RE: Notice of public hearings regarding application CPA 19-20, Tucker Commons, a request to change the Future Land Use designation and Zoning District of 0.755 acres of land located on the northeast corner of SW Mapp Road and SW 29th Street in Palm City.

Dear Property Owner:

As the owner of property within 1000 feet of the property described above and shown on the enclosed map, please be advised that the described property is the subject of applications to make the following changes:

- 1) Change the Future Land Use designation from Commercial/ Office/ Residential (COR) and Low Density Residential to Commercial General.
- 2) Change the Zoning District from R-3A, (Liberal Multiple Family) and R-2B to GC (General Commercial).

Two public hearings are scheduled on this application:

1st Public Hearing -before the Local Planning Agency

Date: October 17, 2019
Time: 7:00 P.M., or as soon thereafter as the items can be heard.

2nd Public Hearing- before the Board of County Commissioners

Date: October 22, 2019
Time: 9:00 am., or as soon thereafter as the items can be heard.

LOCATION: Martin County Administrative Center, 2401 S.E. Monterey Road, Commission Chambers, 1st Floor, Stuart, Florida 34996

All interested persons are invited to attend the hearing and will have an opportunity to speak. This application will be processed pursuant to the Small-Scale Amendment procedures and therefore will be the subject of just one public hearing before the Board of County Commissioners (BCC). The hearing before the BCC on **October 22, 2019** will be the adoption public hearing.

Accessibility arrangements: Persons with disabilities who need an accommodation in order to participate in this proceeding are entitled, at no cost, to the provision of certain assistance. This does not include transportation to and from the meeting. Please contact the Office of the ADA Coordinator at (772) 221-1396, or the Office of the County Administrator at (772) 221-2360, or in writing to 2401 SE Monterey Road, Stuart, FL, 34996, no later than three days before the hearing date. Persons using a TDD device, please call 711 Florida Relay Services.

Record for appeals: If any person decides to appeal any decision made with respect to any matter considered at the meetings or hearings of any board, committee, agency, council, or advisory group, that person will need a record of the proceedings and, for such purpose, may need to insure that a verbatim record of the proceedings is made, which record should include the testimony and evidence upon which the appeal is to be based.

Comprehensive Planning Facts: The Future Land Use Map is part of the County's Comprehensive Growth Management Plan and one of the primary tools for managing land development. The Future Land Use designation of a parcel of land determines the general type of use allowed, as well as the maximum level of density or intensity allowed (such as the number of residential units per acre). The zoning regulations provide one or more zoning districts for implementing each Future Land Use designation. The zoning designation determines, in more detail than the Future Land Use designation, what type and level of development may occur. A change to the Future Land Use Map requires two public hearings as follows:

1. Local Planning Agency (which makes a recommendation to the Board of County Commissioners).
2. Board of County Commissioners (to determine whether the proposed amendment should be adopted).

Public involvement opportunities: All interested persons are invited to attend any or all of the above-described hearings and will have an opportunity to speak. All application files are available for public inspection during business hours at the address below. Written comments will be included as part of the public record of the application.
