Re: Notice of Public Hearings for CPA 19-25, the proposed Amendment of Future Land Use Map & Zoning Atlas for Hobe Sound Community Redevelopment Area (CRA); and adoption of Article 12 Division 5, Hobe Sound Community Redevelopment Code, Land Development Regulations (LDR)

Dear Martin County,

We have received your notice of public hearings correspondence dated February 20, 2020. We are in favor and support the proposed CRA land use designation change.

Thank you for all you do in the County.

Sincerely,

Donaldson Hearing
Principal

Attachments: [Hobe Sound Village - Final Site Plan 10-31-16.pdf](#)

Hello Dana,

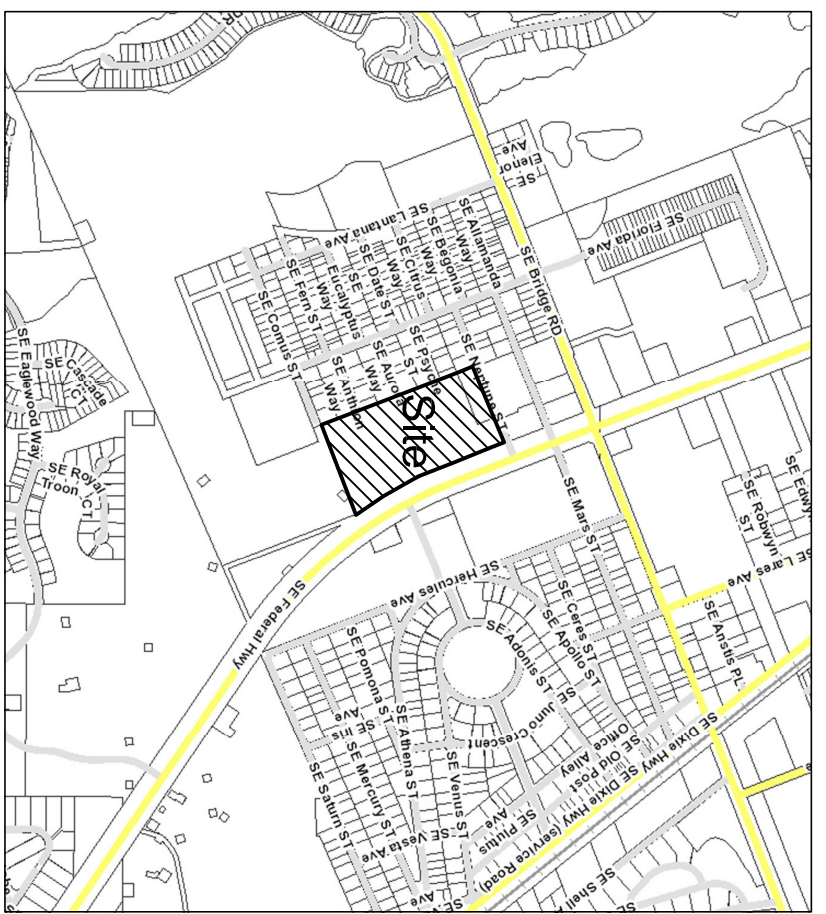

I hope everyone is well. I have been reviewing the draft of the Hobe Sound regulating plan that is on tomorrow night's LPA agenda and while most of it looks great we have a number of concerns related to our clients 13-15 acres on the west side of U.S.1 and just south of Bridge Road (submitted site plan attached). It is still an active application in the County, although on hold based on significant storm water issues from Banner Lake. The future streets shown on the regulating plan and defined on page 27 do not reflect the desire of the Banner Lake residents who we met with three times and does not reflect the storm water and upland preserve issues found on the site. The NAC reviewed this plan and I believe approved it prior to the storm water issue.

Meeting the standards described in the Future Streets requirements could prove very difficult and clearly don't reflect this site plan which is showing connectivity on the north and onto U.S. 1 from the Pine School. Let's discuss tomorrow if that's possible. Thanks.

