Ms. May and Mr. Watkins,

As the Recording Clerk for the Public Art Site Selection Committee, I am reaching out to notify you of the recent decision of the Committee regarding the kinetic sculpture, Wind Games located in Stuart, Florida. Wind Games was placed at Halpatiokee Park and the community enjoyed this happy and playful piece. Unfortunately, several years ago the County had to remove the sculpture for safety purposes. Since that time the structure has deteriorated to an irreparable condition.

The Public Art Site Selection Committee recently reviewed the condition of this sculpture and decided to recommend that the Board of County Commissioners dispose of the artwork. The Committee and the Board, as well as the community at large, are appreciative of your contribution to public art in Martin County.

Please sign the bottom of this letter and return it to me acknowledging the Committee's recommendation. I have enclosed a copy for your records.

Sincerely,

Kim McLaughlin
