"Frequently asked Questions"

## ***Frequently Asked Questions***

### **1. What is a CRA?**

A Community Redevelopment Area (CRA) is a special geographic area where the community has determined that redevelopment of both public and private facilities should occur according to a redevelopment plan. Rio is one of six communities in Martin County that carry the special designation of CRA. As development occurs, a portion of the additional tax increment collected by the County, based on the increased property valuation, is reinvested in the Rio CRA to promote economic growth, sustainable development and improved quality of life.

### **2. What is the Future Land Use Map?**

The Future Land Use Map depicts the generally desired type of development in different locations in the County. The “underlying” future land use designations present in the Rio CRA are Estate Density, Low Density, Medium Density, Limited Commercial, General Commercial, Waterfront Commercial, Commercial Office/Residential and Mobile Home.

### **3. What are the Mixed-Use Future Land Use Overlays?**

The Mixed-Use Future Land Use Overlays allow, but do not require, development projects that include a mix of residential and commercial uses in the same project. The mixed-use development option is in addition to the development permitted by the “underlying” future land use designation. There are four Mixed-Use Future Land Use Overlays currently in the Rio CRA.

### **4. What is the Zoning Atlas?**

While the future land use designations establish the general type of development allowed, such as residential or commercial, the zoning districts provide more detailed standards regarding permitted uses, such as detached single family dwelling or multi-family, and development standards, such as setbacks and building height. The Zoning Atlas is the map of the County’s zoning districts.

### **5. What changes are proposed?**

**Future Land Use Map** – The Mixed-Use Future Land Use Overlays and most of the “underlying” future land use designations will be replaced by two new future land use designations called CRA Center and CRA Neighborhood. The Marine Waterfront Commercial, Industrial, Recreational and Conservation Future Land Use designations will be retained.

**Zoning Atlas** - The fifteen (15) “underlying” zoning districts, and the four (4) separate Rio Zoning Overlays will be replaced with the Rio Redevelopment Zoning District and several zoning sub-districts.

There will be no Zoning Atlas changes proposed for properties within the Beacon 21 Planned Unit Development. There will be no Future Land Use Map or Zoning Atlas changes proposed for the Langford Landing subdivision.

### **6. What is the Process?**

The Future Land Use Map is part of the County's Comprehensive Growth Management Plan and is one of the primary tools for managing land development. The Future Land Use designation of a parcel of land determines the general type of use allowed and the maximum level of density or intensity allowed (such as the number of residential units per acre). A change to the Future Land Use Map requires three public hearings as detailed below.

1. Local Planning Agency (which makes a recommendation to the Board of County Commissioners).
2. Board of County Commissioners (to determine whether the proposed amendment should be transmitted to the Florida Department of Economic Opportunity, the state land planning agency that oversees and coordinates comprehensive planning).
3. Board of County Commissioners (to determine whether the proposed amendment should be adopted).

**7. How will the proposed amendments affect me if I own property in the Rio CRA?**

The County and the Community Redevelopment Agency believe the current regulatory structure impedes realization of the vision for the Rio CRA contained in the Rio Redevelopment Plan and the County Comprehensive Growth Management Plan. The intent of the proposed amendments is not to substantially change the permitted uses or development standards applicable within the Rio CRA, though there will be some adjustments. The intent is to eliminate the difficulties caused by too many layers of regulations.

The proposed changes will permit development of a residential project, a commercial project, or a mixed-use project on most land within the Rio CRA.

**8. Are there other plan amendments for the CRA?**

Yes. In 2017, the Board of County Commissioners initiated text amendments to the Comprehensive Growth Management Plan (CGMP) that will “strengthen Goals, Policies and Objectives that encourage in-fill development and redevelopment in the Community Redevelopment Areas (CRAs).” The title of this text amendment is CPA 18-10, CRA Text Amendments. This amendment creates a new Chapter of the CGMP for the CRA areas. In addition, it addresses five CGMP policies that impact redevelopment: Design of Mixed-use Future Land Use Overlays; Mixed-use project versus mixed-use neighborhood; Density Transition; Upland Preservation and Shoreline Protection. These amendments also followed a public hearing schedule, have been adopted by the Martin County Board of County Commissioners and are now in effect.

**9. How can I learn more about the proposed changes?**

- a) **WATCH**, on MCTV, the presentation of the proposed changes made at these public meetings:
  - a. The September 23, 2019 meeting of the Community Redevelopment Agency;
  - b. The October 3, 2019 meeting of the Local Planning Agency;
  - c. The November 12, 2019 meeting of the Board of County Commissioners.
- b) **CALL or EMAIL** Irene Szedlmayer, Senior Planner, Growth Management Department at 772-288-5931 or [iszedlma@martin.fl.us](mailto:iszedlma@martin.fl.us) with your questions.

Based on my review of the work completed by Josh Mills, Project Manager, to the best of my knowledge, the attached list appears to meet the requirement of Section 1.9A., Comprehensive Growth Management Plan, and Section 10.6.E., Land Development Regulations, Martin County Code, and represents the apparent owners of all parcels of land within a distance of one thousand feet (1000') of the Rio CRA. Rio CRA map attached. In addition, based on my review of the work completed by Mr. Mills, to the best of my knowledge, the attached list includes any homeowner associations, condominium associations, owners of condominiums and mobile homes with the notice area.

much the city should subsidize a business that maintains Stuart’s charm but is supported mainly by people from out of town.

Commissioners worried they could give the Pelican a new lease, only to see the Dalys flip it for a profit.

For their part, the Dalys insisted they had no intention of leaving the Pelican Cafe.

In the end, the City Commission on Oct. 28 signed a lease for up to 20 years. If the Dalys wanted to sell, the deal needed the commission’s OK and the city could negotiate a new lease.

This way, commissioners argued, they could protect their constituents and try to bring the business up to market value in its next lease.

Less than a month later, the city got wind of the “For Sale” sign about to go out.

“I think the actions of the owners were an indication of their thought process all along,” Glass Leighton said.

The deal the city struck with the Dalys was for \$2,000 a month, up \$300 a month from before, and 3% of its gross sales.

By comparison, the Pelican Cafe paid the city of Stuart about \$42,000 in rent this past year while Mulligan’s Beach House and Bar, just down the Riverwalk, paid the city \$201,000.

“If I were to sell the business,” Linda Daley told TCPalm In an early-October interview, “I probably would’ve done it years ago.”

On Tuesday, the Dalys explained that after coming back from a planned vacation, they had a change in heart.

“All of those negotiations we went through really took our breath and flattened us,” Linda Daly said.

The terms of the lease they signed, Paul Daly said, also made it more expensive for them. Building a pavilion overhang onto the restaurant was going to be too costly now and not necessarily worth the risk.

A new lease, the Dalys said, made the business more attractive for a sale. They have put out feelers and received some interest, including from the owner of the Stuart Boathouse.
