

enhancement of the tax base of such taxing authority and the furthering of the purposes of such taxing authority as provided by law.

History.—s. 21, ch. 84-356.

163.355 Finding of necessity by county or municipality.—No county or municipality shall exercise the community redevelopment authority conferred by this part until after the governing body has adopted a resolution, supported by data and analysis, which makes a legislative finding that the conditions in the area meet the criteria described in s.

163.340(7) or (8). The resolution must state that:

- (1) One or more slum or blighted areas, or one or more areas in which there is a shortage of housing affordable to residents of low or moderate income, including the elderly, exist in such county or municipality; and
- (2) The rehabilitation, conservation, or redevelopment, or a combination thereof, of such area or areas, including, if appropriate, the development of housing which residents of low or moderate income, including the elderly, can afford, is necessary in the interest of the public health, safety, morals, or welfare of the residents of such county or municipality.

History.—s. 6, ch. 69-305; s. 4, ch. 84-356; s. 4, ch. 94-236; s. 3, ch. 2002-294.

163.356 Creation of community redevelopment agency.—

(1) Upon a finding of necessity as set forth in s. 163.355, and upon a further finding that there is a need for a community redevelopment agency to function in the county or municipality to carry out the community redevelopment purposes of this part, any county or municipality may create a public body corporate and politic to be known as a "community redevelopment agency." A charter county having a population less than or equal to 1.6 million may create, by a vote of at least a majority plus one of the entire governing body of the charter county, more than one community redevelopment agency. Each such agency shall be constituted as a public instrumentality, and the exercise by a community redevelopment agency of the powers conferred by this part shall be deemed and held to be the performance of an essential public function. Community redevelopment agencies of a county have the power to function within the corporate limits of a municipality only as, if, and when the governing body of the municipality has by resolution concurred in the community redevelopment plan or plans proposed by the governing body of the county.

(2) When the governing body adopts a resolution declaring the need for a community redevelopment agency, that body shall, by ordinance, appoint a board of commissioners of the community redevelopment agency, which shall consist of not fewer than five or more than nine commissioners. The terms of office of the commissioners shall be for 4 years, except that three of the members first appointed shall be designated to serve terms of 1, 2,

and 3 years, respectively, from the date of their appointments, and all other members shall be designated to serve for terms of 4 years from the date of their appointments. A vacancy occurring during a term shall be filled for the unexpired term. As provided in an interlocal agreement between the governing body that created the agency and one or more taxing authorities, one or more members of the board of commissioners of the agency may be representatives of a taxing authority, including members of that taxing authority's governing body, whose membership on the board of commissioners of the agency would be considered an additional duty of office as a member of the taxing authority governing body.

(3)(a) A commissioner shall receive no compensation for services, but is entitled to the necessary expenses, including travel expenses, incurred in the discharge of duties. Each commissioner shall hold office until his or her successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk of the county or municipality, and such certificate is conclusive evidence of the due and proper appointment of such commissioner.

(b) The powers of a community redevelopment agency shall be exercised by the commissioners thereof. A majority of the commissioners constitutes a quorum for the purpose of conducting business and exercising the powers of the agency and for all other purposes. Action may be taken by the agency upon a vote of a majority of the commissioners present, unless in any case the bylaws require a larger number. Any person may be appointed as commissioner if he or she resides or is engaged in business, which means owning a business, practicing a profession, or performing a service for compensation, or serving as an officer or director of a corporation or other business entity so engaged, within the area of operation of the agency, which shall be coterminous with the area of operation of the county or municipality, and is otherwise eligible for such appointment under this part.

(c) The governing body of the county or municipality shall designate a chair and vice chair from among the commissioners. An agency may employ an executive director, technical experts, and such other agents and employees, permanent and temporary, as it requires, and determine their qualifications, duties, and compensation. For such legal service as it requires, an agency may employ or retain its own counsel and legal staff.

(d) An agency authorized to transact business and exercise powers under this part shall file with the governing body the report required pursuant to s. 163.371(1).

(e) At any time after the creation of a community redevelopment agency, the governing body of the county or municipality may appropriate to the agency such amounts as the

governing body deems necessary for the administrative expenses and overhead of the agency, including the development and implementation of community policing innovations.

(4) The governing body may remove a commissioner for inefficiency, neglect of duty, or misconduct in office only after a hearing and only if he or she has been given a copy of the charges at least 10 days prior to such hearing and has had an opportunity to be heard in person or by counsel.

163.357 Governing body as the community redevelopment agency.—

(1)(a) As an alternative to the appointment of not fewer than five or more than seven members of the agency, the governing body may, at the time of the adoption of a resolution under s. 163.355, or at any time thereafter by adoption of a resolution, declare itself to be an agency, in which case all the rights, powers, duties, privileges, and immunities vested by this part in an agency will be vested in the governing body of the county or municipality, subject to all responsibilities and liabilities imposed or incurred.

(b) The members of the governing body shall be the members of the agency, but such members constitute the head of a legal entity, separate, distinct, and independent from the governing body of the county or municipality. If the governing body declares itself to be an agency which already exists, the new agency is subject to all of the responsibilities and liabilities imposed or incurred by the existing agency.

