Upon finding that any of the above is present, the Board shall order a termination of all development activity until such time as a new DRI Application for Development Approval has been submitted, reviewed and approved in accordance with Section 380.06, Florida Statutes.

8. That this Development Order shall remain in effect for a period of thirteen (13) years from the date of its rendition, provided that this effective period may be extended by this Board upon a finding of excusable delay in any proposed development activity and that conditions have not changed sufficiently to warrant further consideration of the development. In the event the developer fails to commence significant physical development within three (3) years from the date of rendition of this Development Order, development approval shall terminate and the development shall be subject to further consideration. Significant physical development shall mean site preparation work for the internal drainage system, internal roadways, and single family units.

PLANNED UNIT DEVELOPMENT  
ZONING AGREEMENT

THIS AGREEMENT, made and entered into this 21<sup>st</sup> day of October, 1978, by and between BERTIL K. KJELLOGREN, an individual, hereinafter referred to as OWNER, and MARTIN COUNTY, a political subdivision of the State of Florida, hereinafter referred to as the COUNTY.

W I T N E S S E T H :

WHEREAS, it is the desire of the OWNER to develop a Planned Unit Development consisting of: A maximum of 1967 residential units, recreational areas, golf course, open space, public service areas, and commercial areas, together with accessory buildings, utilities and other related improvements and facilities; which development is located in the Gomez Grant and embraces approximately 311.58 acres (net) in Martin County, Florida, the legal description of which is attached hereto and incorporated herein as "Exhibit A" and

WHEREAS, HERITAGE RIDGE PROPERTY OWNERS ASSOCIATION, "INC.," a Florida corporation not for profit; will be formed to provide for the maintenance of the Common Areas within HERITAGE RIDGE (hereinafter the ASSOCIATION); and

WHEREAS, THE Zoning Regulations of Martin County permit this type of integrated development subject to a P. U. D. agreement, and

WHEREAS, it is the desire of the COUNTY to encourage this form of development

NOW THEREFORE, the parties do hereby agree as follows:

I. UNITY OF TITLE.

The OWNER hereby warrants that he has unified control of each property as shown on Exhibit "B" and attached hereto, the sum of each property being the whole of this Planned Unit Development. Documents evidencing the unity of title are attached hereto and incorporated herein as Exhibits "C"

II. DEVELOPMENT.

The OWNER agrees that this PUD will be undertaken and carried out in accordance with the following:

1. The preliminary and final development plans as officially adopted by the COUNTY. It is understood and agreed that the development of the PUD shall be in complete accordance with such preliminary and final development plans for each phase of the PUD, as the same

are from time to time approved by the Board of County Commissioners of Martin County, Florida (hereinafter referred to as the "BOARD") and recorded in the Planned Unit Development Book maintained by and constituting part of the Public Records of Martin County, Florida, each of which such plan shall, upon the recordation thereof, be deemed incorporated herein and be subject to all of the terms and conditions of this Agreement. The DEVELOPER's Preliminary Plan is attached hereto and made a part hereof as Exhibit "D" (hereinafter the "Preliminary Development Plan"). The OWNER shall follow the plan as approved preliminarily and upon the final approval and platting of each subdivision, this Agreement shall be binding for each of said phases as approved by the COUNTY. Sale of lots or units or groups of lots or units within the development shall be in accordance with the Preliminary Development Plan and all such conveyances shall be based on a plat or plats approved by the COUNTY in accordance with Chapter III, Florida Statutes, and recorded in the Public Records of Martin County, Florida. No lots or units shall be conveyed by OWNER, except by reference to said recorded plats or Declarations of Condominium. The application for approval of the plats shall follow the timetable of the development as officially adopted by the COUNTY.

2. The timetable for development as officially adopted by the COUNTY and agreed to by OWNER, as shown in Exhibit "E" attached hereto and made a part hereof, shall be strictly adhered to by the OWNER.

3. All COUNTY laws and ordinances in effect on the date of adoption of this Agreement, except for those exceptions and variances as set forth in this Agreement or otherwise shown on the preliminary Development Plan which is attached hereto as Exhibit "D" and made a part hereof and the final amended development plans of the PUD.

4. The conditions and agreements on behalf of the parties hereto as set forth in Exhibit "F, & F2" attached hereto are made a part of this Agreement and are incorporated herein by reference.

5. Building permits for construction within the Planned United Development shall be issued in accordance with this Agreement together with any further Amendments to the

**33 467 MAR 1923**

Development Plan which are filed and approved in accordance with this agreement.

III. COMMON AREAS

1. The ASSOCIATION will be established for the maintenance, operation, and management of the Common Areas as defined therein.

2. The ASSOCIATION shall not be dissolved nor shall it dispose of any Common Areas, by sale or otherwise, except to an organization conceived and organized to own and maintain the Common Areas, without first receiving approval of the BOARD. The BOARD, as a condition precedent to the dissolution or disposal of Common Areas, may require dedication of common open areas, utilities or road rights-of-way to the public as are deemed necessary.

