

Salerno Road Traffic Safety Improvements

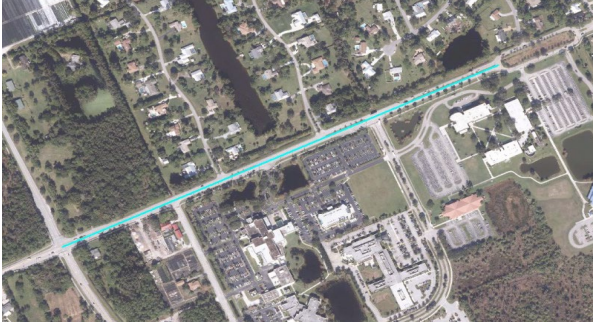

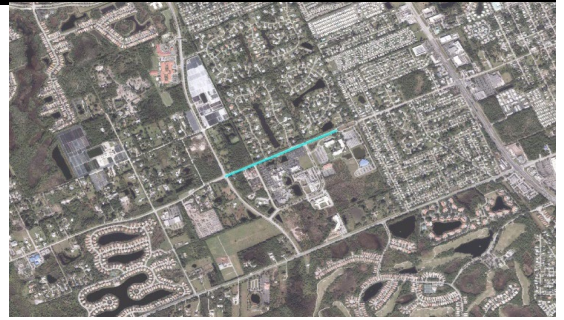

Category Non-concurrency
Project Number 1064S
Location Stuart
District Two

Project Limits SE Willoughby Blvd to SE Martin Meadows Avenue

Related Projects
Lead Dept/Division Public Works / Traffic Engineering
Year Project Initiated 2022

Project Life Cycle 25 Years

Resilience Requirements ☐ 2040 Vulnerability ☐ 2070 Vulnerability ☐ 2100 Vulnerability

DESCRIPTION

Design and construction of multimodal improvements to slow traffic on SE Salerno Road, enhance pedestrian activity and connect residential with adjacent institutional land uses.

BACKGROUND

The Board of County Commissioners negotiated a \$100,000 contribution from the adjacent Willoughby Townhomes Planned Unit Development as a public benefit of the Planned Unit Development Zoning Agreement after requests of residents along SE Salerno Road for traffic safety improvements.
