

GCSAA BMP Initiative

- Initiated in 2015 with a request for proposals to develop BMP content.
- Faculty from the University of Florida awarded the contract in late 2015.
- Content developed in 2016 and reviewed by an 18-member GCSAA Task Group.
 - GCSAA Superintendents & staff, USGA, PGA, Golf Course Architect, and scientists reviewed the content.
- Loaded into the BMP Portal (dubbed the “Turbo Tax for BMPs” by Dr. Frank Rossi) in 2016.
- Launched at the 2017 Golf Industry Show with the goal of having BMP Manuals in all 50 states by 2020.