3. In the event that the ASSOCIATION (or any successor organization) fails at any time to maintain the Common Areas of the PUD in reasonable order and condition in accordance with the approved final amended development plans, then the BOARD can serve written notice by certified mail, return receipt requested, upon such organization and upon each owner of real property within the PUD, which notice shall set forth the manner in which the organization has failed to maintain the Common Areas in reasonable order and condition, and shall demand that such failure be remedied within thirty (30) days of the sending of such notice or in the alternative that such organization appear before the BOARD at a specified time (at least ten (10) days but not more than thirty (30) days after the sending of such notice) either to contest the alleged failure to maintain the Common Areas or to show cause why it cannot remedy such failure within the thirty (30) day period. If such failure has not been remedied within the thirty (30) day period or such longer period as the BOARD may have allowed, then the BOARD, in order to preserve the taxable values of the real property within the Planned Unit Development and to prevent the Common Areas from becoming a public nuisance, shall hold a public hearing to consider the advisability of the COUNTY entering upon such Common Areas and maintaining them for a period of one (1) year. Notice of such hearing shall be sent by certified mail, return receipt requested, to the organization involved and to each owner of real property within the PUD and shall be published in a newspaper of general circulation published in Martin County, Florida. Such notice shall be sent and published at least fifteen (15) days in advance of the hearing. At such hearing the BOARD may determine that it is or is not advisable for the COUNTY to enter upon such Common Areas, take non-exclusive possession of them and maintain them, according to COUNTY standards, for one (1) year.

467 PAGE 1924

Such entry, possession and maintenance when followed in accordance with the above procedures shall not be deemed a trespass. In no event shall any entry, possession and maintenance be construed to give to the public or the COUNTY any right to use the Common Areas.

4. The BOARD may upon public hearing, with notice given and published in the same manner as above, return possession and maintenance of such Common Areas to the organization, or successor organization, abandon such possession and maintenance, or continue such possession and maintenance for additional one (1) year periods.

5. The cost of such maintenance by the COUNTY, mentioned above, shall be assessed ratably against the real properties within the Planned Unit Development, the owners of which have a right to the use and enjoyment of the Common Areas and shall become a charge or lien on said properties if not paid within thirty (30) days after receipt of a statement therefor.

#### IV. PROPERTY OWNERS' ASSOCIATION.

The DEVELOPER will cause the ASSOCIATION, a Florida corporation not for profit known as HERITAGE RIDGE PROPERTY OWNERS' ASSOCIATION INC. to be incorporated in accordance with the Articles of Incorporation attached hereto as Exhibit G1 and G3 and made a part hereof. Said Corporation will adopt By-Laws, a copy of which is attached hereto as Exhibit G2 and G4 and made a part hereof.

#### V. DESTRUCTION.

In the event that all or a portion of the Planned Unit Development should be destroyed by storm, fire or other common disaster, the DEVELOPER, its grantees, successors or assigns, and/or the ASSOCIATION, shall have the right to rebuild and/or repair so long as there is strict compliance with the final development plans, as the same may be amended from time to time.

#### VI. CHANGE OR AMENDMENT.

There shall at all times be a strict adherence to the approved final development plans for each phase of the PUD. Any major change or amendment thereto can only be made after review and approval by the BOARD at a public meeting.

#### VII. BREACH OF AGREEMENT.

1. In the event that the OWNER, his successors or assigns, has not sought a permit for the improvement or construction for a given phase of the PUD within six (6) months from the date of the recordation of the final development plans for that same phase of the PUD, or from the date of final approval of any change or amendment thereto, whichever is later, or has fallen behind the agreed development construction

schedule as set forth in Exhibit "E" by twelve (12) months or more due to causes within its control, the BOARD shall serve notice to the OWNER in writing of the date and place of a public hearing on the Planned Unit Development, at which time the OWNER will be given an opportunity to explain the reasons for the scheduling delays and to propose a method of fulfilling his obligations under this Agreement. The BOARD may, at its discretion, allow the OWNER time to demonstrate its willingness to meet the COUNTY's conditions.

2. If at the end of a reasonable period of time, the OWNER (due to causes within his control) is clearly unable or unwilling to abide by this Agreement, or if the conditions of this Agreement have in some other manner been clearly violated, the BOARD shall advertise for a public hearing on the PUD, the purpose of which shall be to cause the property to revert to its immediately pre-existing zoning classification(s).

3. In the event of such breach of this Agreement, and the reversion of the property to its prior zoning classification, no further building permits shall be issued to the OWNER (or to his successors in interest) based upon the Preliminary Development Plans, and as the same may be amended from time to time. Those portions of the property which may have buildings or structures constructed upon them in conformity with the Preliminary Development Plans, as amended from time to time, shall thenceforth be regarded as nonconforming uses with respect to the revised zoning classification, if in fact they are such a nonconforming use.

#### VIII. JURISDICTION.

The parties hereto further agree that any and all suits or actions at law shall initially be brought in Martin County, Florida and no other jurisdiction.

#### IX. ADDITIONAL CONDITIONS.

It is mutually agreed that the following additional conditions are as part of this initial agreement:

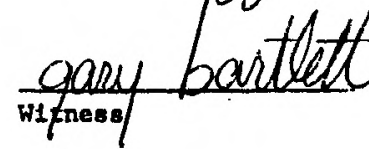

1. That the preliminary development plan "Exhibit D" shows location of roads, open space, recreational areas, residential areas, commercial areas and areas to be dedicated as "Public Service" areas, all of which are to be developed in parcels. The boundaries of each parcel are shown on "Exhibit C1".

#### X. SUCCESSORS AND ASSIGNS:

This agreement shall be binding upon the parties hereto, their successors in interest, heirs, assigns and personal representatives.
