Having retired in 2000, I do not have a resume and as far as a curriculum vitae, all my degrees are in education and clinical social work.

I think when it suggested that I apply for this position it was based on my shelter experience and animal advocacy. I have been an active volunteer at the Humane Society of the Treasure Coast since 1998. I have served in a variety of ways from fostering, serving on various volunteer advisory committees, weekly shelter dog walking and 9 years of pet therapy programs with my certified therapy dog. Those programs involved working with schools in Humane education classes, working with children in Paws to Read sessions and visiting the elderly in care facilities.

I do not, however, have any background in veterinarian medicine.

My reason for applying is simply to serve in improving the lives of animals in our community.

Thank you.

Sarah Johnson