Best Regards,

Michael Houston, ASLA

ALONG THE SAID WESTERLY RIGHT OF WAY LINE, 121.39222222222222, 1. FOR A DISTANCE OF 418.43 FEET TO A POINT OF CURVATURE OF CIRCULAR CURVE TO THE RIGHT, HAVING A RADIUS OF 2964.95 FEET AND A CENTRAL ANGLE OF 132° 13' 15"; ALONG AN ARC DISTANCE OF 100.22 FEET; THENCE NORTH 86° 13' 15" E. FOR AN ARC DISTANCE OF 100.22 FEET; THENCE NORTH 71° 32' 15" E. ALONG THE EASTERLY PROLONGATION OF THE NORTH RIGHT OF WAY LINE OF CONSUMERS AVENUE, FOR A DISTANCE OF 649.22 FEET; THENCE NORTH N21° 39' 22" W. ALONG THE SAID EAST LINE OF OLYMPIA PLAT NO. 4, FOR A DISTANCE OF 1110.29 FEET TO THE POINT OF BEGINNING.

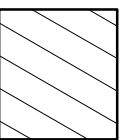

SUBJECT TO A 50 FOOT INGRESS-EGRESS EASEMENT, WHOSE EXACT LOCATION IS TO BE DETERMINED LATER, BUT WHICH IS SHOWN HEREON FOR GENERAL LOCATION.

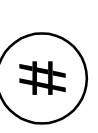

General Notes

1. All signs shall meet the requirements of Div. 16, Article 4-1. LPR Main County Code.
2. All ornate vegetation to be removed prior to the issuance of a Certificate of Occupancy.
3. The applicant will notify the Growth Management Department for a field inspection to staff to determine if barricades have been properly placed prior to and after clearing.
4. Preservative areas may not be altered except in compliance with the approved Preservative Area Management Plan (PAMP).
5. All internal roads shall be privately owned and maintained by the Hobbs Sound Village Property Owners Association.
6. Storage of construction materials in preserve areas is not permitted.
7. Fill is not allowed to encroach into preserve areas.
8. Models, sales centers and construction trailers shall be permitted in accordance with Article III, Main County zoning code.
9. All preserve areas which are adjacent to significantly or multi-family lots shall be clearly marked with signs indicating that the area is a preserve area, subject to a recorded preserve areas management plan on file in the Main County Growth Management Department.
10. No alteration of Natural Preserve, Upland Preserve, or Transition Zones is permitted except in compliance with a Preservative Area Management Plan approved by Main County.
11. For existing or proposed utilities, no tree shall be planted within 10 feet of any existing or proposed utility pole, guy wire or pad mounted transformer. Poles should be planted at a distance of thirty (30) feet from the average road length plus two (2) feet. If a plant is planted no closer than a horizontal distance of thirty (30) feet from the nearest overhead power line, the Medium height tree [tall as measured between twenty (20) and thirty (30) feet] shall be offset at least twenty (20) feet and small trees [tall as measured between ten (10) and twenty (20) feet] shall be offset at least twenty (20) feet. I require no offset.
12. No tree, shrubs, bushes, or vines shall be planted within five (5) feet of any existing or proposed utility pole, guy wire or pad mounted transformer. Poles should be planted at a distance equal to or greater than the average road length plus two (2) feet from power lines.
13. Water and sewer to be provided by South Martin Regional Utilities (SMRU).
14. All recreation and common areas, as well as utility and drainage easements to be dedicated to the Home Owners Association.
15. All preserve areas which are adjacent to significantly or multi-family lots shall be clearly marked with signs indicating that the area is a preserve area, subject to a recorded preserve areas management plan on file in the Main County Growth Management Department.
16. All areas not within this shall be common areas maintained by the Property Owners Association, (P.O.A.)
17. All areas not within this shall be common areas maintained by the dedication of covenants and restrictions prior to plat recordation.
18. The infeasible development for final site plans requires all permits to be obtained within one (1) year of approval, and require all construction to be completed within two (2) years of approval.
19. Knox Access System to be provided at all main and secondary proposed building construction methodology, as identified on the submitted Final wildfire risk assessment (see section), will need to be conveyed to requisite documents and plans for approval including the Development order, Final Site Plan, Declaration of Covenants and Restrictions approved with plat, and future building permits.
20. Proposed building construction methodology, as identified on the submitted Final wildfire risk assessment (see section), will need to be conveyed to requisite documents and plans for approval including the Development order, Final Site Plan, Declaration of Covenants and Restrictions approved with plat, and future building permits.
