- (c) Prorations: The following items will be made current and prorated as of the day before Closing Date: real estate taxes (including special benefit tax liens imposed by a CDD), interest, bende, accessments, and other Preparty expenses and revenues. If taxes and assessments for the current year cannot be determined, the previous year's rates will be used with adjustment for any exemptions.
- (d) Special Assessment by Public Body: Regarding special assessments imposed by a public body, Seller will pay (i) the full amount of liens that are certified, confirmed, and ratified before closing and (ii) the amount of the last estimate of the assessment if an improvement is substantially completed as of Effective Date but has not resulted in a lien before closing; and Buyer will pay all other amounts. 221 (f) Foreign Investment in Real Property Tax Act ("FIRPTA"): If Seller is a "foreign person" as defined by FIRPTA, Seller and Buyer will comply with FIRPTA, which may require Seller to provide additional cash at closing.

- (g) 1031 Exchange: If either Seller or Buyer wish to enter into a like-kind exchange (either simultaneously with closing or after) under Section 1031 of the Internal Revenue Code ("Exchange"), the other party will cooperate in all reasonable respects to effectuate the Exchange including executing documents, provided, however, that the cooperating party will incur no liability or cost related to the Exchange and that the closing will not be configured upon, extended, or deleved by the Exchange.
- 10. Computation of Time: Calendar days will be used when computing time periods, except time periods of 5 days or less. Time periods of 5 days or less will be computed without including Saturday, Sunday, or national legal holidays specified in 5 U.S.C. 6103(a). Any time period ending on a Saturday, Sunday, or national legal holiday will extend until 5:00 p.m. (where the Property is located) of the next business day. Time is of the essence in this contract.
- 11. Risk of Loss; Eminent Domain: If any portion of the Property is materially damaged by casualty before closing or Seller negotiates with a governmental authority to transfer all or part of the Property in lieu of eminent domain proceedings or an eminent domain proceeding is initiated, Seller will promptly inform Buyer. Either party may terminate this contract by written notice to the other within 10 days after Buyer's receipt of Seller's notification, and Buyer's deposit(s) will be returned, failing which Buyer will close in accordance with this contract and receive all payments made by the governmental authority or insurance company, if any.
- 12. Force Majeure: Seller or Buyer will not be required to perform any obligation under this contract or be liable to each other for damages so long as the performance or non-performance of the obligation is delayed, caused, or prevented by an act of God or force majeure. An "act of God or "force majeure" is defined as hurricanes, earthquakes, floods, fire, unusual transportation delays, wars, insurrections, and any other cause not reasonably within the control of Seller or Buyer and which by the exercise of due diligence the non-performing party is unable in whole or in part to prevent or overcome. All time periods, including Closing Date, will be extended for the period that the act of God or force majeure is in place. However, in the event that such act of God or force majeure event continues beyond 30 days, either party may terminate this contract by delivering written notice to the other; and Buyer's deposit(s) will be returned.
- 13. Notices: All notices will be in writing and delivered to the parties and Breker by mail, personal delivery, or electronic means. Buyer's failure to timely deliver written notice to Seller, when such notice is required by this contract, regarding any contingency will render that contingency null and void, and this contract will be construed as if the contingency did not exist. Any notice, document, or item delivered to or received by an attorney or licenses (including a transactions broker) representing a party will be as effective as if delivered to or received by that party.
- 14. Complete Agreement; Persons Bound: This contract is the entire agreement between Seller and Buyer. Except for brokerage agreements, no prior or present agreements will bind Seller, Buyer, or Broker unless incorporated into this contract. Modifications of this contract will not be binding unless in writing, signed or initialed, and delivered by the party to be bound. Electronic signatures will be acceptable and binding. This contract, signatures, initials, documents referenced in this contract, counterparts, and written modifications communicated electronically or on paper will be acceptable for all purposes, including delivery, and will be binding. Handwritten or typewritten terms inserted in or attached to this contract prevail over preprinted terms. If any provision of this contract is or becomes invalid or unenforceable, all remaining provisions will continue to be fully effective. Seller and Buyer will use diligence and good faith in performing all obligations under this contract. This contract will not be recorded in any public record. The terms "Seller," "Buyer," and "Broker" may be singular or plural. This contract is binding on the heirs, administrators, executors, personal representatives, and assigns, if permitted, of Seller, Buyer, and Broker.
- **15. Default and Dispute Resolution:** This contract will be construed under Florida law. This Paragraph will survive closing or termination of this contract.
  - (a) Seller Default: If Seller fails, neglects, or refuses to perform Seller's obligations under this contract, Buyer may elect to receive a return of Buyer's deposit(s) without thereby waiving any action for damages resulting from Seller's breach and may seek to recover such damages or seek specific performance. Seller will also be liable for the full amount of the brokerose for

- 16. Attorney's Fees; Costs: In any litigation permitted by this Contract, the prevailing party shall be entitled to recover from the non-prevailing party costs and fees, including reasonable attorney's fees, incurred in conducting the litigation. This Paragraph 16 shall survive Closing or termination of this Contract.
- 17. Escrow Agent; Closing Agent: Seller and Buyer authorize Escrow Agent and closing agent (collectively "Agent") to receive, deposit, and hold funds and other items in escrow and, subject to Collection, disburse them upon proper authorization and in accordance with Florida law and the terms of this contract, including disbursing brokerage fees. "Collection" or "Collected" means any checks tendered or received have become actually and finally collected and deposited in the account of Agent. The parties agree that Agent will not be liable to any person for misdelivery of escrowed items to Seller or Buyer, unless the misdelivery is due to Agent's willful breach of this contract or gross negligence. If Agent interpleads the subject matter of the account, Agent will pay the filing fees and seets from the deposit and will receiver reasonable atterneye' fees and seets to be paid from the escrowed funds or equivalent and charged and awarded as court costs in favor of the prevailing party.
- 18. Professional Advice; Broker Liability: Broker advises Seller and Buyer to verify all facts and representations that are important to them and to consult an appropriate professional for legal advice (for example, interpreting this contract, determining the effect of laws on the Property and this transaction, status of title, foreign investor reporting requirements, the effect of property lying partially or totally seaward of the CCCL, etc.) and for tax, property condition, environmental, and other specialized advice. Buyer acknowledges that Broker does not reside in the Property and that all representations (oral, written, or otherwise) by Broker are based on Seller representations or public records. Buyer agrees to rely solely on Seller, professional inspectors, and government agencies for verification of the Property condition and facts that materially affect Property value.
