3. Unfinished Business

- a. Curfew Report – Sam Carver, Airport Manager (Back-up Provided)
Sam Carver, Airport Manager review the Curfew Report provided including the TFR's and the operation comparisons to last year.
- b. Noise Call Maps (Back-up provided at Meeting) – Mr. Carver continued with an explanation of the maps quarterly and year to date of the noise calls received. By all comparisons, the numbers are down.
- c. 2019 ANAC Priorities (Attached) - Sam reviewed the 2019 List of Priorities with the Committee. Most of the items are still in the ongoing status.
- d. Noise Exposure Maps Update (Attachment – Update by Jack Thompson, GAI). Jack Thompson, GAI and Michael Arnold reported on the NEM (Noise Exposure Maps explaining that FAA requires adjustments to forecast. They are coordinating with FAA who is recommending running a different methodology with higher activity levels.

4. New Business – No New Business

5. Next Meeting – The Chair reminded everyone of our next meeting.
July 25, 2019

6. Committee Comments –

Mr. Bill Greene from the public commented that air traffic from Runway 12 flies directly over his roof and he wanted to make a alteration in the pattern of the flights patterns. Mr. Stokus responded that FAA makes the determinations for the airspace and we cannot change those patterns and we cannot insulate his home unless the contour maps at the next meeting indicate a need.

Mr. Sedor discussed seaplanes; Army Corp; Air Space; FAA; Water; and SFWM. Also discussion ensued regarding drones and how it is becoming a business and no longer a hobby out of the back yard.

7. ADJOURN

There being no further business, *Werner Bols made a motion to adjourn the Meeting. Jon Chicky seconded the motion. ** Motion carried unanimously. The meeting adjourned at 10:41 AM.