(c) A governing body which consists of five members may appoint two additional persons to act as members of the community redevelopment agency. The terms of office of the additional members shall be for 4 years, except that the first person appointed shall initially serve a term of 2 years. Persons appointed under this section are subject to all provisions of this part relating to appointed members of a community redevelopment agency.

(d) As provided in an interlocal agreement between the governing body that created the agency and one or more taxing authorities, one or more members of the board of commissioners of the agency may be representatives of a taxing authority, including members of that taxing authority's governing body, whose membership on the board of commissioners of the agency would be considered an additional duty of office as a member of the taxing authority governing body.

(2) Nothing in this part prevents the governing body from conferring the rights, powers, privileges, duties, and immunities of a community redevelopment agency upon any entity in existence on July 1, 1977, which has been authorized by law to function as a downtown development board or authority or as any other body the purpose of which is to prevent and

eliminate slums and blight through community redevelopment plans. Any entity in existence on July 1, 1977, which has been vested with the rights, powers, privileges, duties, and immunities of a community redevelopment agency is subject to all provisions and responsibilities imposed by this part, notwithstanding any provisions to the contrary in any law or amendment thereto which established the entity. Nothing in this act shall be construed to impair or diminish any powers of any redevelopment agency or other entity as referred to herein in existence on the effective date of this act or to repeal, modify, or amend any law establishing such entity, except as specifically set forth herein.

163.358 Exercise of powers in carrying out community redevelopment and related activities.—Each county and municipality has all powers necessary or convenient to carry out and effectuate the purposes and provisions of this part, including those powers granted under s. 163.370. A county or municipality may delegate such powers to a community redevelopment agency created under s. 163.356, except the following, which continue to vest in the governing body of the county or municipality:

- (1) The power to determine an area to be a slum or blighted area, or combination thereof; to designate such area as appropriate for community redevelopment; and to hold any public hearings required with respect thereto.
- (2) The power to grant final approval to community redevelopment plans and modifications thereof.
- (3) The power to authorize the issuance of revenue bonds as set forth in s. 163.385.
- (4) The power to approve the acquisition, demolition, removal, or disposal of property as provided in s. 163.370(4) and the power to assume the responsibility to bear loss as provided in s. 163.370(4).
- (5) The power to approve the development of community policing innovations.
- (6) The power of eminent domain.

163.360 Community redevelopment plans.—

- (1) Community redevelopment in a community redevelopment area shall not be planned or initiated unless the governing body has, by resolution, determined such area to be a slum area, a blighted area, or an area in which there is a shortage of housing affordable to residents of low or moderate income, including the elderly, or a combination thereof, and designated such area as appropriate for community redevelopment.

- (a) Outlines the community redevelopment activities proposed for the area involved;
- (b) Provides a framework for the preparation of community redevelopment plans; and
- (c) Indicates generally the land uses, population density, building coverage, prospective requirements for rehabilitation and improvement of property and portions of the area contemplated for clearance and redevelopment.

A general neighborhood redevelopment plan shall, in the determination of the governing body, conform to the general plan of the locality as a whole and the workable program of the county or municipality.

(2) Any county or municipality or any public body authorized to perform planning work may prepare or complete a communitywide plan or program for community redevelopment which shall conform to the general plan for the development of the county or municipality as a whole and may include, but not be limited to, identification of slum or blighted areas, measurement of blight, determination of resources needed and available to renew such areas, identification of potential project areas and types of action contemplated, including the development of affordable housing if needed and appropriate for the area, and scheduling of community redevelopment activities.

(3) Authority is hereby vested in every county and municipality to prepare, adopt, and revise from time to time a general plan for the physical development of the county or municipality as a whole (giving due regard to the environs and metropolitan surroundings), to establish and maintain a planning commission for such purpose and related county or municipal planning activities, and to make available and to appropriate necessary funds therefor.

History.—s. 8, ch. 69-305; s. 7, ch. 94-236.

163.367 Public officials, commissioners, and employees subject to code of ethics.

(1) The officers, commissioners, and employees of a community redevelopment agency created by, or designated pursuant to, s. 163.356 or s. 163.357 are subject to part III of chapter 112, and commissioners also must comply with the ethics training requirements as imposed in s. 112.3142.

(2) If any such official, commissioner, or employee presently owns or controls, or owned or controlled within the preceding 2 years, any interest, direct or indirect, in any property which he or she knows is included or planned to be included in a community redevelopment area, he or she shall immediately disclose this fact in the manner provided in part III of chapter 112. Any disclosure required to be made by this section shall be made prior to taking any official action pursuant to this section.

(3) No commissioner or other officer of any community redevelopment agency, board, or commission exercising powers pursuant to this part shall hold any other public office under the county or municipality other than his or her commissionership or office with respect to such community redevelopment agency, board, or commission.

163.370 Powers; counties and municipalities; community redevelopment agencies.

(1) Counties and municipalities may not exercise the power of eminent domain for the purpose of preventing or eliminating a slum area or blighted area as defined in this part; however, counties and municipalities may acquire property by eminent domain within a community redevelopment area, subject to the limitations set forth in ss. 73.013 and 73.014 or other general law.

(2) Every county and municipality shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this part, including the following powers in addition to others herein granted:
