"Frequently asked Questions"

## Frequently Asked Questions

#### 1. What is a CRA?

A Community Redevelopment Area (CRA) is a special geographic area where the community has determined that redevelopment of both public and private facilities should occur according to a redevelopment plan. Jensen Beach is one of six communities in Martin County that carry the special designation of CRA. As development occurs, a portion of the additional tax increment collected by the County, based on the increased property valuation, is reinvested in the Jensen Beach CRA to promote economic growth, sustainable development and improved quality of life.

## 2. What is the Future Land Use Map?

The Future Land Use Map depicts the generally desired type of development in different locations in the County. The "underlying" future land use designations present in the Jensen Beach CRA are Limited Commercial, General Commercial, Waterfront Commercial, Commercial Office/Residential and Mobile Home.-

## 3. What is the Mixed-Use Future Land Use Overlay?

The Mixed-Use Future Land Use Overlay allows, but does not require, development projects that include a mix of residential and commercial uses in the same project. The mixed-use development option is in addition to the development permitted by the "underlying" future land use designation. The Mixed-Use Future Land Use Overlay applies to all of the Jensen Beach CRA.

## 4. What is the Zoning Atlas?

While the future land use designations establish the general type of development allowed, such as residential or commercial, the zoning districts provide more detailed standards regarding permitted uses, such as detached single family dwelling or multi-family, and development standards, such as setbacks and building height. The Zoning Atlas is the map of the County's zoning districts.

## 5. What changes are proposed?

Future Land Use Map – The Mixed-Use Future Land Use Overlay and most of the "underlying" future land use designations will be replaced by a new future land use designation called **CRA Center**. The Marine Waterfront Commercial Future Land Use designation will be retained.

Zoning Atlas - The four "underlying" zoning districts (R-3A, B-1, GC and R-3) and the eight separate Jensen Beach Zoning Overlays will be replaced with the **Jensen Beach Redevelopment Zoning District** and several zoning sub-districts.

#### 6. What is the Process?

The Future Land Use Map is part of the County's Comprehensive Growth Management Plan and is one of the primary tools for managing land development. The Future Land Use designation of a parcel of land determines the general type of use allowed and the maximum level of density or intensity allowed (such as the number of residential units per acre). A change to the Future Land Use Map requires three public hearings as detailed below.

- a. Local Planning Agency (which makes a recommendation to the Board of County Commissioners).
- b. Board of County Commissioners (to determine whether the proposed amendment should be transmitted to the Florida Department of Economic Opportunity, the state land planning agency that oversees and coordinates comprehensive planning).
- c. Board of County Commissioners (to determine whether the proposed amendment should be adopted).

# 7. How will the proposed amendments affect me if I own property in the Jensen Beach CRA?

The County and the Community Redevelopment Agency believe the current regulatory structure impedes realization of the vision for the Jensen Beach CRA contained in the Jensen Beach Redevelopment Plan and the County Comprehensive Growth Management Plan. The intent of the proposed amendments is not to substantially change the permitted uses or development standards applicable within the Jensen Beach CRA, though there will be some adjustments. The intent is to eliminate the difficulties caused by too many layers of regulations.

The proposed changes will permit development of a residential project, a commercial project, or a mixed-use project on most land within the Jensen Beach CRA.

## 8. Are there other plan amendments for the CRA?

Yes. In 2017, the Board of County Commissioners initiated text amendments to the Comprehensive Growth Management Plan (CGMP) that will "strengthen Goals, Policies and Objectives that encourage in-fill development and redevelopment in the Community Redevelopment Areas (CRAs)." The title of this text amendment is CPA 18-10, CRA Text Amendments. This amendment creates a new Chapter of the CGMP for the CRA areas. In addition, it addresses five CGMP policies that impact redevelopment: Design of Mixed-use Future Land Use Overlays; Mixed-use project versus mixed-use neighborhood; Density Transition; Upland Preservation and Shoreline Protection. County staff have been working on these Comprehensive Plan amendments. These efforts also follow a public hearing schedule as detailed above.

#### 9. How can I learn more about the proposed changes?

- a) **WATCH,** on the CRA website or YouTube, a presentation of the proposed changes made at:
  - a. The June 5, 2019 meeting of the Jensen Beach Neighborhood Advisory Committee
- b) **WATCH,** on MCTV, the presentation of the proposed changes made at these public meetings:
  - a. The June 17, 2019 meeting of the Community Redevelopment Agency;
  - b. The June 20, 2019 meeting of the Local Planning Agency.
- c) **WATCH or ATTEND** the public meetings referenced earlier in this letter;
- d) **CALL or EMAIL** Irene Szedlmayer, Senior Planner, Growth Management Department at 772-288-5931 or <a href="mailto:iszedlma@martin.fl.us">iszedlma@martin.fl.us</a> with your questions.

The man told Martin County Sheriff's office deputies around 2:45 p.m. he was driving on Salerno Road in Stuart, when Patterson crashed her silver Nissan Altima into the back of

his car and kept driving. He told deputies he then followed Patterson in her car until she stopped at Southeast Monterey Road and Southeast Federal Highway.

Once both cars were stopped, the man told deputies he started videotaping Patterson's license plate on his phone, at which point Patterson slapped the phone out of his hand and started to slap him in the face multiple times.

Patterson then got into her car and drove off, the man told deputies.

Deputies said when they arrived at the intersection, the man had fresh cuts and scrapes on his face.

Using the video of Patterson's license plate, deputies said they were able to find her address and went to her home.

Federal elections regulators have asked the Treasure Coast's congressman to disclose the name, address, occupation and employer of everyone who donated more than \$200 to his 2020 campaign during

this year's first quarter.

Campaign finance reports for U.S. Rep. Brian Mast, a Palm City Republican, do not itemize over \$130,000 in donations, which is over one-third of his first-quarter fundraising total, Federal Election Commission records show.

Mast Federal law requires campaigns to be transparent about larger donations, but they aren't required to collect or disclose such personal

Smaller donations that don't need to be itemized made up 97% of Mast's donations from over 4,000 individuals, campaign spokesman Brad Stewart told TCPalm Monday, adding \$45.56 was the average amount. FEC filings also show:

information for donations under \$200.

### 2020 elections

Such FEC requests for more information are not unusual, agency spokesperson Judith Ingram said. "They provide us an opportunity for committees to clarify the public record," she said.

The FEC filed three such requests with Mast's 2018 campaign, filings show.

The latest letter was addressed to Mast's campaign treasurer, Paul Kilgore, founder and president of a Georgia-based Republican political financial consulting firm.

The company's website lists 29 clients from 17 states, including Florida Reps. Michael Waltz of Deland and Rep. Ted Yoho of Gainesville.

So far in the November 2020 election for U.S. House District 18, no one has filed to run against Mast, who has represented Martin, St. Lucie and northwest Palm Beach counties since 2016.
