, contract, letter etc. that will need to be signed in order to accept the grant?

Thank you,

Savannah Richmond
