Re: Request to Withdraw the Application for the Little Club Condominium Wireless
Telecommunications Facility Revised Master / Final Site Plan (L002-005)

Dear Ms. Kryzda:

After careful consideration and a review of the application, meetings, hearings and other matters relating to the proposed Little Club Condominium wireless telecommunications facility, Dynamic Towers, Inc. ("DTI"), as agent, and Little Club Condominium, Inc. ("Little Club"), as applicant, have decided pursuant to Article 10 of the Martin County Land Development Regulations to withdraw its Master/Final Site Plan application for the wireless telecommunications facility at the Little Club development. While we were disappointed in the Board of County Commissioners ("Board") findings at the March 27, 2018, meeting, and continue to believe that no material misrepresentations were made to the Board in September 2016 or any time before or thereafter, we believe it is in the best interest of the parties to withdraw the application and reevaluate the situation and opportunities ahead.

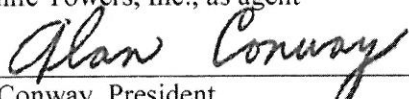

Please confirm this application has been withdrawn and the hearing scheduled with the Board of County Commissioners for July 10, 2018, is cancelled.

We appreciate your attention to this matter and please feel free to call if you have any questions or concerns.

Sincerely,

Kevin Aycock, President
Dynamic Towers, Inc., as agent

Alan Conway, President
The Little Club Condominium Association, Inc.
